JOHN IRWIN, ROBERT
KIMBALL

For inspiration and service, we express our appreciation of one who has become so much a part of Tilton. Through his teaching of Physics and as Housemaster of Knowles Hall, he has earned our sincere respect. His readiness in understanding student problems, his patience and sympathy, coupled with a true sense of humor, has enriched the life of each one of us. As a sign of our affection and esteem, we, the class of 1951, are proud to dedicate this Tower to Myron Berry.

From the Editor

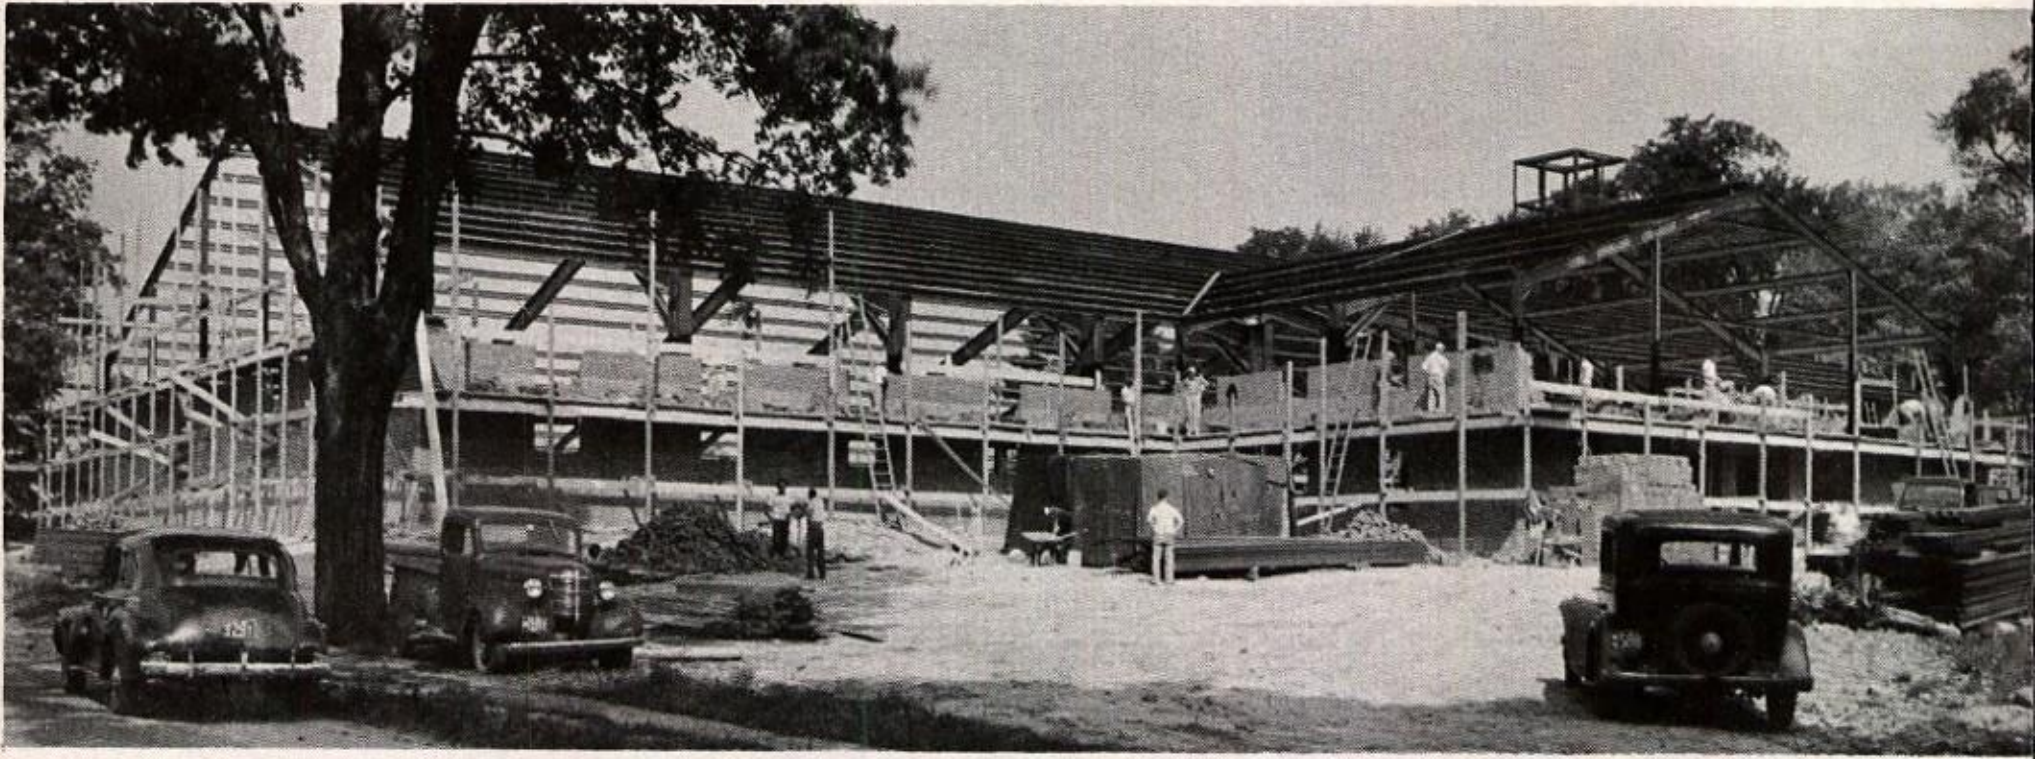

Dear Classmates,

Throughout the year the Tower staff has been working hard to publish this annual. We hope that you will enjoy it as much as we enjoyed bringing it to you. The staff and I have tried to give you a concise picture of the school year, together with both activities and sports. We would like to thank everyone who made this book a reality, putting emphasis on Poblentz Studios and Evans Printing Company for their exacting work. The staff also would like to thank Mr. Robert Selvin for his immense interest and help. I hope this Tower will aid you in remembering the pleasant memories of Tilton School for many years.

Sincerely

Patricia A. Hunt

The past is the tradition of the present;

the present therefore

is the tradition of the future

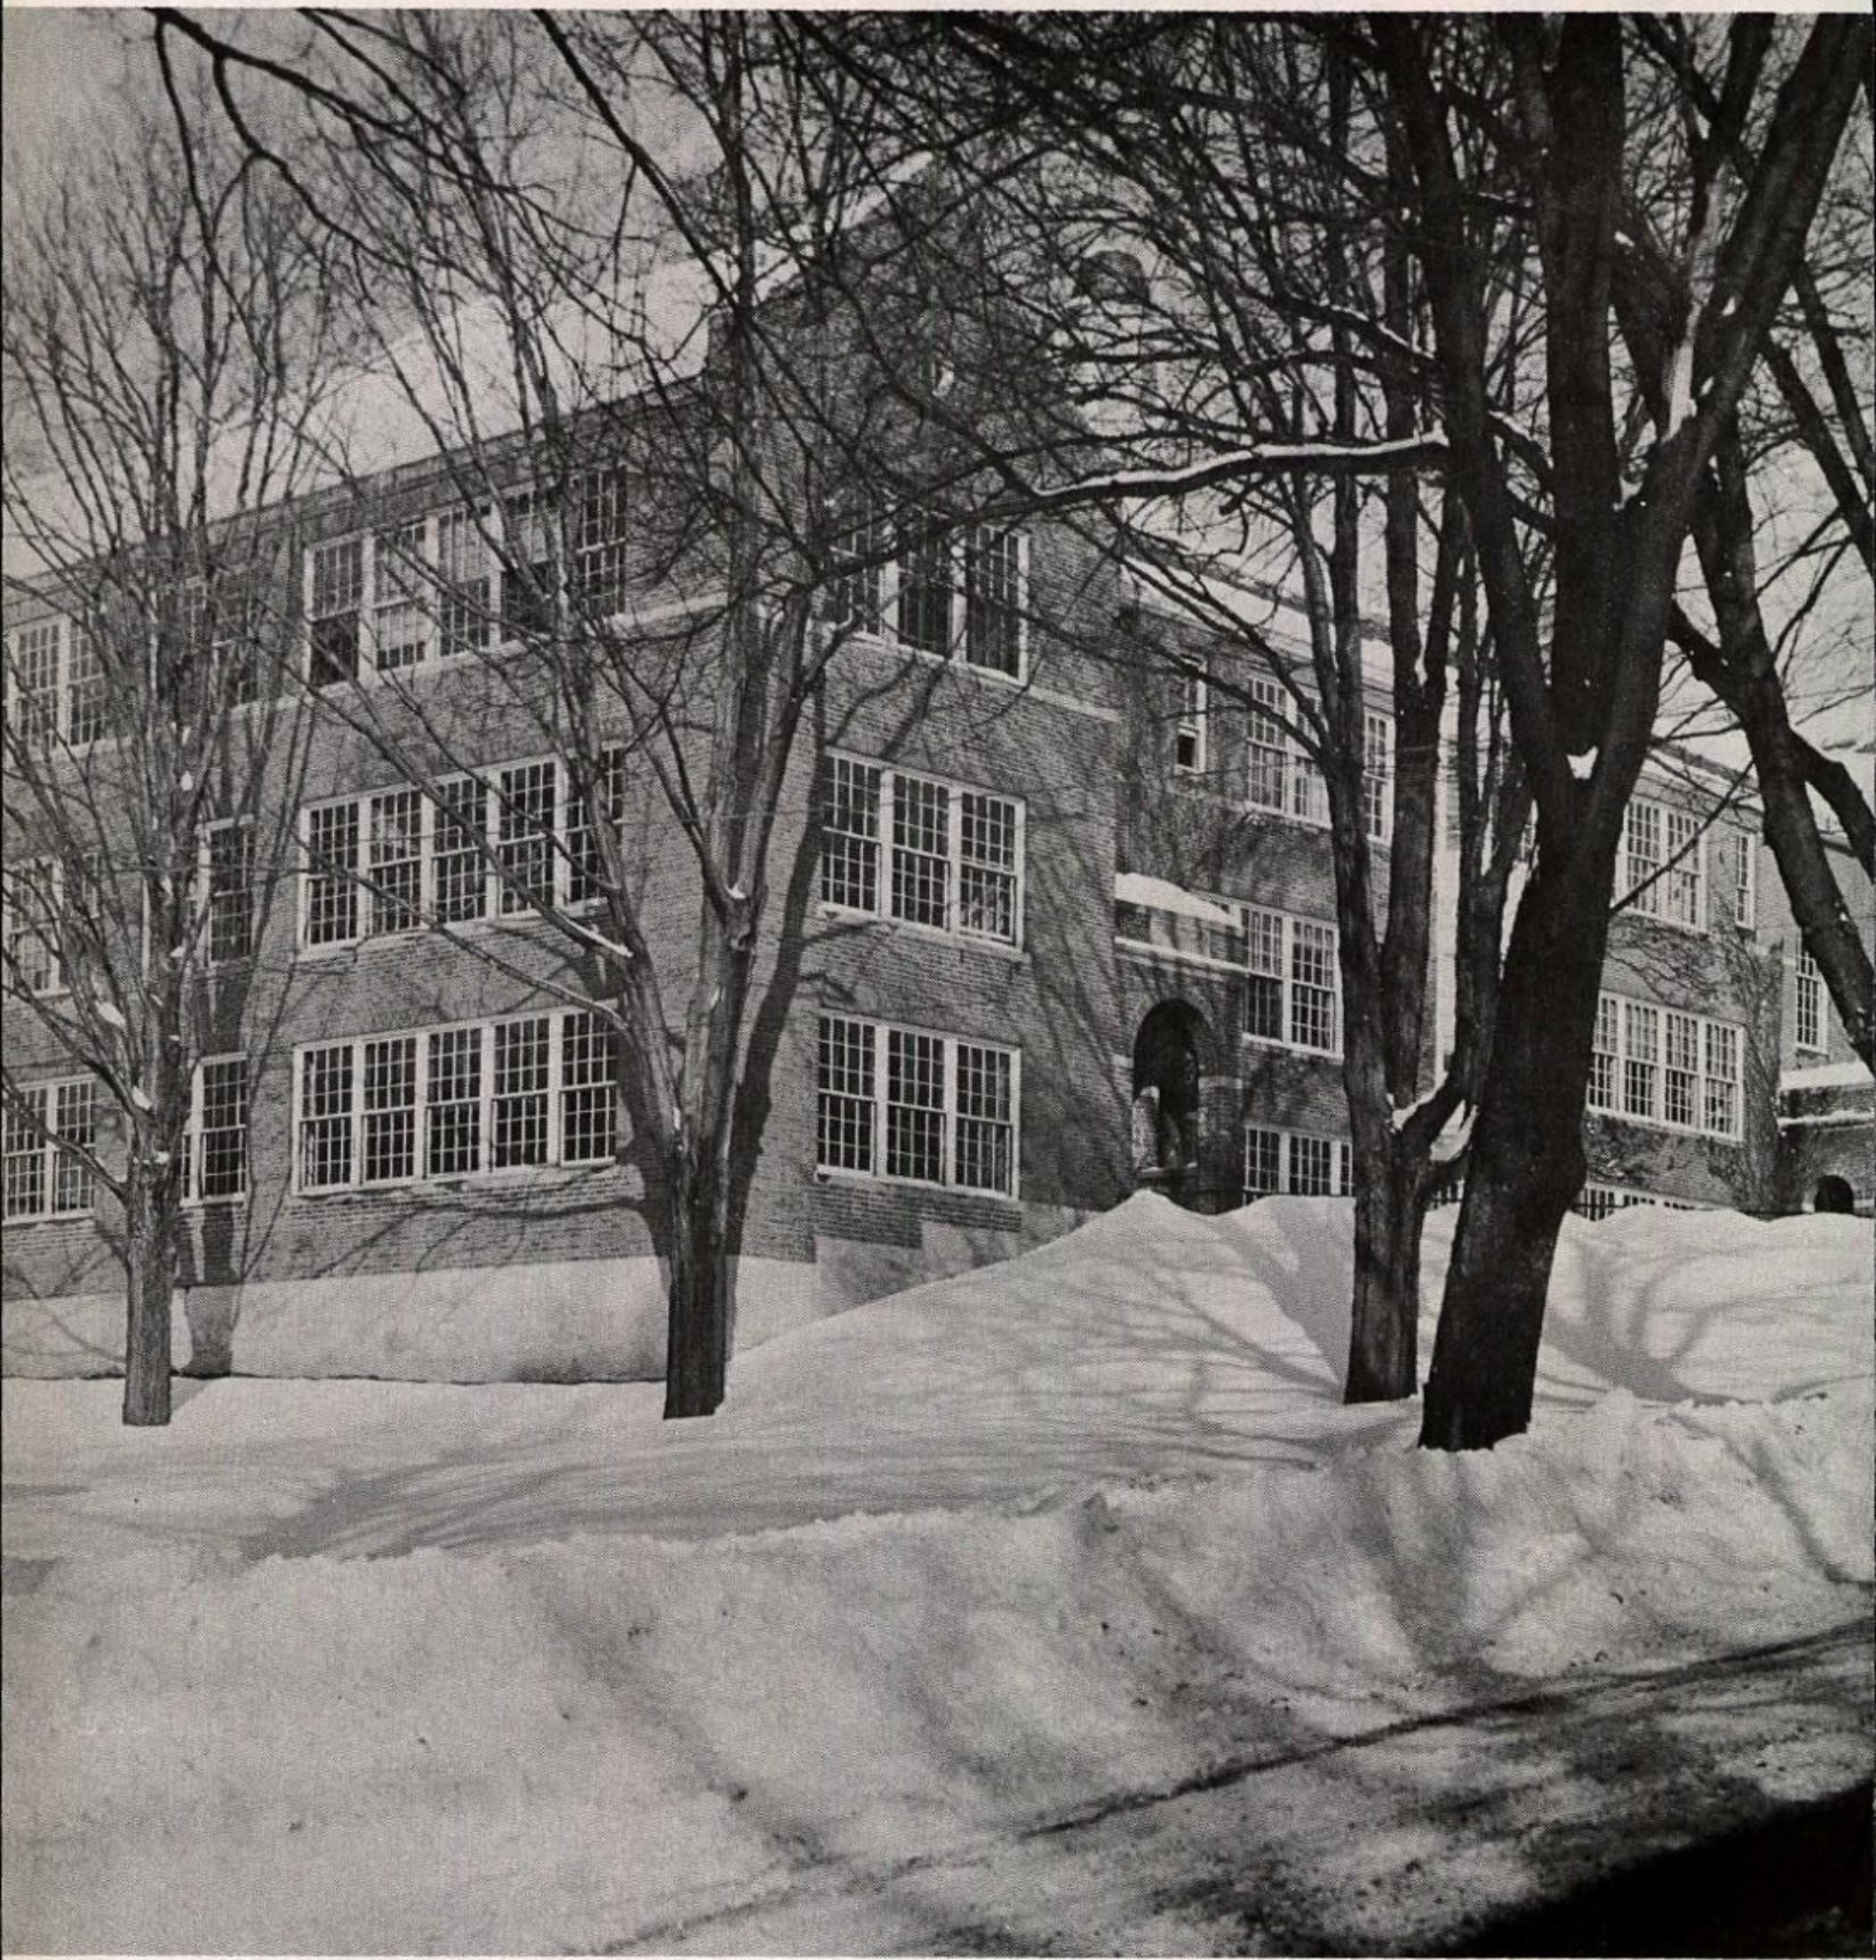

Look on my works, ye Mighty, and despair

This thou perceivest, which makes thy love more strong,
To love that well which thou must leave ere long.

Have nothing in your house that you do not know to
be useful or believe to be beautiful

"...old, unhappy, far-off things
And battles long ago."

It's all in the way you play the game

Experience is the best school; but a good school
is a great experience

It is a high privilege to be able to represent the Tilton School as its Headmaster in extending best wishes to the class of 1951.

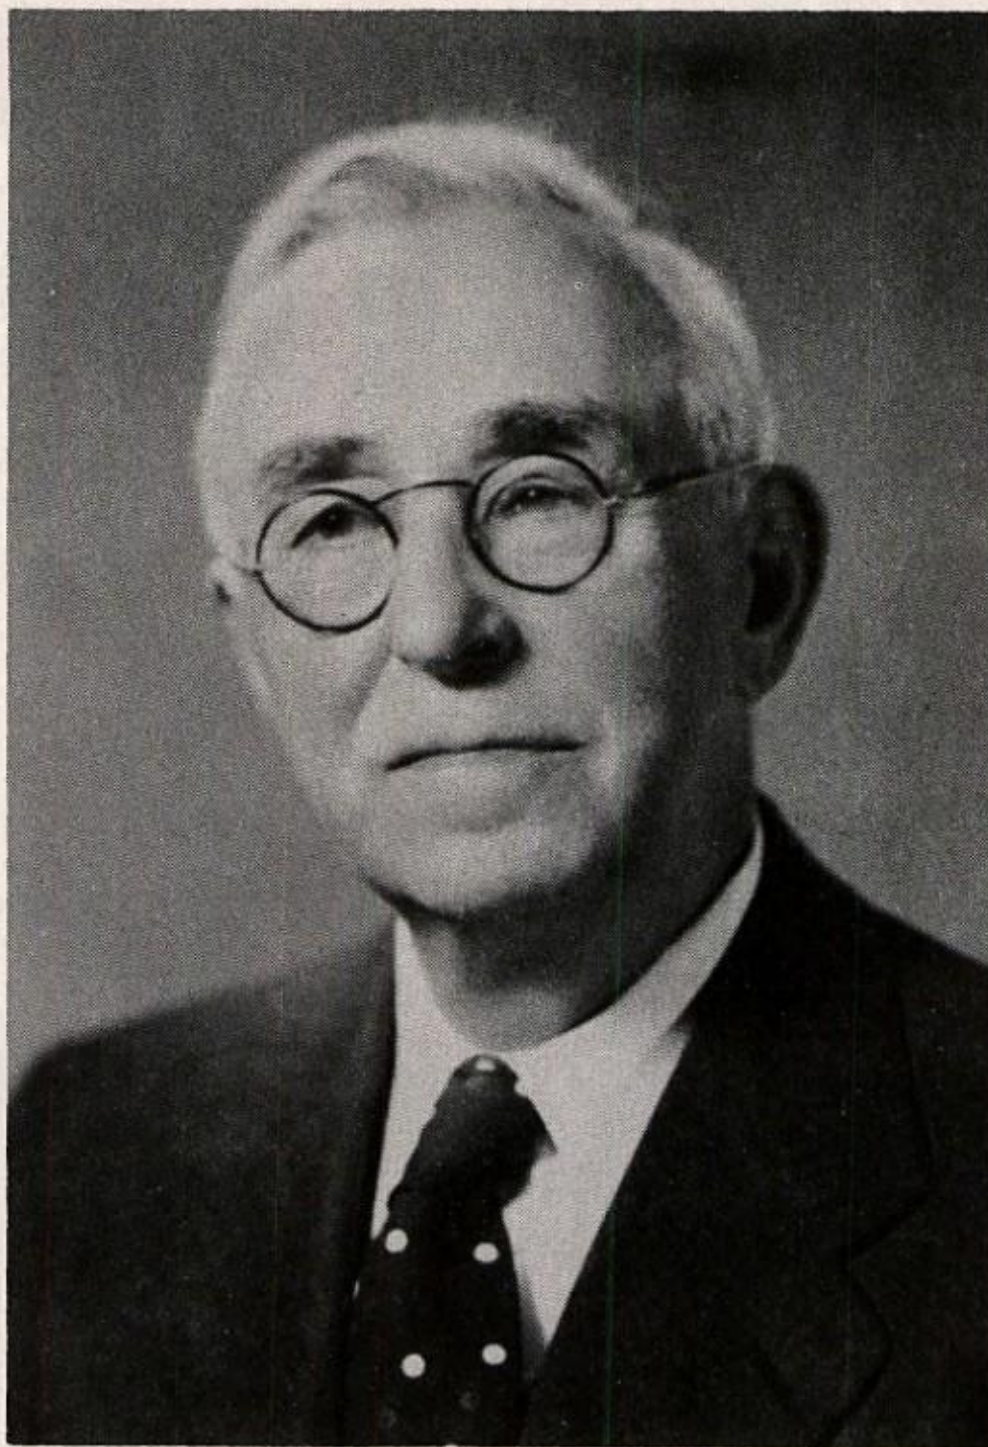

For more than a century groups of boys and girls have gone out from the halls of this school to College and University and ultimately to take their places in the varied walks of life. On the alumni rolls of today will be found the names of many who have achieved success and some who have achieved greatness. Our Alumni record would do credit to any school.

The class of this year goes out into a very uncertain world. No one would dare prophesy too much about the future. Confusion is the dominant note of our day, World conflict threatens to break out again into world war. Able bodied boys will be called into the armed forces and it is difficult for young people to plan.

It is sincerely hoped that Tilton has given each member of this class some preparation for the facing of this kind of world. Such preparation includes not only knowledge of facts and skill in learning but also the development of certain spiritual powers which gave us confidence in the midst of uncertainty.

The best wishes of the Headmaster and his family go with you of this class. We wish you unlimited success. But above all we wish for you those high qualities of character which will make you men of whom your Alma Mater may be proud.

J. Roland Crompton

The members of the graduating class of 1951 will wish to remember that our new physical education building is opened and dedicated this year. Just a few days ago in re-reading Dr. Richard Cabot's famous book entitled, *What Men Live By*, I came again upon the following: "Let us abolish terms like physical culture, or mental training. To be concerned either with one's mind or one's body is a morbid practice."

This statement from an eminent physician made me wonder if we were wise in erecting an elaborate and expensive physical education plant. Then I followed on and read, "We should be occupied with tasks that make us forget both mind and body in a higher union of both."

It is now happening that doctors are not the only people disturbed by over emphasis on one hobby or one pursuit. Even the sports writers seem to be disturbed about over emphasis on athletics. They need to be for they have been partly responsible for it.

Our new building is not only for the training of the body. The boy who enters it in a gym suit should not check his mind or his spirit, or his courtesy elsewhere. He should bring his whole life and all his faculties and when he takes a shower after the games he will want to wash away what he has learned to be unwholesome in his life.

Preparation for living in one world means training to live one whole life. This has often been done in a one-room school and in a one-building college. Let us beware that a wide spread campus and imposing scattered buildings do not make us scatter brained and divided personalities.

We dedicate our new physical education building at Tilton School to the cultivation of the healthy, wholesome, helpful virtues of Christian manhood. The members of the class of 1951 will all want to dedicate their lives to this worthy objective.

CLASS OFFICERS

Left to right: Georges, Lancaster, Cohen, S. N., Golodetz, E. M.

Contributing wholeheartedly to the life of the school in social, athletic, scholastic work, the class of 1952 has in its accomplishments and successes prepared the foundation for a final year of outstanding activity in all phases of school life.

Under the leadership of Peter Georges, president, juniors attained high positions in all varsity sports, and in all extra-curricular activities.

Maintaining consistently high scholarship throughout the entire year, Sheldon Cohen lead the class in scholastic work and was continually one of the top ranking members of the honor group. Other students who distinguished themselves in studies were Al Boren, Tommy Leidner, and Bob Silvius.

Prominent on the athletic field were Tweet Pirozok, Bernie Lancaster, Ross Artus, and George Thomson.

With the year of brilliant scholastic, extra-curricular, and athletic successes completed, the class of '52 may eagerly look forward to the future and to its opportunities as next years seniors so that its good record may be continued.

CLASS OFFICERS

With six boys returning from the freshman class and sixteen new boys coming to Tilton, it is believed this is one of the largest sophomore classes in recent years.

Joel Einstein of New York City was elected president; Benson Chertok of Laconia vice-president; Charles Jackson of Pittsburgh, Pa. secretary; and Donald Runkle of Glen Falls, N. Y. treasurer.

No one can say that the sophomore sportsters sat on the bench most of the time. Well remembered by everyone will be such athletes as Kiernan, Gibbs, and Inman, varsity football, soccer, and hockey respectively. Other outstanding soph stars this fall were Charlie Adams, Harvey, and Jackson, all on the J. V. football team with Dave Fisher as water-boy. On the basketball court were Chertok, Harvey, Runkle, and Huestis. Many are eagerly awaiting warm weather when they might try out for spring sports.

Yes, we have been well represented in other aspects of school-life too as seen in clubs, organizations, the Honor List and the good old PRO List.

In closing, we would like to welcome back Mr. MacMoran, who after a year's absence of graduate work at Boston University, has returned to the campus. We sincerely thank him for his help as our class adviser. We hope he will have many happy and prosperous years at Tilton.

Standing: Jackson, Runkle, Chertok. *Sitting:* Einstein (Pres.)

f r e s h m e n

CLASS OFFICERS

Standing: Leining, Kinsman, Rostau. *Sitting:* Clarenbach (Pres.).

The Freshman class made its usual fine school record in all fields of Tilton activity, and may look forward to its three remaining years of school life.

Out of the nine who appeared in September, Richard Clarenbach was elected President, Joel Rostau Vice President, Richard Leining secretary, and Ross Kinsman Treasurer.

Richard Leining led the class scholastically, gaining high honors every marking period, and ranking very high on the list of the entire school. Herb Rothfarb and Joel Rostau were leaders on another list!

Although the Freshman class has little opportunity to excel in any particular sports, the lessons in sportsmanship, conduct, and general school spirit learned throughout the year form a solid foundation for the richer years that follow. The Freshman class has by its close contact with the higher forms of the school been able to decide upon the paths that it will follow and the activities that it will participate in during future years. The members show fine characteristics of leadership and ability which will have the opportunity to grow in the next three years of Tilton life.

CLASS OFFICERS

Under the supervision of Mr. Paul Dixon, the twelve Lower School members are completing another successful year. All living on the third floor west of Knowles Hall, they have been active in sports and extra-curricular activities of their own. During the winter season members of the Lower School took part in skiing, wrestling and reserve basketball. Peter Hooghkirk of Intervale, N. H., has been a great help to the ski squad.

Berry Borell led the Lower School scholastically, with Glen McLenithan taking a close second. Eddie Weissman was the basketball mascot this year, and Lethbridge our official railroad timetable. The Lower School boys feel that they can work well in the upper school because of their fine background in the lower forms.

Weissman, Shapiro (*Pres.*), Hooghkirk, Borell.

the lower school

STUDENT COUNCIL

This years Student Council, the official organ of student government at Tilton School, set out to prove to the students and to the school administration that such a group could carry out the duties delegated to it. Within the powers assigned to it, the council proceeded to act efficiently and to cope wisely with the problems that arose during the year. The Student Council consists of the five class presidents, the captains of all major sports, all club presidents, and one delegate each from East and West Knowles, together with one from Pfeiffer. Elected last spring, as president, Earl Prolman has handled this difficult position most capably. Late in the fall, the council was host to the State Convention of Student Councils. Following a talk by Dr. Coons in the gym, the group discussed problems of mutual interest. The chief difficult function of the group, granting privileges, was performed impartially. In addition, the council handled several disciplinary matters. Likewise the council staged the annual Christmas party for the boys of the Daniel Webster Home, and hopes to sponsor a senior prom.

Standing: Bisson, Kimball, Tucker, Mershon, Settlow, Toschach, Creem, Sanel, Harris, Fisher, K.R.G.,
Seated: McKinnon, Mills, Chertok, Johnston, Shepard, Swaebe, Gignac, Young, Learmouth.

TILTONIAN

Appearing six times in the past year, the Tiltonian under the guidance of Jim Shepard, editor, and Mr. Benedict, advisor, indeed proved worthy of high esteem in annals of journalism. The paper appeared after each school event. Competent reporters kept the Tiltonian filled with interesting articles. The Pfeiffer Hall escapades were covered by Doc Sanel and Chief Creem, while the mysterious doings at Knowles were

divulged by Ben Chertok and Graham Fisher. This year questions of current interest were also printed. Boys from both dormitories were interviewed on such questions as: "The Korean War And You". The sports department was very capably handled by Ed McKinnon and assistant Lefty Harris. We the editor and staff hope we have served you well.

OFFICERS: Johnston, *co-Sports Editor*; McKinnon, *co-Sports Editor*; Sanel, *Business Manager*; Kimball, *Photographer*; Shepard, *Editor-in-Chief*; Swaebe, *Managing Editor*.

Standing: Tucker, Gignac, Mershon, Brilliant, Settlow, Chertok, Leidner, Lancaster, Miller, Cook, Fell.
Seated: Cohen S. N., Shore, Grant, Irwin, Seames.

THE TOWER

Since mid-October, the Tower staff has been working towards the goal of a better annual. They hope they have succeeded. Starting slowly, they worked themselves up to fever pitch, often working till the wee hours of the morn, and finally some five months later relaxed with the thought that the yearbook was finally at the printers. But mental strain continued as the worry "Would the book arrive on time?" continued. The staff does not expect to please everyone; that is impossible. They do, however, hope that it will prove pleasing to the majority. They especially wish to call attention to the work of Stu Cohen in the art department whose labor, we think, has not been in vain. Pete Grant the editor, Alfie Shore, Ernie Fell, Bob Kimball, John Irwin, and Jim Cook deserve much credit for their outstanding efforts. Mr. Robert Selvin, our advisor, overwhelmingly and sincerely aided the small but hard working staff. The completion of this yearbook ended many day and nights of companionable work among a group who tried to reflect with reasonable accuracy life at Tilton School, and to preserve its memories within these pages.

OFFICERS

Grant, Editor; Shore, Business Manager; Irwin, Photographic Editor; Mr. Selvin, Advisor.

The Tilton Troupers of 1951 presented the three act comedy "The Man Who Came to Dinner," March 17th, in the Tilton School Alumni Gymnasium. Donald Miner played the leading role and helped Mr. Giannini direct the rehearsals.

The audience was in stitches at the antics of Banjo (Buzz Irwin), the Savage brothers, and the proud Sheridan Whiteside (Miner). Suspense and hilarity were maintained at a fever pitch as the audience waited for Lorraine Sheldon

(Elaine Grevior) to be sent via a mummy case to the wilds of Africa. Hats should be off to the very capable performances of Miner, Irwin, La-Chance, Robb, John Adams, and Chuck Adams: nor must we forget the acting of Elaine Grevior, Shirley LaValley, and Caroline Bruno. Yes, Mr. Giannini, the entire cast, and the men behind the curtains — the ones in charge of scenery, staging, lighting, and makeup should indeed be congratulated for the splendid entertainment they gave us March 17th.

DRAMATIC CLUB

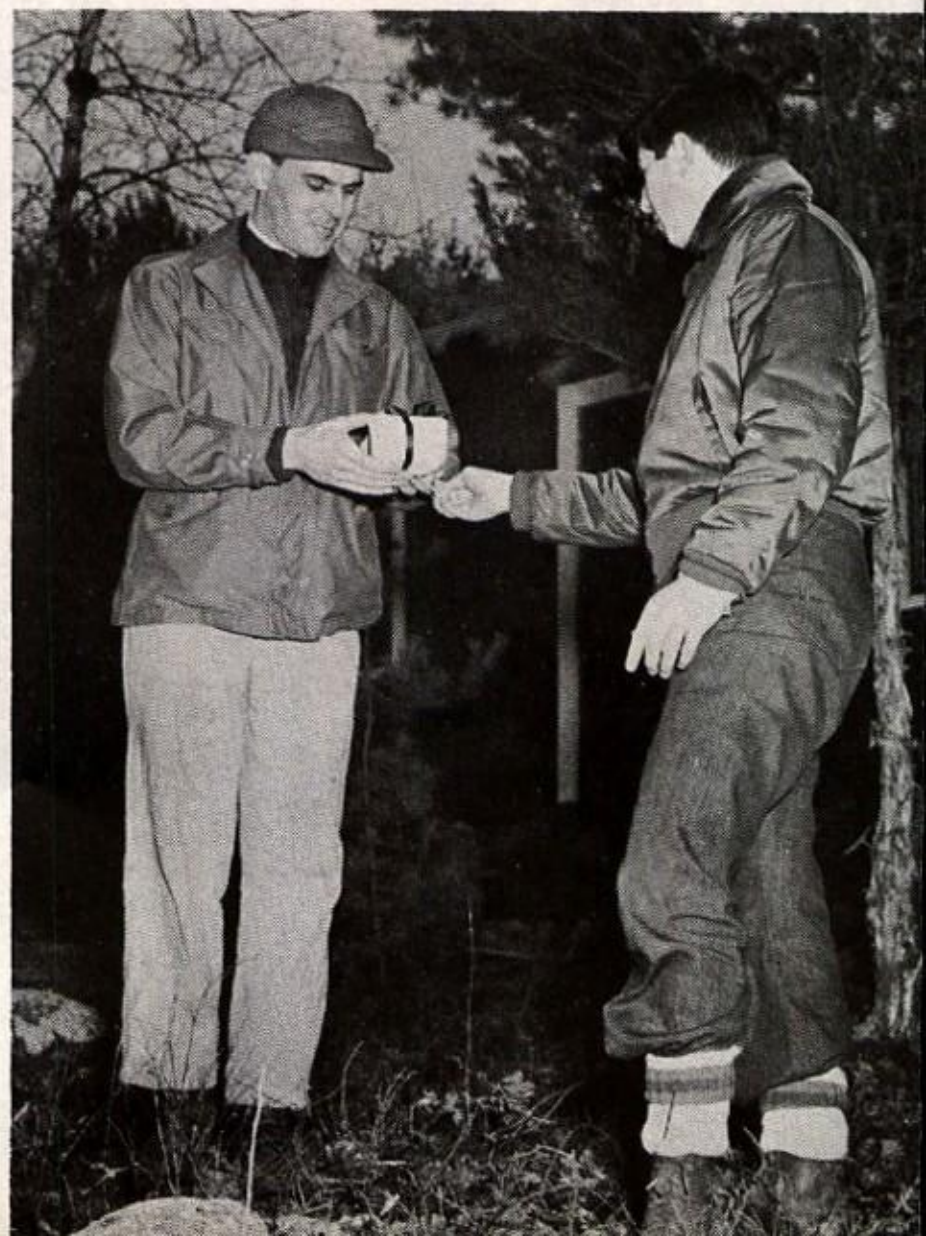

OUTING CLUB

The Outing Club is Tilton's largest and most active organization. Besides climbing mountains, going on ski-trips, and spending weekends at the cabin, the club sponsors the Winter Carnival, the outstanding social event of the year.

This year the Outing Club completed its cabin at Round Pond in Gilmanton, New Hampshire. Dedication of the cabin was held on December 2, 1950. Over one-third of the school attended the festivities. Mr. Smart, the guest of honor, officially named the cabin, "Tilton Outing Lodge."

OFFICERS: Lancaster, *V. President*; Arsenault, *Treasurer*; Seames, *Secretary*; Mershon, *President*.

At the dedication ceremonies, Herb Mershon, President of the Tilton Outing Club, presented Mr. Graham with an engraved gold watch, given by club members and students in appreciation of his work as Outing Club Director.

Although the weather-man didn't predict snow, the Winter Carnival was still put on. The Carnival Banquet and the gayly decorated and wonderfully lighted gym for the Carnival Ball were two attractions of the Carnival that the class of 1951 will never forget.

Here's thanking Mr. Graham for his guidance and work this year and in past years and wishing him success with the Outing Club in future years.

Little old shack

Time and a half over time

Quinney's Day off

From the Glee Club are chosen a few boys for the famed Double Quartet.

The musical year was opened by singing at the Laconia Tavern for The Ladies Business Association of New Hampshire. The quartet opened with *Songs of the Young Men* and the *Landlord*, an old college favorite. These were followed by the forever favorites *Aura Lee*; *Jerusalem Morning* (with Dick Johnston singing the solo); *Who Did*, another university favorite; *Viva L'Amour* (solo by Ed Golodetz); and *Good Night*.

Thus far the quartet has sung concerts in Laconia, Franklin, Pittsfield, Lakeport, Tilton, Belmont, and of course numerous times in chapel. But wherever they have gone they have been acclaimed highly for their splendid singing and harmonizing. However, whatever credit the Double Quartet has earned it would never have been accomplished if it were not for the patience and leadership of Mr. John MacMorran.

RAMS MARCH THROUGH FOE TO CHAMPIONSHIP

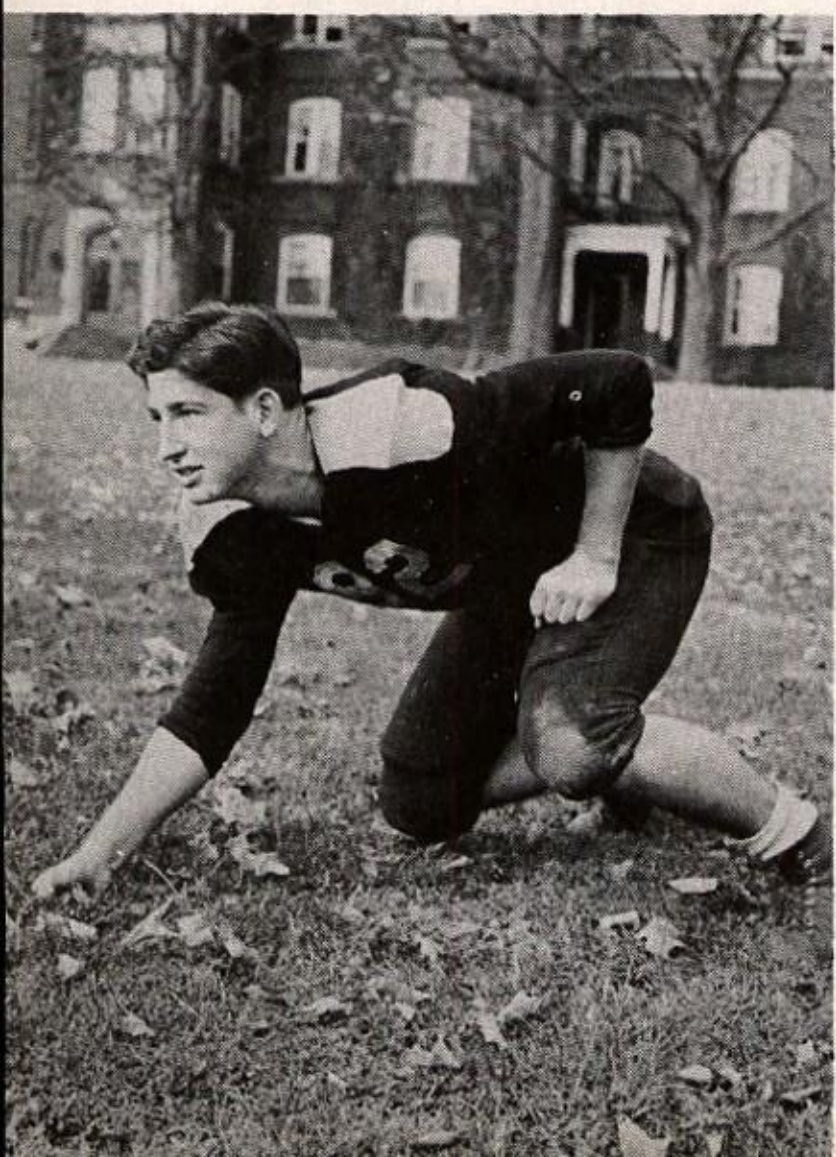

The 1950 Tilton Rams gave great tribute to Tilton School with a magnificent record of six victories against only one defeat. This season proved to be one of the most successful seasons for the Black and Gold in many years as they ended their campaign, **THE CO-CLAIM-ANT CHAMPIONS OF NEW ENGLAND PREP SCHOOLS.**

Naturally no team can be complete without a coach and we here at Tilton School think that we have just about the best there is around. His name of course is Steve Slayton and under his and Madison Jeffery's outstanding efforts, our team shaped into one of the finest.

In the season's opener, Tilton defeated the Brewster Academy eleven 13-6. The following week we played host to a mighty U.N.H. Freshman team and came out on the lower end of a 12-0 score. Worcester Academy was next on the Rams' schedule and after a hard fought contest, the black and gold came out in front 7-6. Our boys traveled to Durham in hopes of getting revenge on U.N.H., and their hopes were glorified by beating the junior varsity 13-7. The feature of our "homecoming day" was the clash between Tilton and Dean Academy, which was played in the drenching rain. The game was won by the home team in the closing minutes 13-7. After whipping Bridgeton to the tune of 25-7, the big day arrived!

Traveling to New Hampton the fighting Rams showed their true form by crushing their arch rivals 27-6. Johnny Adams and Phil Richards, who sparked the team all season, led the offensive attack while great line play by Captain Larry Glazer, Sal Saccoccia, and the rest of the forward wall enabled us to hold back the big green.

The boys will look back often on this terrific season and we are sure that they have enjoyed working under such a fine coach as Steve Slayton.

J. V.'S SUCCESSFUL DESPITE LOSSES

Top: Mr. Gulnac coach, Green, Armbrust, Harvey, Hicks, Flynn, Rostau, Fisher D. 3rd: Place, Thomson G., Mitchell, Ridgely, Jackson, Finberg, Cohen S. A., Henn. 2nd: Zschau, Prolman, McCarthy, Mack, Adams J. C., Cook, Tucker, Perkins. Bottom: Adams C., Fisher S., Freeman, DiSalvo, Georges, Nichols, N. Lamb, Fountain.

Coach Gulnac's J. V. squad dropped their opener 34-0 to the powerful Franklin High Varsity. The following week came Proctor Academy and again the Junior Rams went down 27-7 partly because of poor officiating. With two games behind them, the Gulnacmen journeyed to Keene N.H. for their only night game of the season. Favored by eight TD'S, overconfident Keene was able to penetrate a strong Tilton line only twice to make the final tally 12-0. Next was Holderness Academy, where the Black and Gold should have romped, but their gains were repeatedly broken by costly penalties and fumbles, which sent the boys down to their fourth straight defeat 7-0. In their last game before the grand finale with arch rivals, New Hampton, the Junior Gridders succumbed 13-6 to a well organized Towle High team at Newport, N. H. Taking advantage of the two week break before the big battle the boys went into a rigorous training schedule. They wanted this game . . . for their coach, who had worked so hard with them all season. On November 18 they invaded enemy territory. The contest was clean and hard with both teams giving all they

had, but this just wasn't New Hampton's day. Jimmy DiSalvo scampered around right end in the first period to pay dirt with Dick Mack converting. Just before the half Shelly Cohen swept left end for forty yards and another TD. with a vicious key block being thrown by Earl Prolman. This ended the half with the score 13-0 Tilton. New Hampton drove across their lone tally in the third period. Early in the last quarter Gil Lamb, again with the help of Prolman's excellent blocking, dashed twenty yards for the final score of the game. Victory was ours at last and we deserved it! The score 19-6.

Outstanding in the backfield this season were Russ Morse, Gil Lamb, Jimmy DiSalvo, Reg Ridgeley, Don Freeman, and Nick Nichols. In the line Joe Adams, Pete Georges, and Dick Mack. Henn, Perkins, Mitchell, Cook, Tucker, Cohen, Hicks, Green, and Jackson also did a fine job for the Gulnacmen.

Despite their five game losing streak the J.V.'s made their 1950 season a successful one by crushing arch rivals, New Hampton.

Top: Mr. Ranhoff coach, Gibbs, Westover, Olson, Freedman, Einstein, McKinnon, Kinsman, Marrow, Batcheller, Huestis, Gates, Chertok, Casten. Middle: Shore, McGinley, Harris, Conn, Melchiono, Halper, Bain, Swain, Toschach, Hamel P., Golodetz E. M., Perkins. Bottom: Irwin, Seames captain, Silvius, Pedraza, Prado, Boren, Shepard, Riddle, Swaebe, Carbone, Nielsen, Grant.

Varsity Soccer

A 4-3 record was compiled by the Tilton booters this past year. The season opened with an easy victory over Brewster, 2-0, and everybody looked for a great season, but hopes were deflated when Andover and Exeter handed the Rams crushing defeats of 2-0 and 7-0. After these losses, Coaches Perkins and Ranhoff revamped the lineup and the black and gold responded with three consecutive victories over Brewster 3-0, New Hampton 2-1, and Dover 3-1. The season ended at home rather ingloriously with a 2-1 upset victory by an improved New Hampton squad.

Jim Shepard racked up two shutouts, and Phil Swaebe turned back New Hampton when he was forced to take Shepard's place. Injuries jinxed the

squad throughout the year and the coaches had to change their starting lineup often.

Captain Wayne Seames scored seven of the teams eleven goals and was a consistent player all year.

The starting team for the last five games remained the same. It consisted of Seames, Prado, Silvius, Conn, and Pedraza in the forward line, Gibbs, Carbone, and Nielsen at halfbacks, Boren and McKinnon in the fullback slots, and Shepard at the goal.

But for a few breaks, the season could have been different, and this years squad can well be proud of itself.

Standing: Shore, Hamel J., Mack, Johnson, Mr. Ranhoff, Jones, Cowles. *Kneeling:* Huntley, Fountain, Irwin, Hooghkirk.

Varsity Ski Team

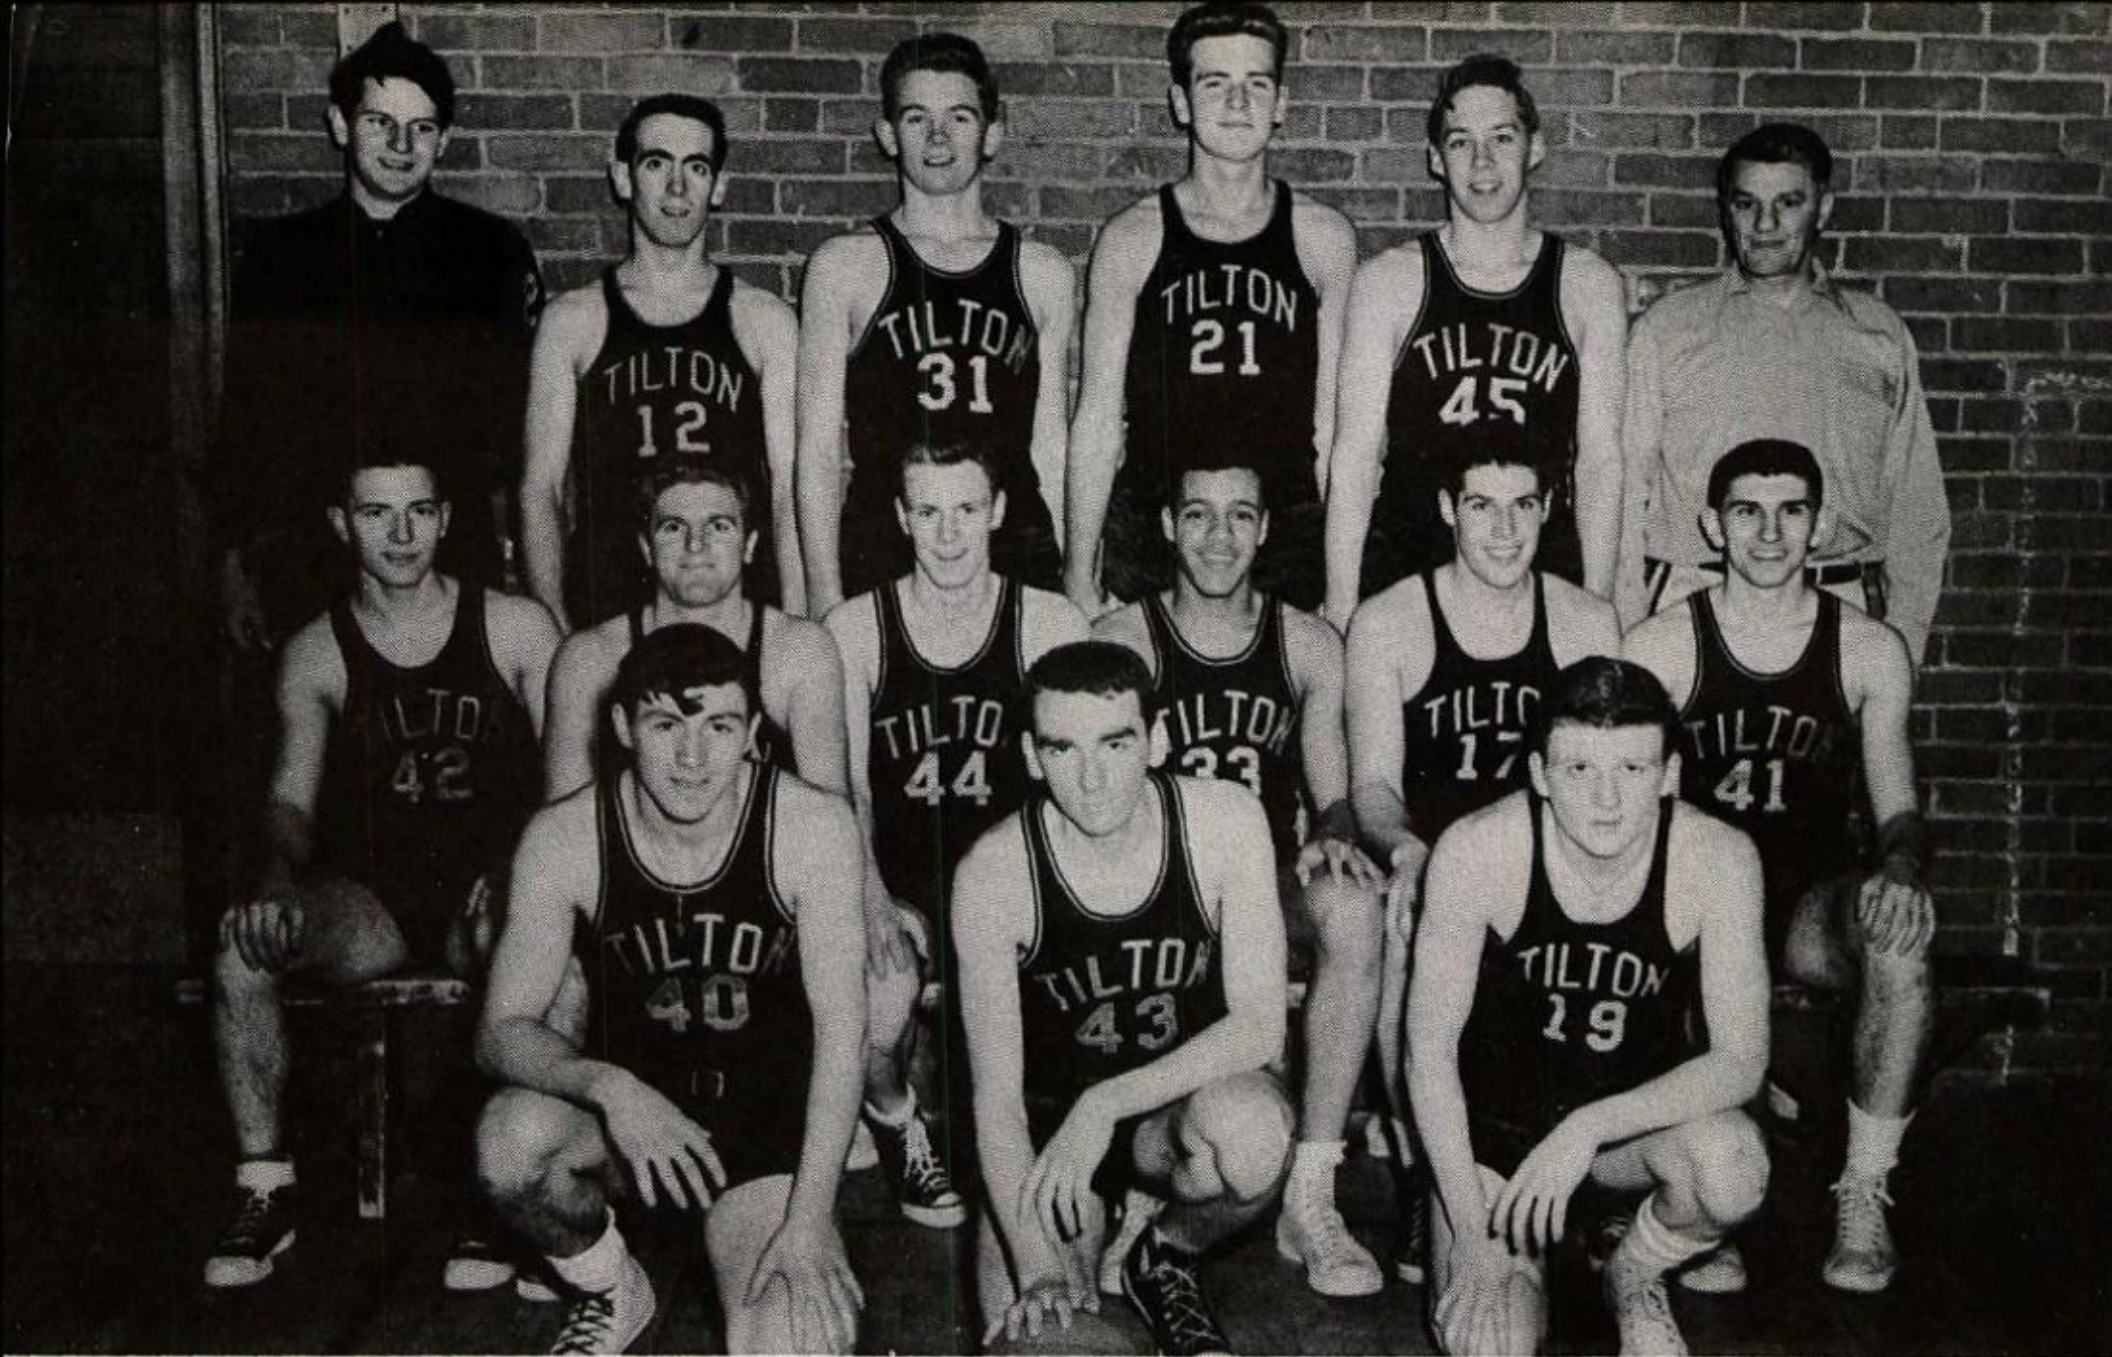

In spite of poor skiing conditions, the ski squad under the direction of Per Jan Ranhoff was able to compete in five scheduled meets, the two most important being the Winter Carnival and the U.S.E.A.S.A. Prep. School Championships.

The two attending schools in the Winter Carnival three event meet were Brewster Academy and Kimball Union. A gold cup was given to those taking first place in each event. Harry Jones of Tilton won the downhill cup and the other two went to Kimball Union. By a narrow margin the Black and Gold managed to win the

Tilton Winter Carnival trophy which will go to the winning school each year.

A much greater challenge came with the U.S. E.A.S.A. Prep School Championships at Middlebury, Vermont. The six men who travelled to Middlebury were Harry Jones; Dick Mack, John Irwin, Dean Fountain, Walt Johnson, and Jack Hamel. Downhill and slalom races were held on Saturday and Tilton tailed in seventh place; yet the next day proved to be more successful as Irwin, jumping for the Rams made enough to bring Tilton up to fifth place, forging us ahead of Manlius Military Academy.

Back row, left to right: Savage J., McCarthy, Artus, Shepard, Nielson, Coach Slayton. 2nd row: Ridgely, Boren, Carlon, Green, Pirozok, Harris. 1st row: Napolitano, Capt. McKinnon, Fludder.

TILTON FIVE IN PREP SCHOOL TOURNNEY FOURTH TIME

For the fourth time in the five years' history of the New England Prep School Tournament, Tilton School was one of the eight teams selected to compete. The squad was eventually knocked out of the tournament by a powerful New Hampton quintet, but only after holding New Hampton on equal terms for three quarters.

Tilton lost seven games, but these included losses to the U.N.H. and St. Anselm's frosh, a one point loss to Andover and an overtime defeat by Exeter. The team travelled to the Boston Garden to play Dean Academy and with the score tied and one minute to play, Dean

Academy poured ten points to win 53-43. In one of its better games, the Black and Gold upset Bridgeton 61-56, with Capt. Ed McKinnon accounting for 38 points, a new high in Tilton history.

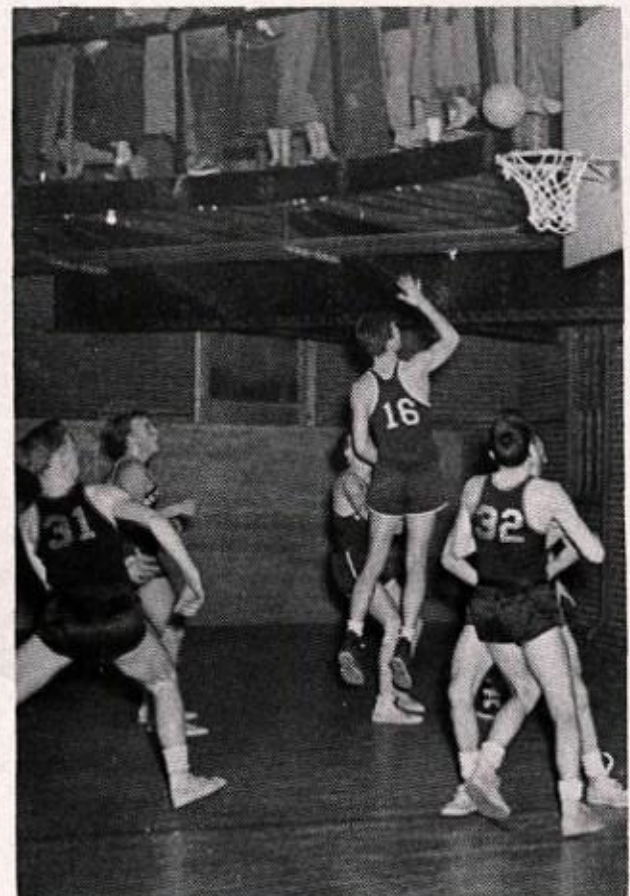

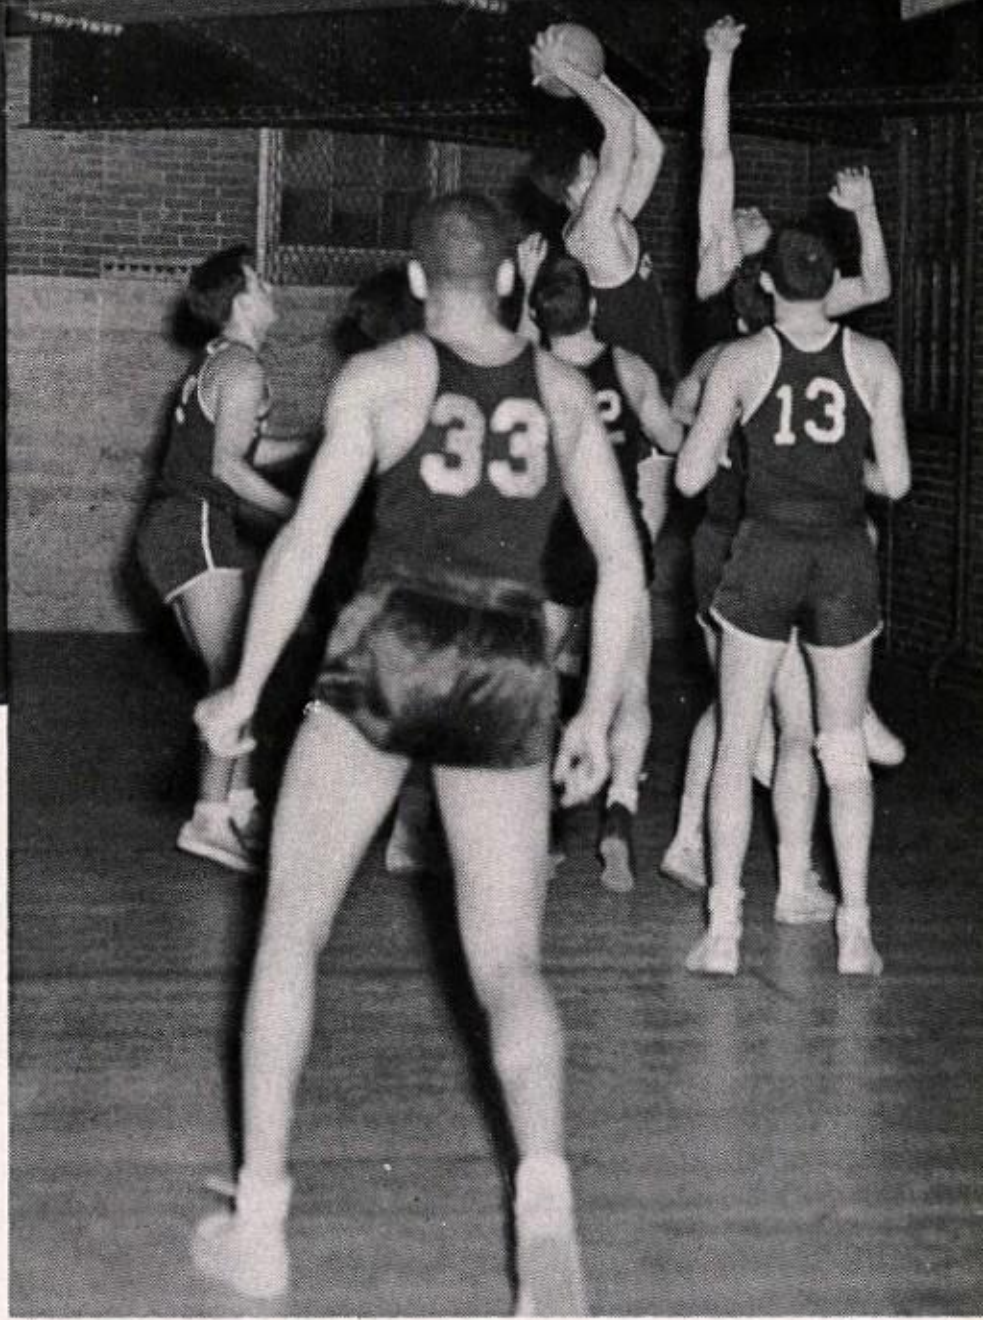

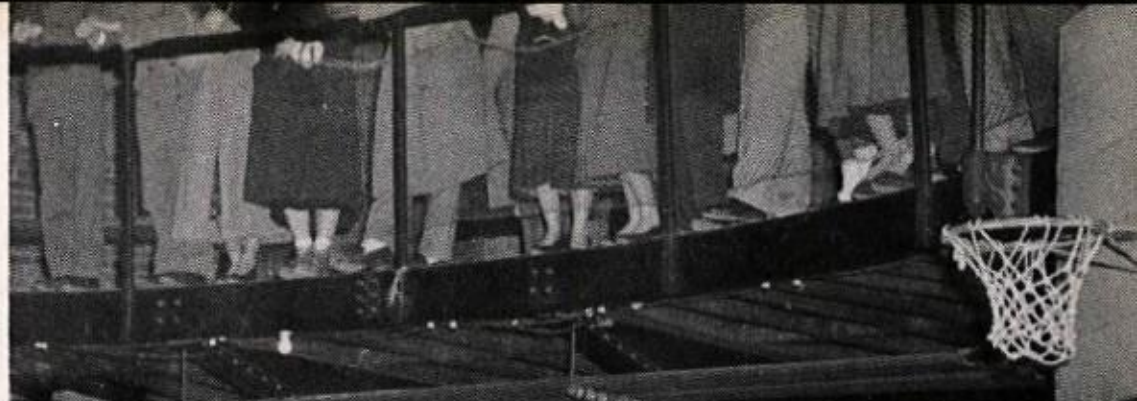

The coaching reins of the team were handed to Mr. Slayton at mid-season, when Mr. Jeffrey left for Dean Academy. Ralph Hoffman, who was on his way to a new Tilton scoring record, left at the same time.

Six of the team's seven losses can be attributed directly to anemic foul-shooting, because Tilton outscored Dean, Andover, Exeter, New Hampshire twice and St. Anselm's Frosh from the floor. Exeter was outscored by ten points on the floor shots, only to convert eleven more charity throws than Tilton.

Ralph Hoffman with 162 points games averaged 20 points and Ed McKinnon's 249 points in eight games came out to 19 points a game and a new season's record. Jack McCarthy shone brilliantly at the trial end of the year, scoring 22 points against St. Anselm's and finished the year with over 100 points and a 10 point average. Mike Fludder counted 18 points against Clark School and Reg. Ridgely hit for twelve against Lawrence and Andover, while Tweet Pirozek poured 13 in against Andover. Dick Nielsen, Vern Green and Jim Shepard rebounded brilliantly all year, while the defensive efforts of Joe Napolitano, Lefty Harris and Ed Carlon pulled out of many a tight spot during the year.

Coach Slayton is left with a good nucleus for next year's team with center Ross Artus and guard Al Boren left from the varsity and outstanding players like Runkle, Leidner, Huestis, and Harvey, coming up from the J. V. Team.

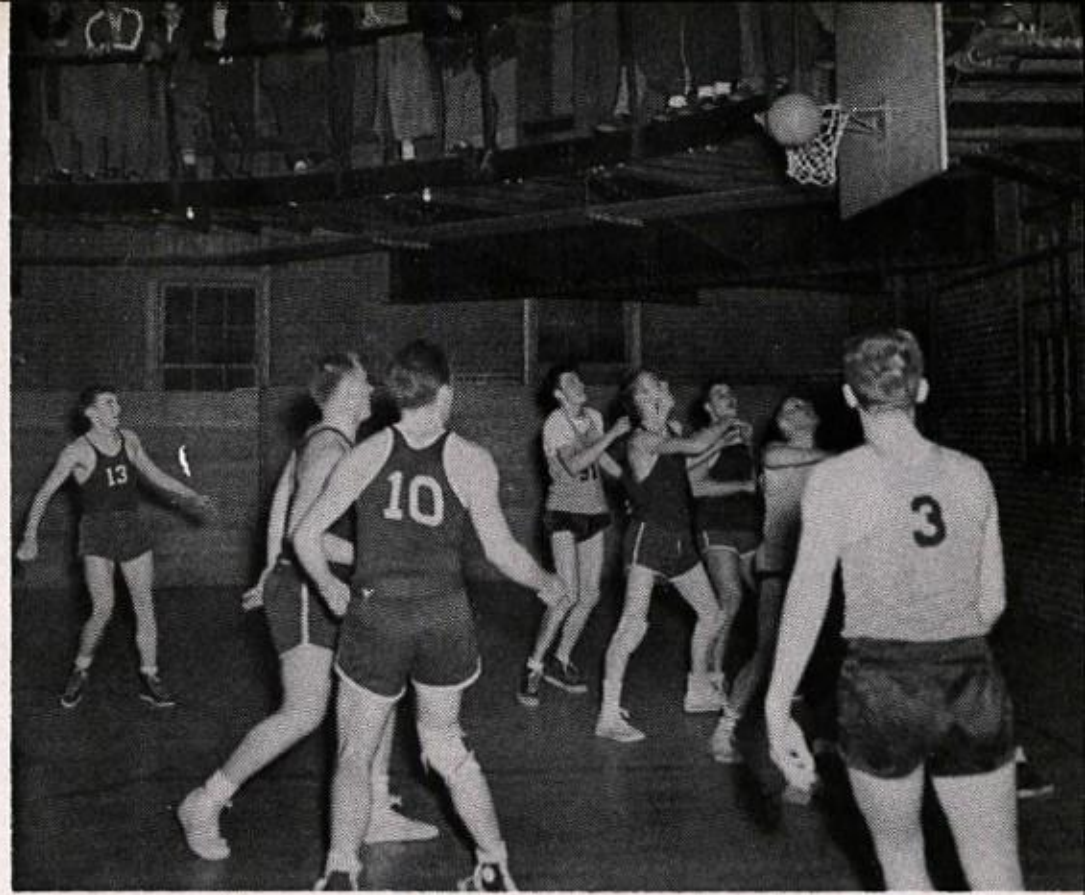

J. V. BASKETBALL

With only three days of practice together as a team, Coach Gulnac's boys opened their season against the Laconia High varsity. Even though the little Rams were entirely out-classed and lost by the score of 44-19, "Chick" Knox played exceptionally well scoring eleven points. After Christmas the J.V.'s went to New Hampton only to lose by three points, 34-31, in overtime. Again "Chick" was high man (ten points). Our first home game was with Lawrence Academy, which we won 34-26. Co-captain Knox hit for ten points and took scoring honors. At Belmont, although hampered by a small court, the black and gold played inspiringly and came out on top 46-41; "Chick" with sixteen points really looked sensational along with Eddie Sanel who clicked for thirteen. During the Winter Carnival Tilton was host to New Hampton. Suffering from the loss of Knox, who entered the armed services, the J.V.'s played a "sloppy" game and were defeated 51-35. However, a new star was born by the name of "Dead-Eye" Don Runkle, who racked up twelve points. When we faced Belmont for the second

time, this time on our home court, we just could not start rolling and were at the lower end of the score, 41-32. The high men were Mills, Sanel, and Runkle with eight points each. The Holderness-Tilton contest was a thrilling game and closely fought all the way. At the end of the fourth quarter the score showed that Holderness had edged out in front to take the victory 36-35. Mills was on top with nine points and Runkle had eight. The last game of the season was against Holderness on their floor and we were all out for revenge on the blue and white. The contest was tightly played throughout all four periods and with four minutes remaining, it was 28-26 in favor of the home team. Then Phil Swaebe sank one from about twenty feet out to tie the score. A few seconds later Tommy Leidner got a rebound and made an easy "lay-up" (nobody could have missed) to put Tilton in front. With good rebounding by "Ducky" Freeman and Dick Harvey we are able to hold them to the last whistle, final score 30-28. "Dead-Eye" Don got eleven points and Bobby Gold seven.

B A S K E T B A L L

After getting off to a slow start, the Tilton Reserves came back strong and won the last four games. They had a seasons record of six wins and three losses. The highlight of the season was beating New Hampton 55-42. The reserves had the distinction of being the only Tilton basketball team to beat New Hampton in the regular season. Runkle and Huestis each made 16 points in that game. Harvey, Chertok, and Arata played

a good defensive game. They beat Holderness twice and split with New Hampton and Belmont. Donald Runkle was the high scorer on the team. The starting line-up was: Arata and Chertok in the guards, Harvey at center, and Runkle and Huestis at the forwards. Einstein and Rostau were the substitutes. Runkle and Harvey were elected co-captains.

Back row, left to right: Coach Sawin, DiSalvo, Francesconi R., Henn, Crandall, Glazer, Richards, Silvius, Inman, Guy, Copponi, Mgr. Front row: Learmouth, Lamb, Johnston, McGinley, Conn, Halverson.

VARSITY HOCKEY

Although the icemen lost two of their games to the Wildcats of U.N.H. they turned in a successful season by winning four and breaking over the five hundred mark easily. In the early part of the season Place, McGinley and Richards carried the scoring load on their backs. When Place left, McGinley and Richards carried the scoring into higher brackets with John Inman close behind. The Rams romped over New Hampton in the opener to start the season off right. With credit going to Place and Inman the team was able to knock off Lawrence Academy, by the tune of 6-1. The Rams then walloped Brewster and lost their first game to U.N.H. Freshmen in a hard fought game, which Tilton lost in the closing chapter of the contest when two goals were put in by goalie Halverson. Halverson, accredited with almost 100 saves in six games, is figured to be one of the finest goalies that Tilton has ever had. The Rams lost another and picked up one more win before the end of the season. The team lost another to U.N.H. Freshmen and beat Clark School 5-2. One of the main reasons for Tilton's success was the fact the Black and Gold had two very good defense men. Larry Glazer, who found quite a number of opponents between him and

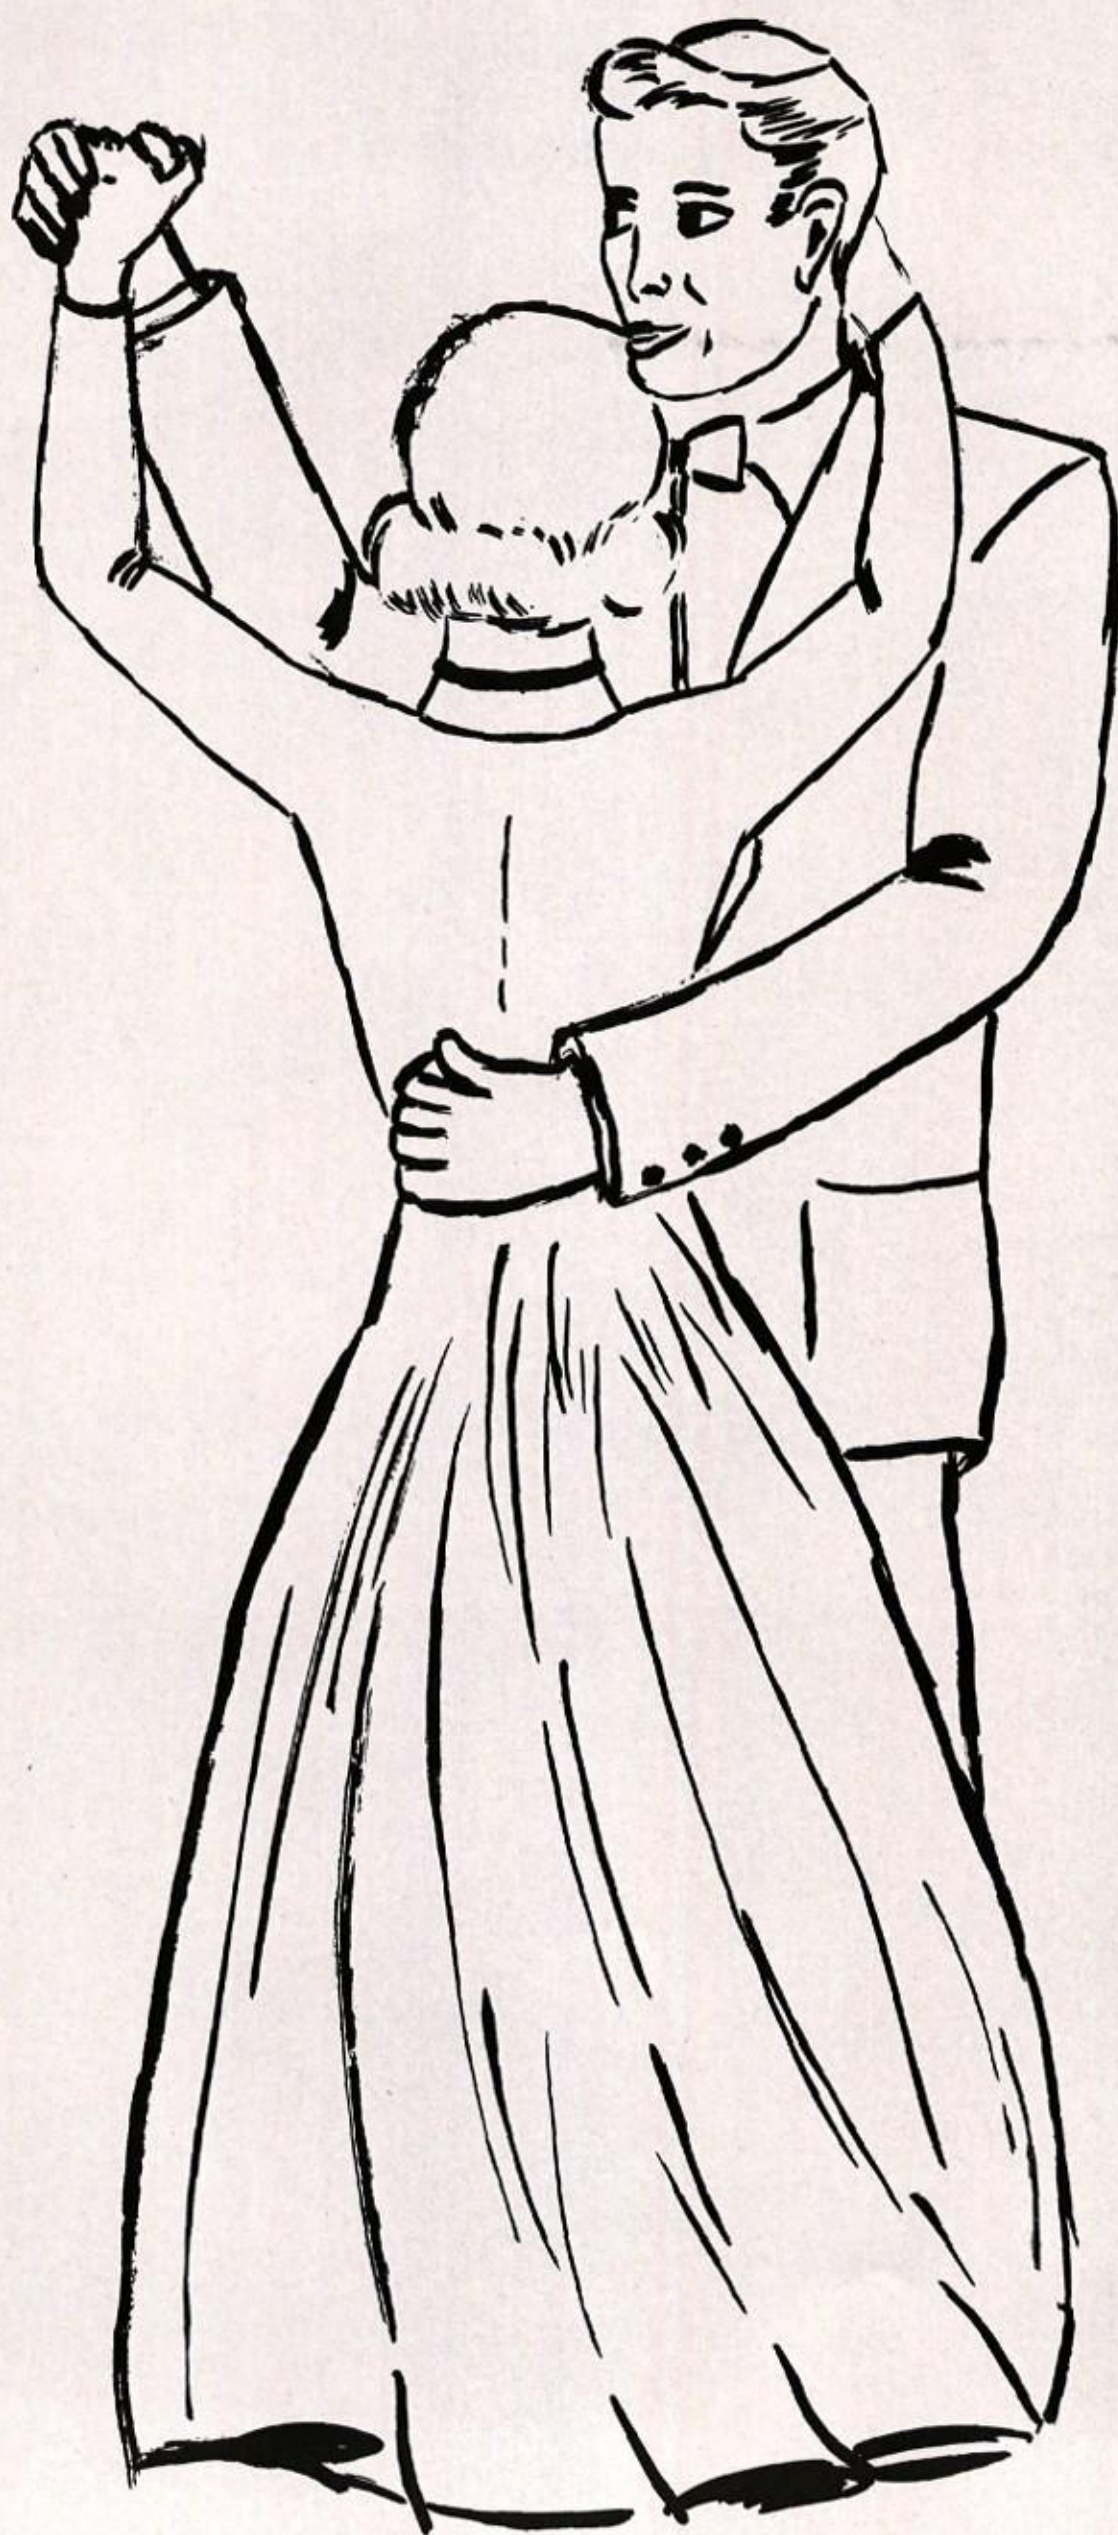

the boards, was back on the defense for his second year, while Gil Lamb was continually by Larry's side. One of the fastest skaters on the ice, Lamb was the deciding factor in the win over Clark when he scored three goals against the Redmen. Credit is also due to the strong second line that was a main factor in the successful season. Finally a great deal of credit must go to Coach Swain who worked hard for a good year.

Our annual fall homecoming dance was held here on November 4 in the Alumni Gymnasium. A fairly large group, which included several of the alumni and relatives of some of the students, attended. The couples enjoyed the fine music of Ray Ladeau's seven man band from Lowell, Massachusetts. At intermission refreshments were served in Pillsbury Hall and afterwards a little sidelight sketch by Savage, Lachance, and Young added several laughs to pep up the evening. The gym was decorated with yellow and black crepe paper streamers and looked very nice. The dance was a great success, and was enjoyed by everyone.

Homecoming Dance

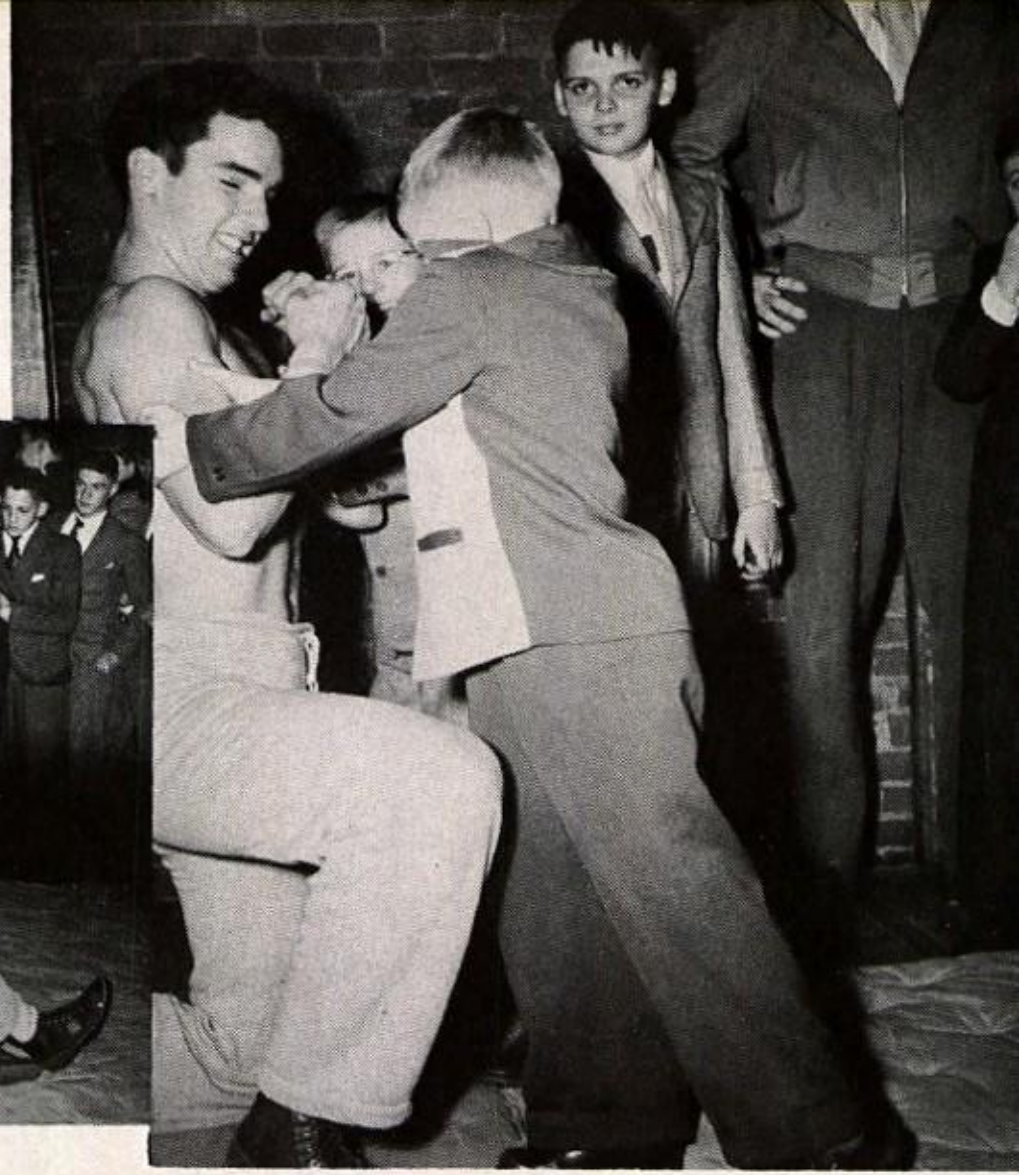

Christmas Party

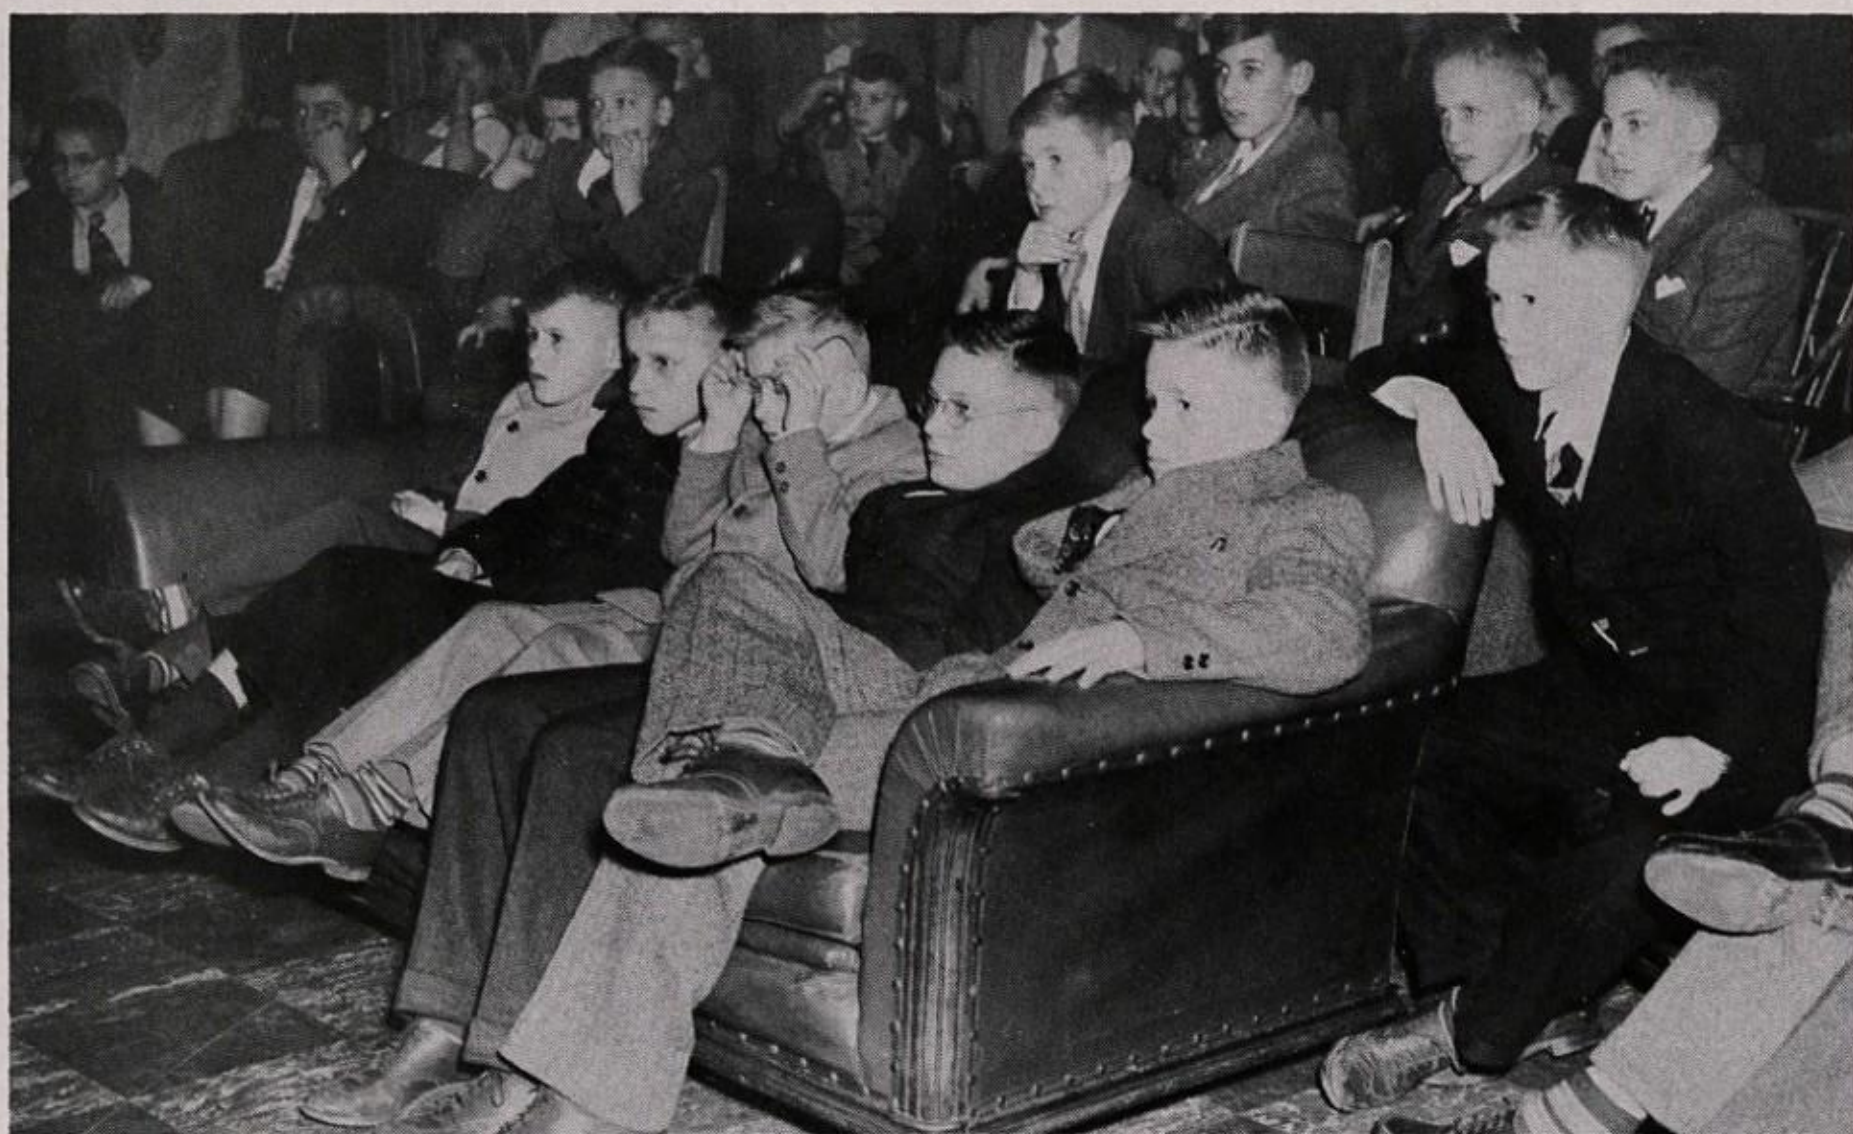

Hopping off their bus at about three-forty-five, all set for a terrific time, youngsters from the Daniel Webster Home were received by the Big Brothers and brought into the lobby where three comic movies were shown by Mr. Ranhoff. Following this was the championship wrestling bout between Bruiser Bernie Lancaster and Brute force Bob Hicks. It was a fierce match and Ref Selvin had quite a job watching the two and taking care of a troublesome clown (Buz Irwin), who appeared from nowhere.

The children then went back to the lobby and heard some songs sung by Mr. Mac's Double

Quartet. Then there was a rush to see the dormitory rooms where the fellows handed out to the youngsters used but treasured funnybooks, unwanted Christmas ties, and banners. After finishing their sixths in ice cream, they all went down to see Santa (Chuck Robb). Calling them one by one, and after making sure that they washed behind their ears, Santa gave them each a present.

Mr. Perkins and the Student Council who helped to make the affairs the huge success that it was, deserve the congratulations of the entire school. Let us hope that these parties continue for many years to come.

Winter Carnival

Those who missed the 1951 Tilton Winter Carnival, missed Tilton School's best Carnival. Everything began and ended on schedule except the snow sculptures which only began.

A reception tea and dance given by faculty wives opened the festivities Friday afternoon. Friday night our Varsity and J.V. Basketball teams played New Hampton in the Alumni Gymnasium. After the games, a Winter Evening was held at the hockey pond, and for those who were cold, Mr. MacMorran held a singing session with his Double Quartet in Pfeiffer Lounge.

Mr. Ranhoff and his ski team won the ski-meet held on Little Tug Hill, Saturday morning. Harry Jones, Tilton's ace skier, took the cup for the down-hill run. A hockey game with U.N.H. kept the Carnival couples busy Saturday afternoon.

Saturday night brought the two main attractions; the Carnival Banquet and the Carnival Ball. Following a hearty steak supper, came the Carnival Ball with its beautiful "Storm of Colors". All of the eighty-five couples dancing to the music of Ray Ladeau, Saturday night, really enjoyed themselves. No one could believe that the decorations had so completely changed the gym. Dr. Crompton, our new headmaster, crowned beautiful Colleen Gallant of Laconia, New Hampshire, Queen of the Carnival. She was ably escorted by Jim Cook.

Sunday afternoon, a farewell tea brought the twenty-eighth annual Tilton Winter Carnival to a close. With the efforts of Mr. Graham, Outing Club officers and members, and the faculty and their wives, this 1951 Carnival—our best—was made a memorable success.

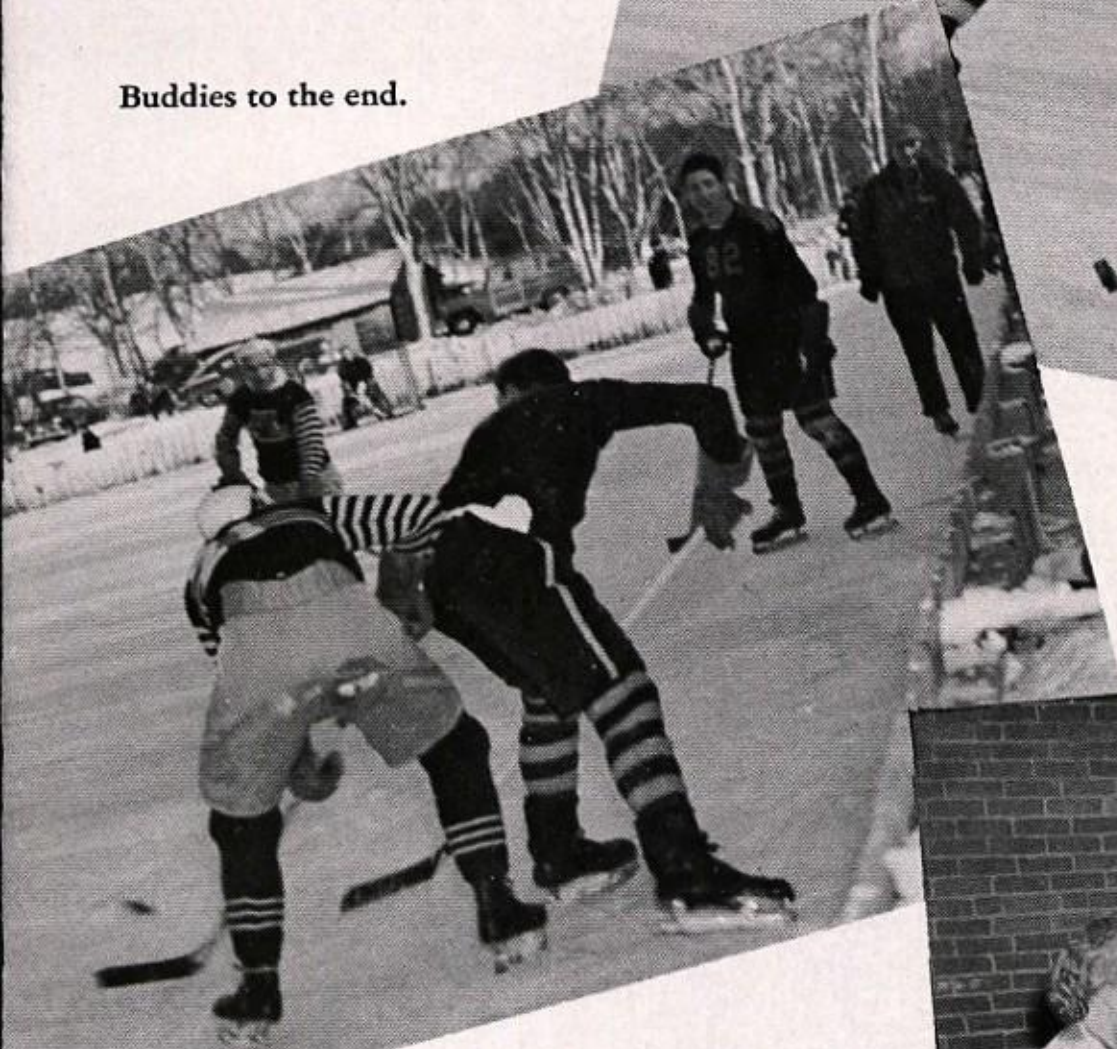

Close one.

Buddies to the end.

You don't say.

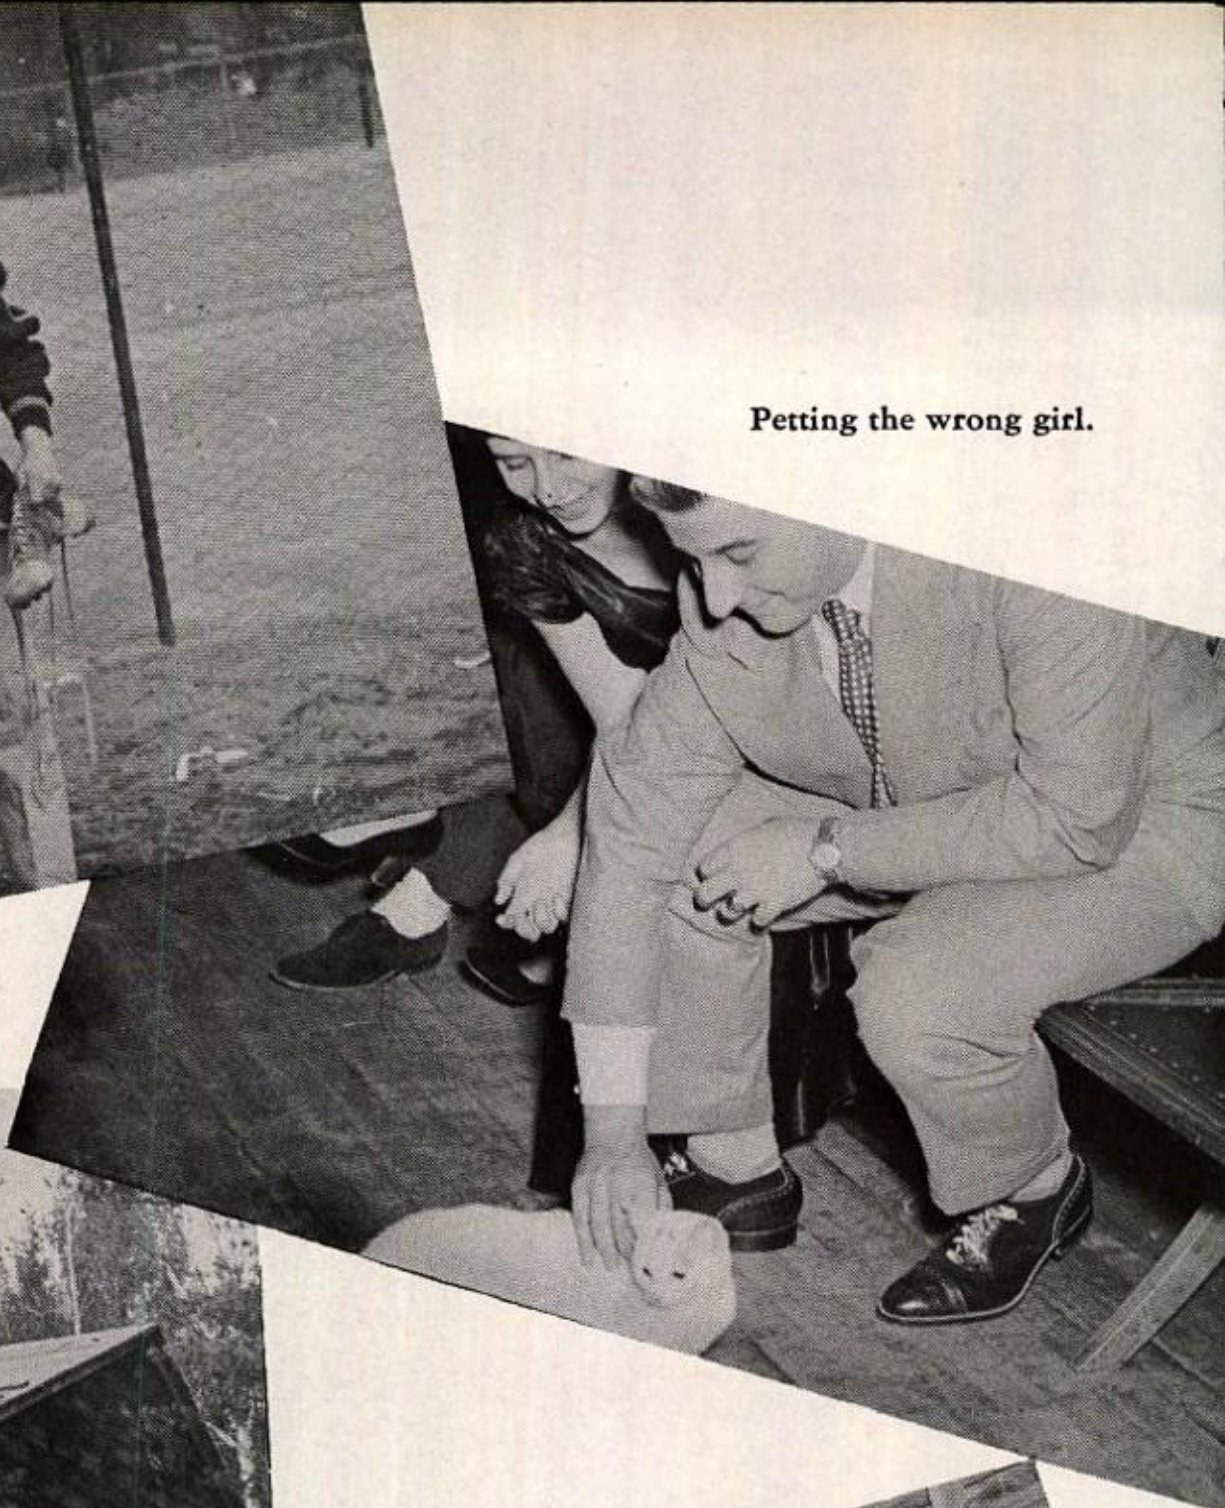

One for all—all for one.

Won't you join us?

A friendly bunch of eggheads.

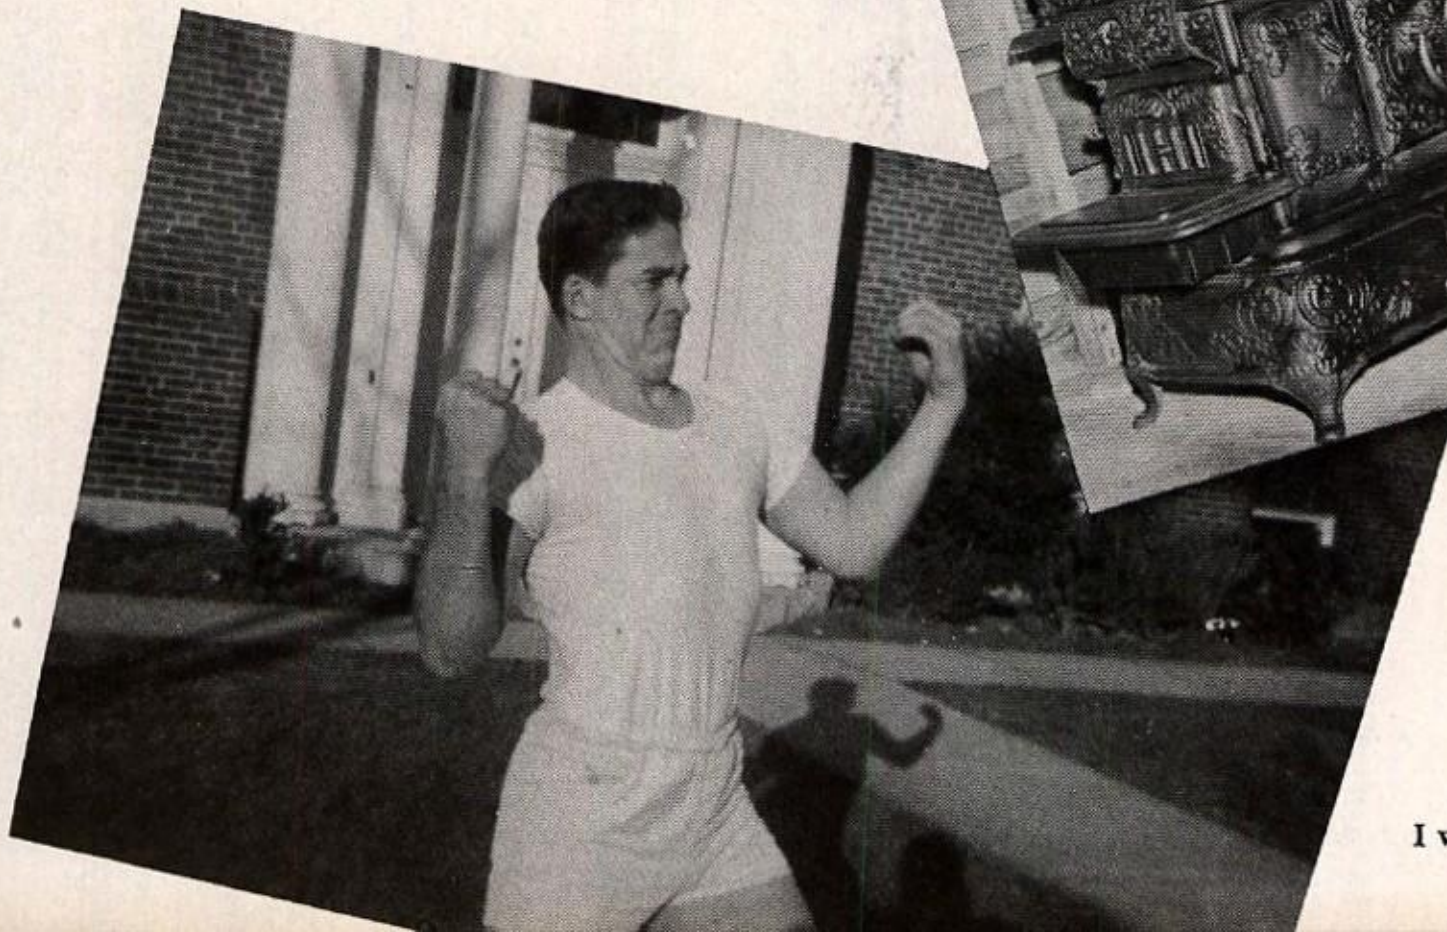

Petting the wrong girl.

Is the master of the house in?

The old master painter.

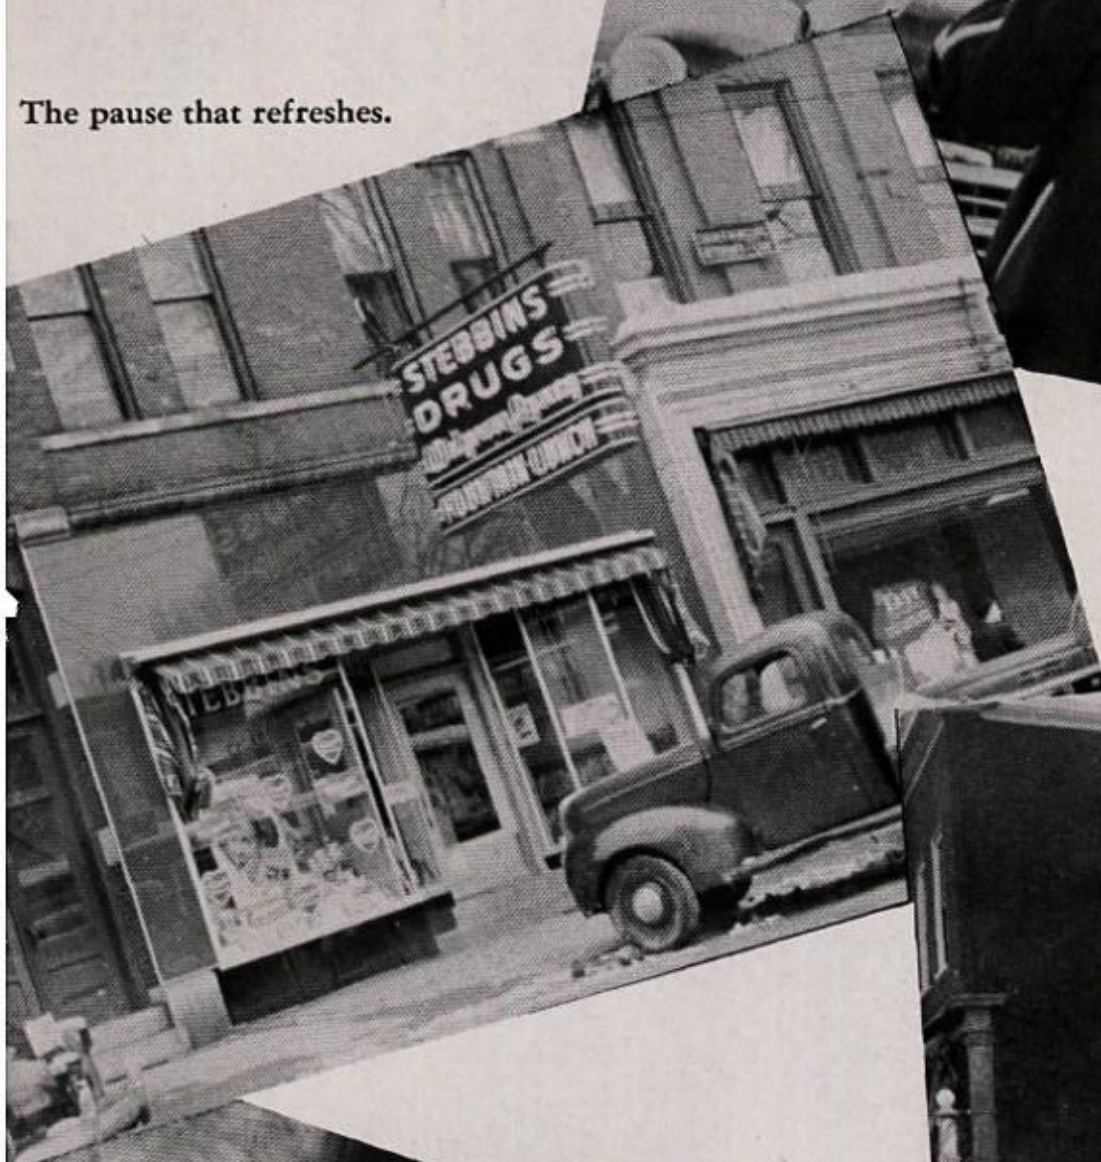

I was a 97 lb. weakling.

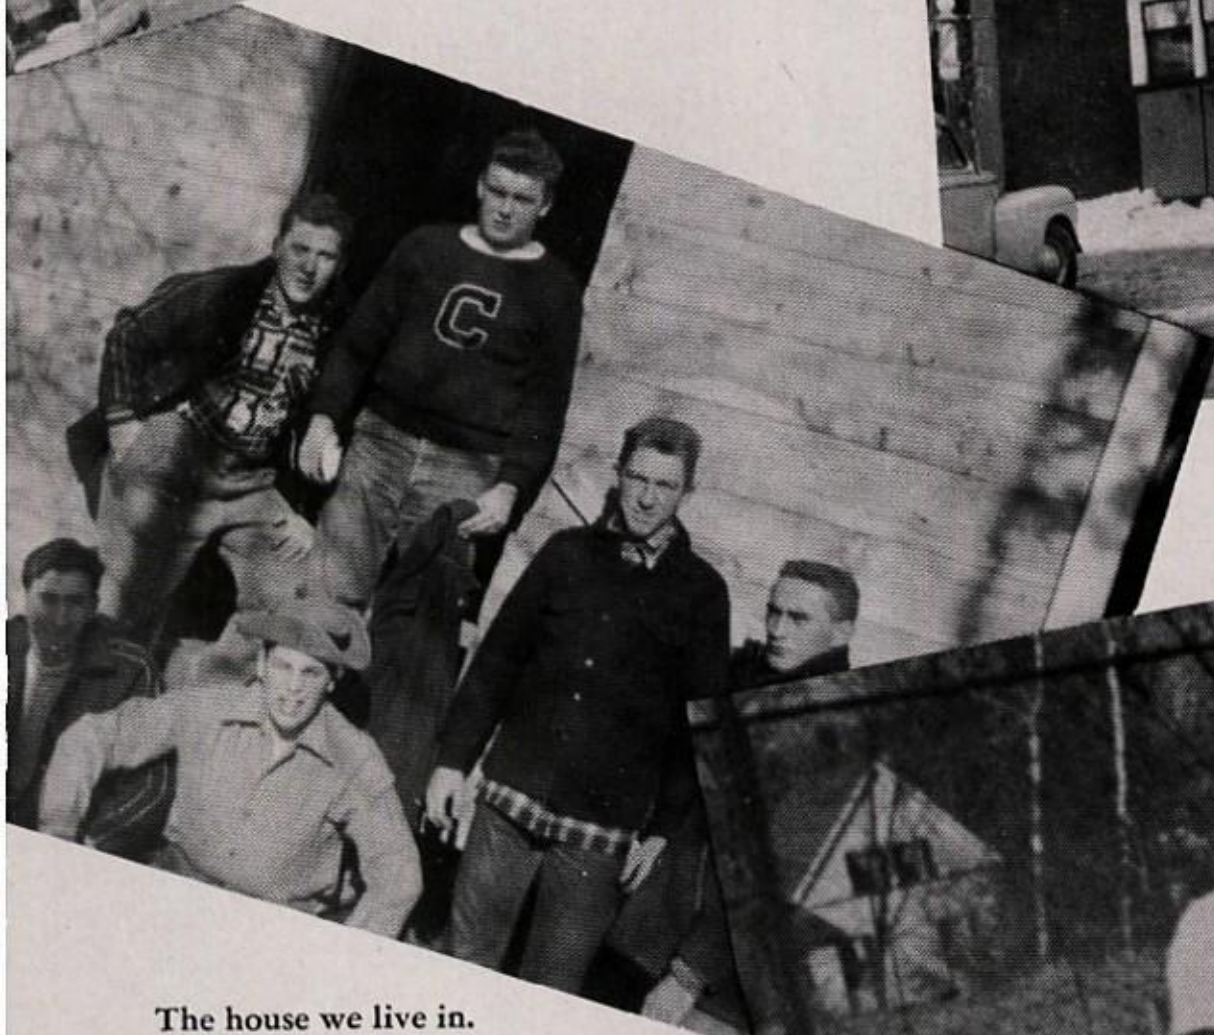

It's an El Ropo.

The pause that refreshes.

No cover—no minimum.

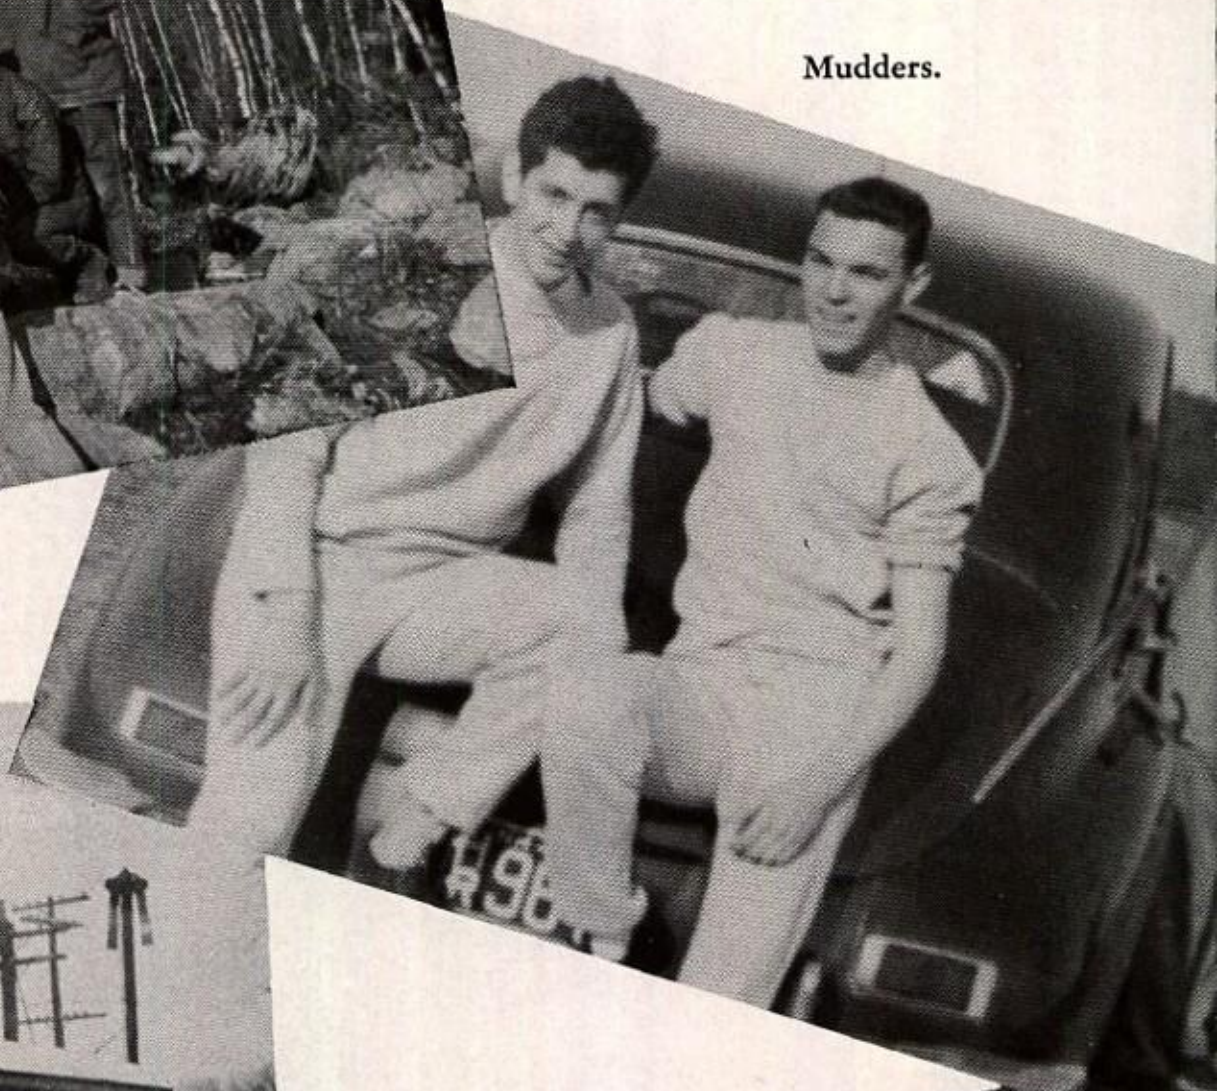

The house we live in.

I-love.

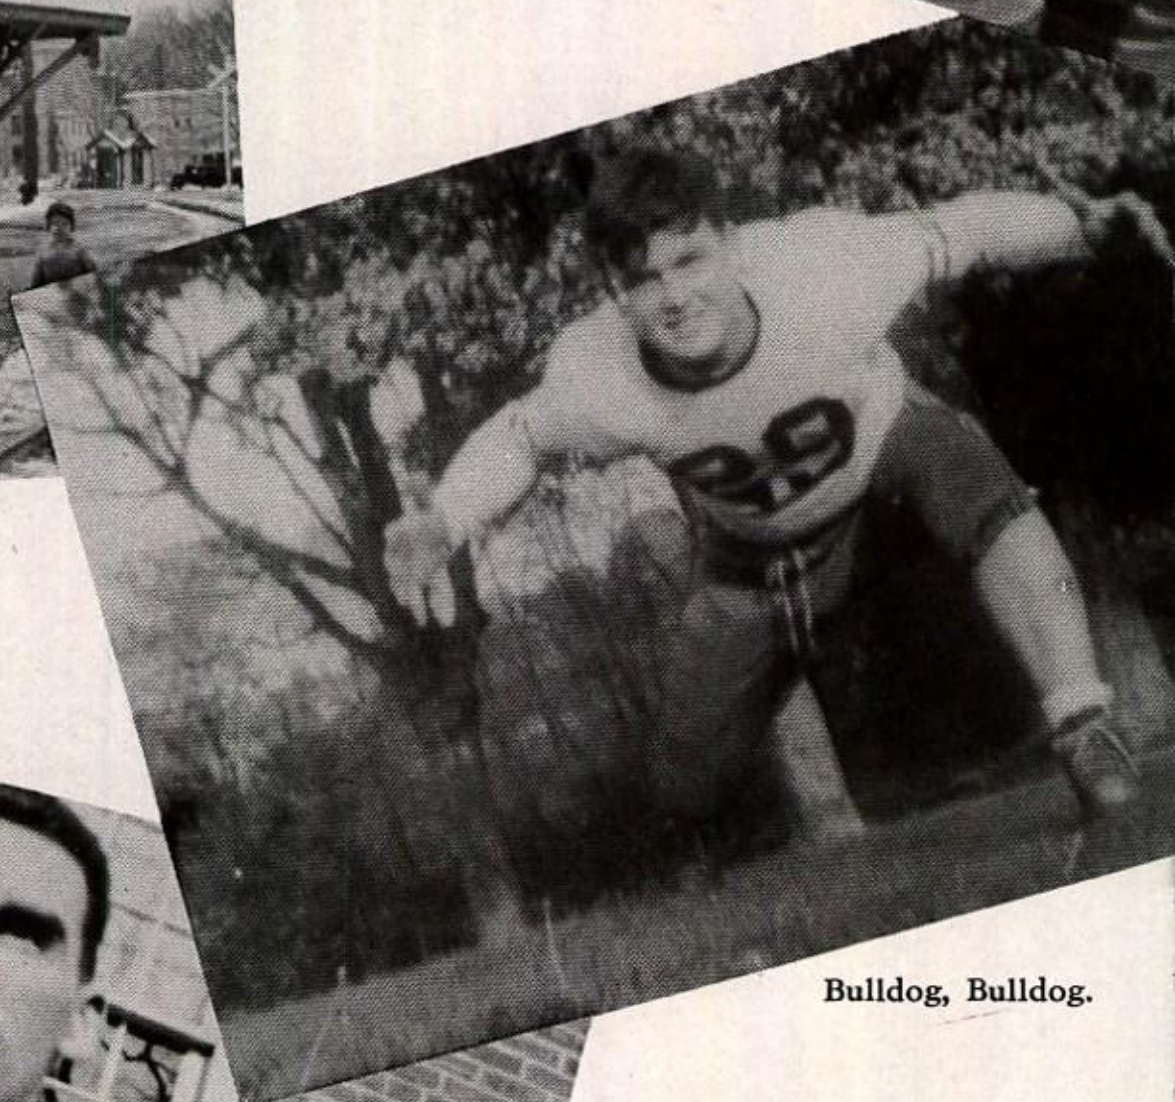

I bagged a bunny.

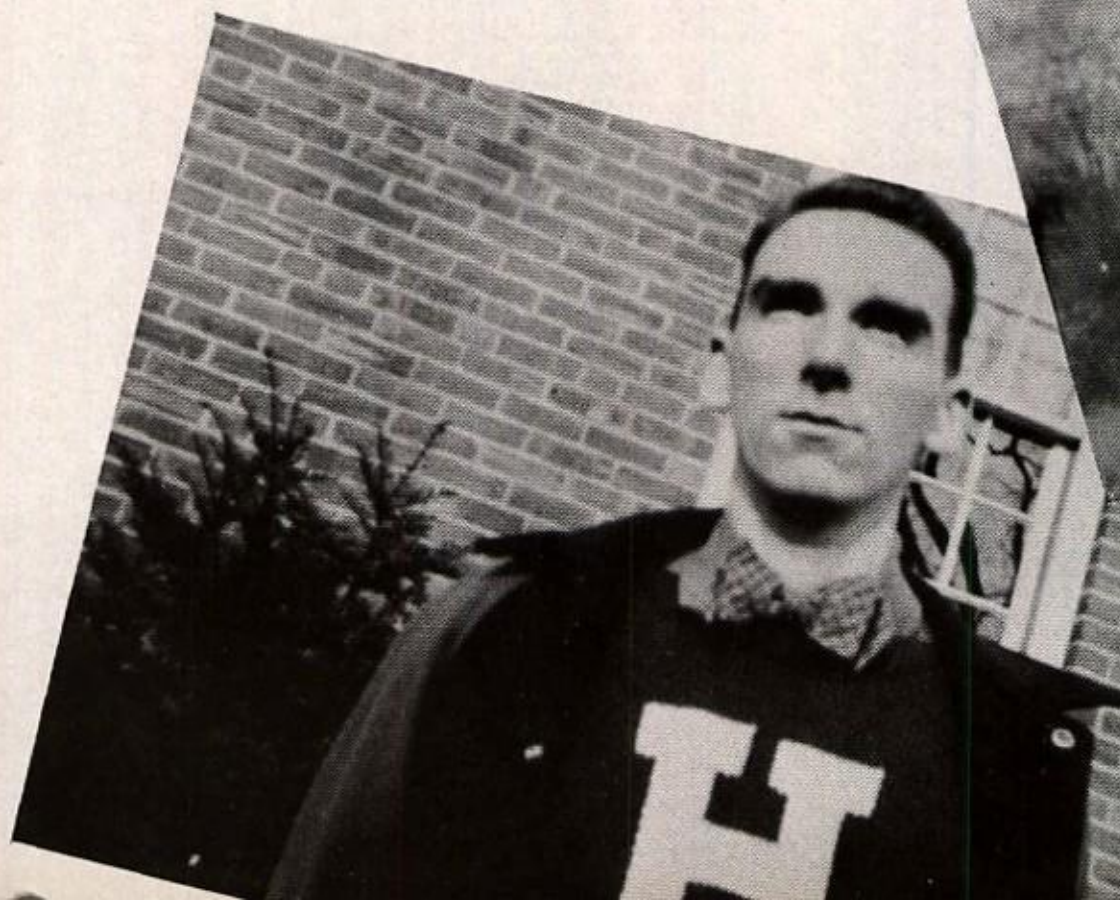

Mudders.

North Station next—

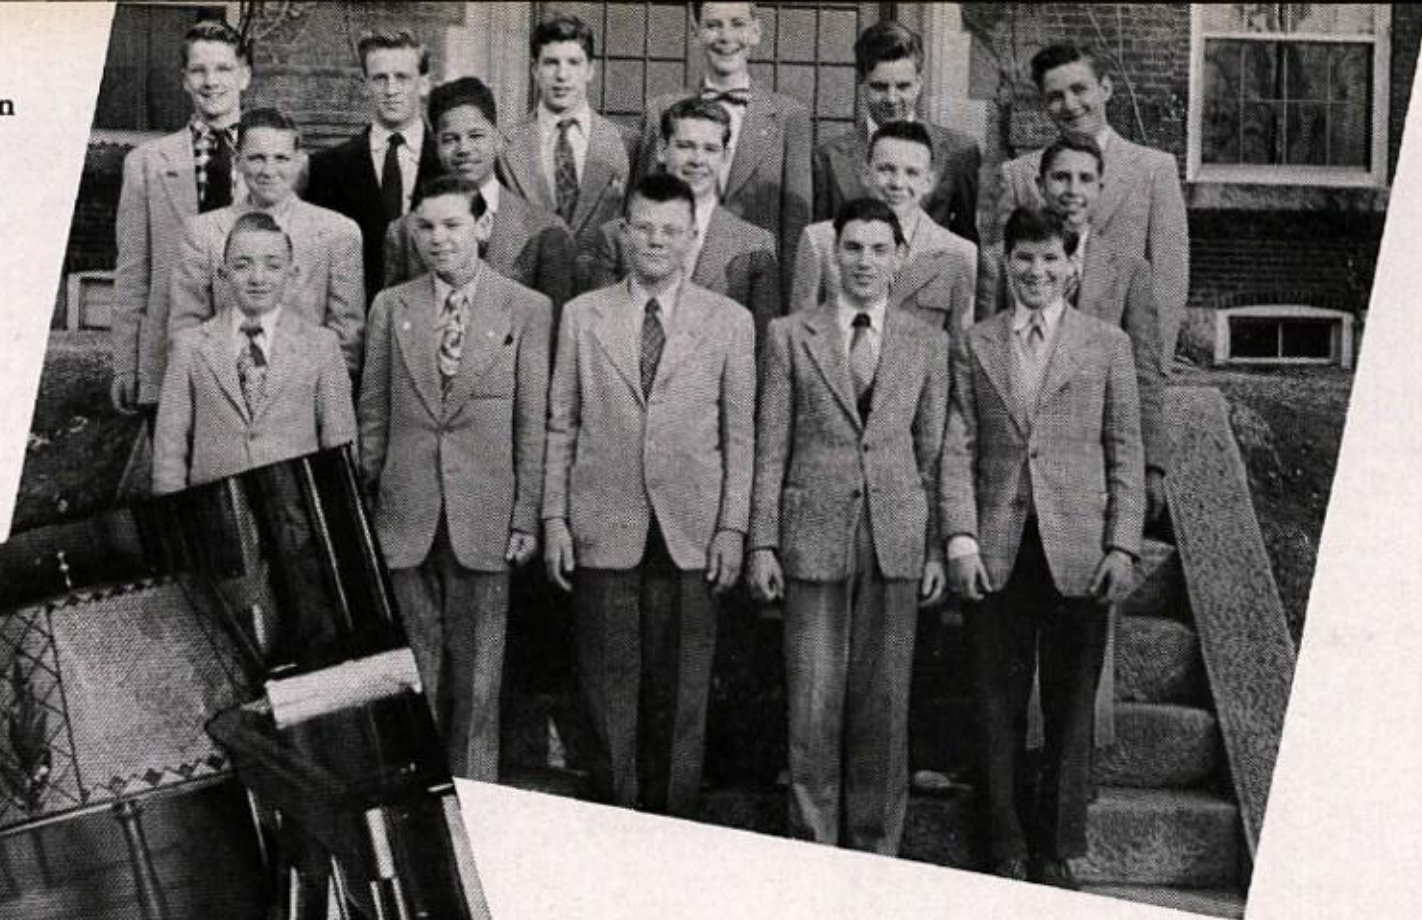

Bulldog, Bulldog.

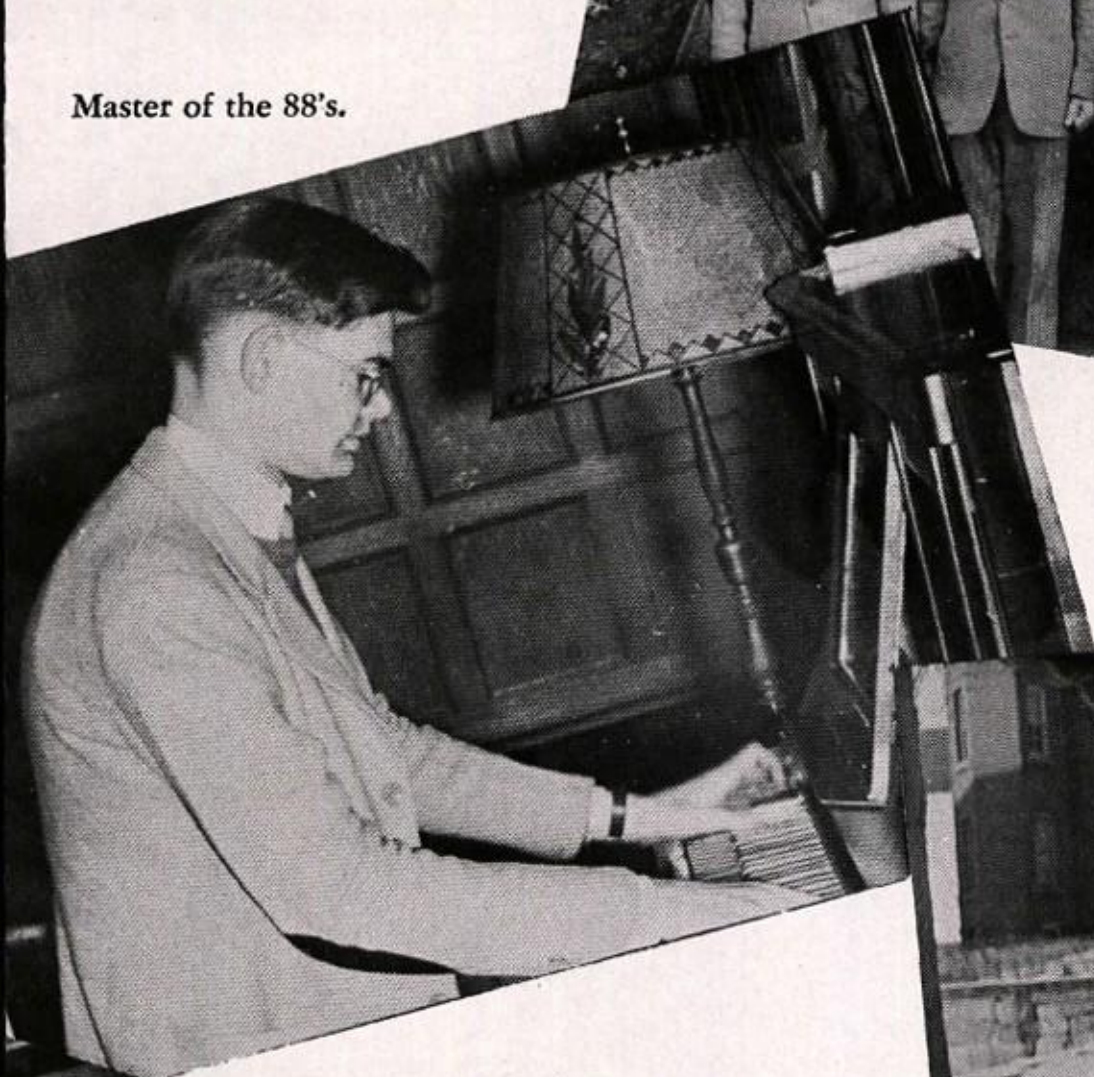

Those were the good old days.

When we were young and in
our prime.

Master of the 88's.

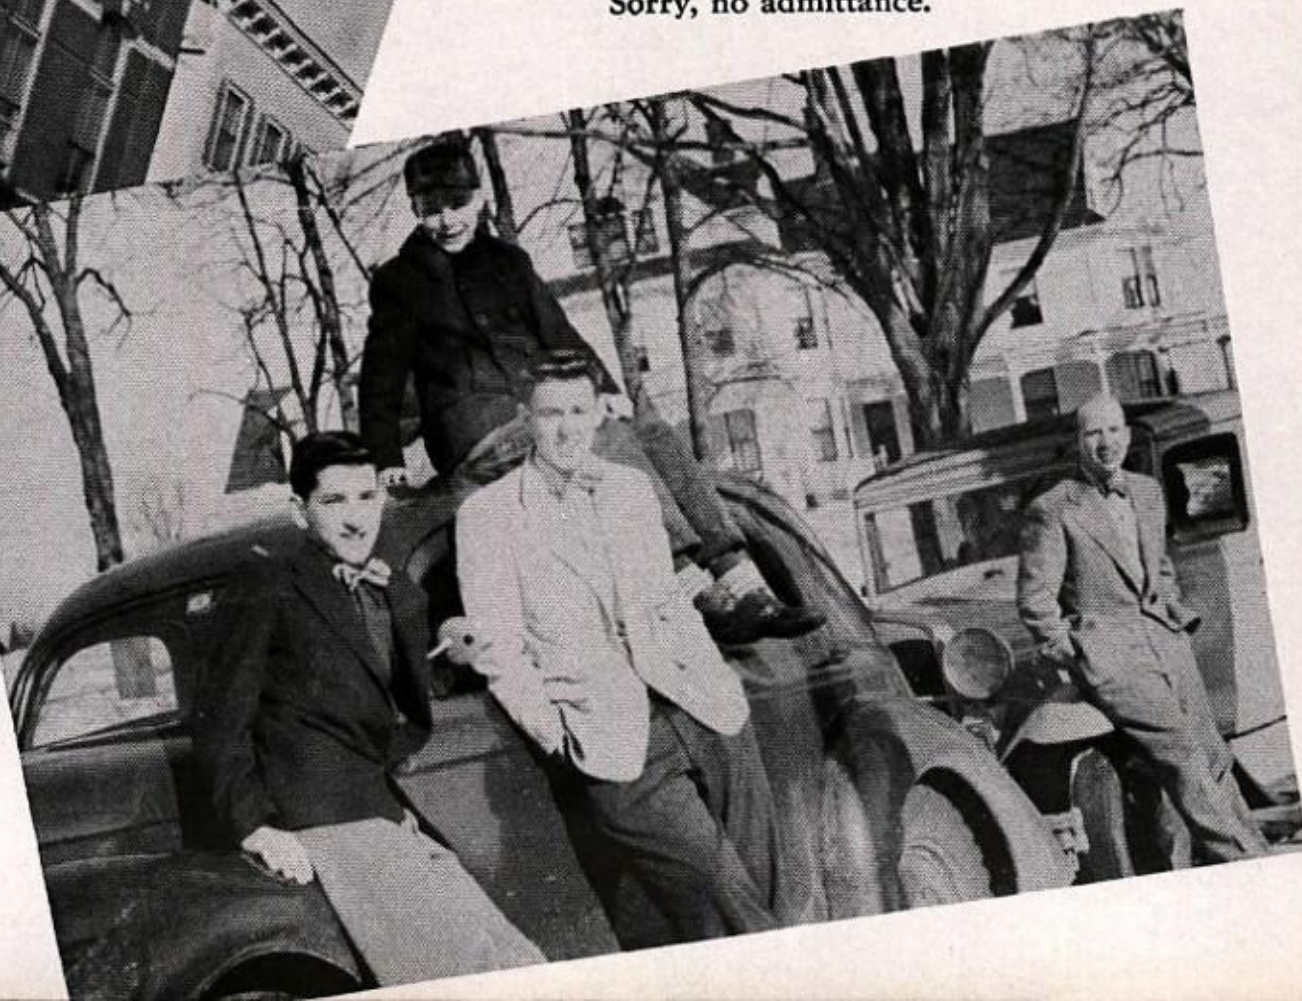

How about a game of pool.

Sorry, no admittance.

Commuter special.

Socrates had nothing on me!

I can lick anyone in the crowd?

Our next job is in Korea?

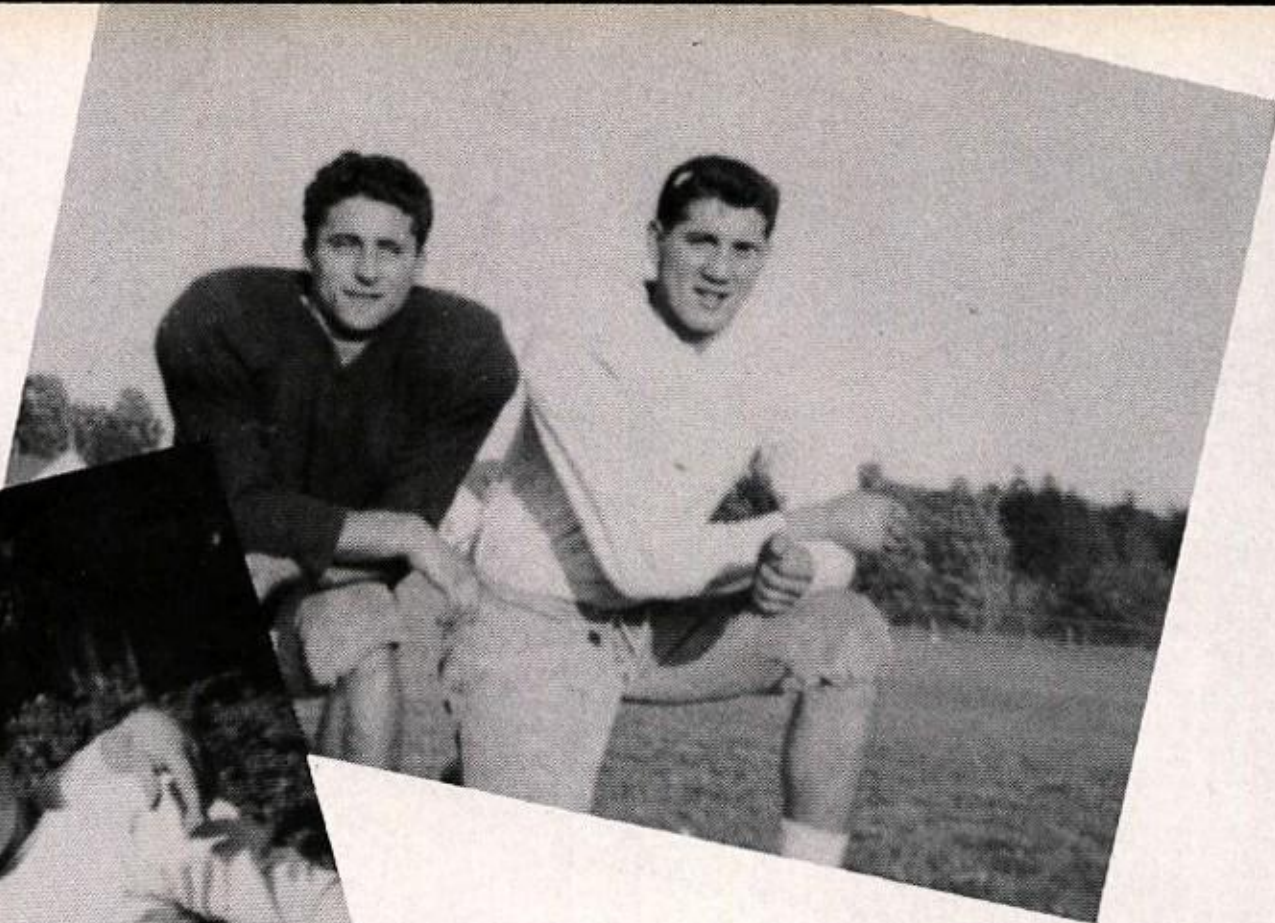

Watch the oiseau.

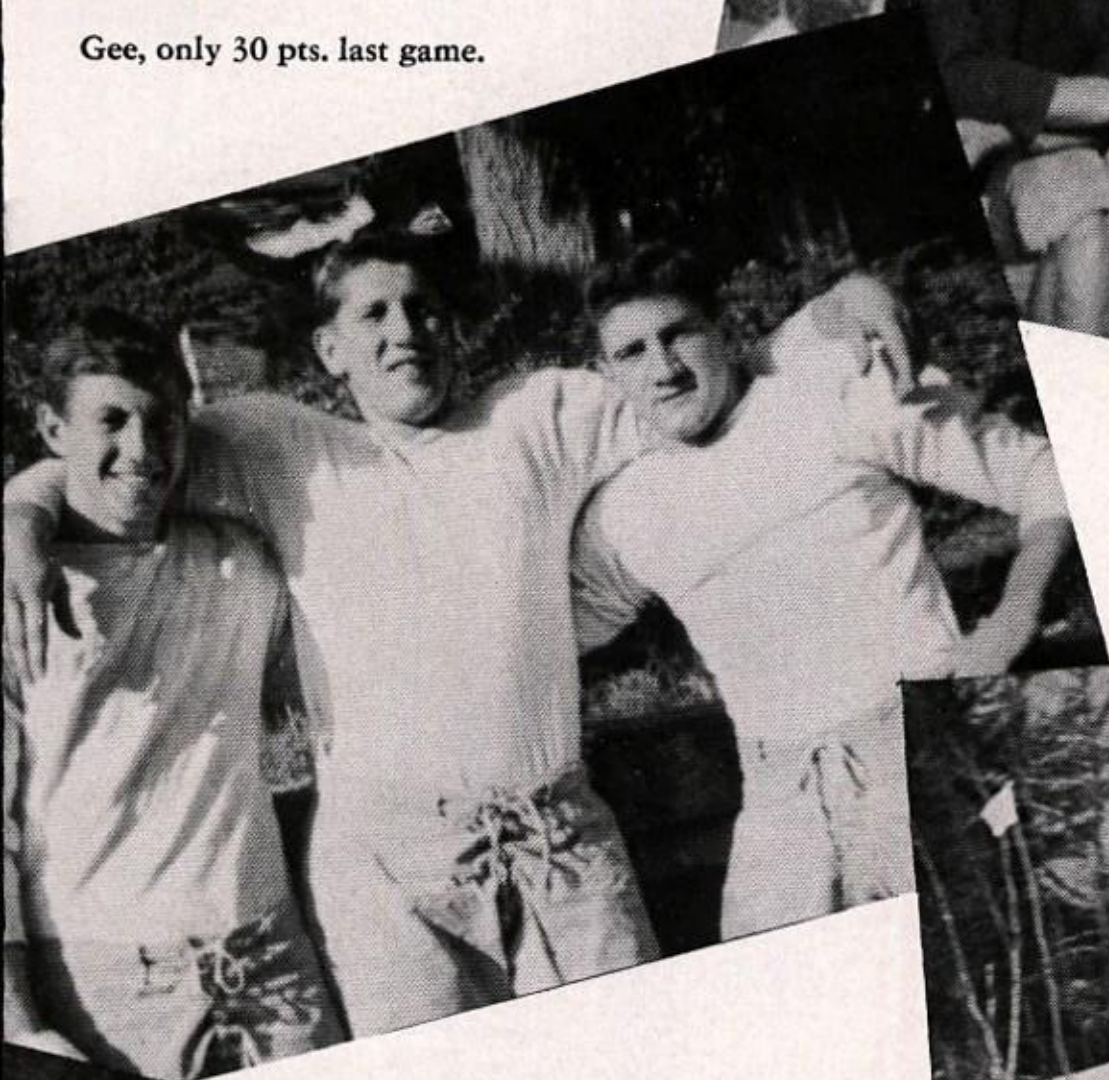

Where is the puck?

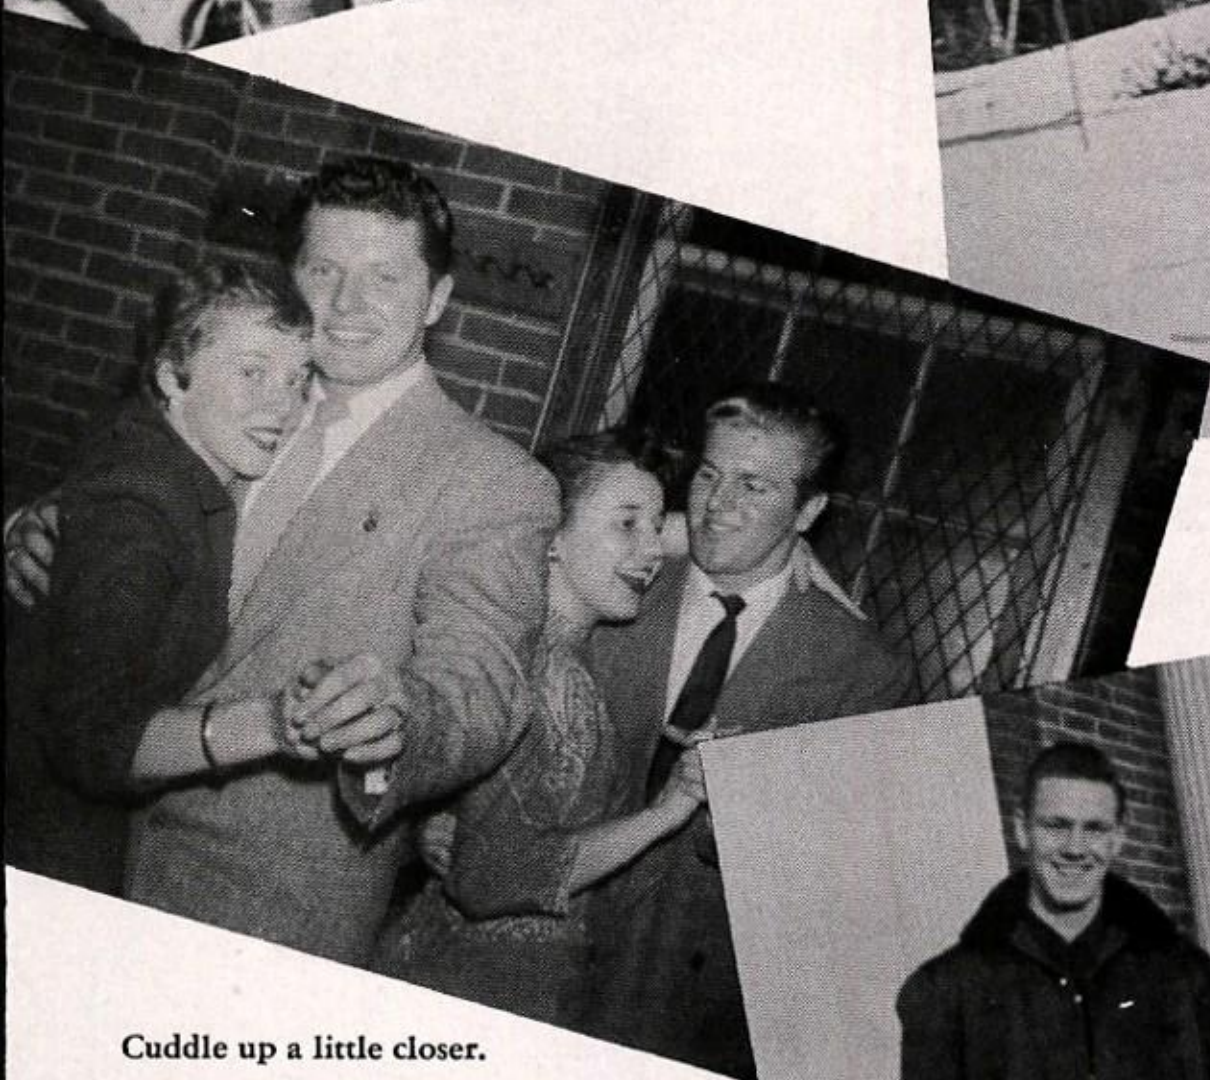

190 lbs. of beef.

Gee, only 30 pts. last game.

Where are my brakes?

Cuddle up a little closer.

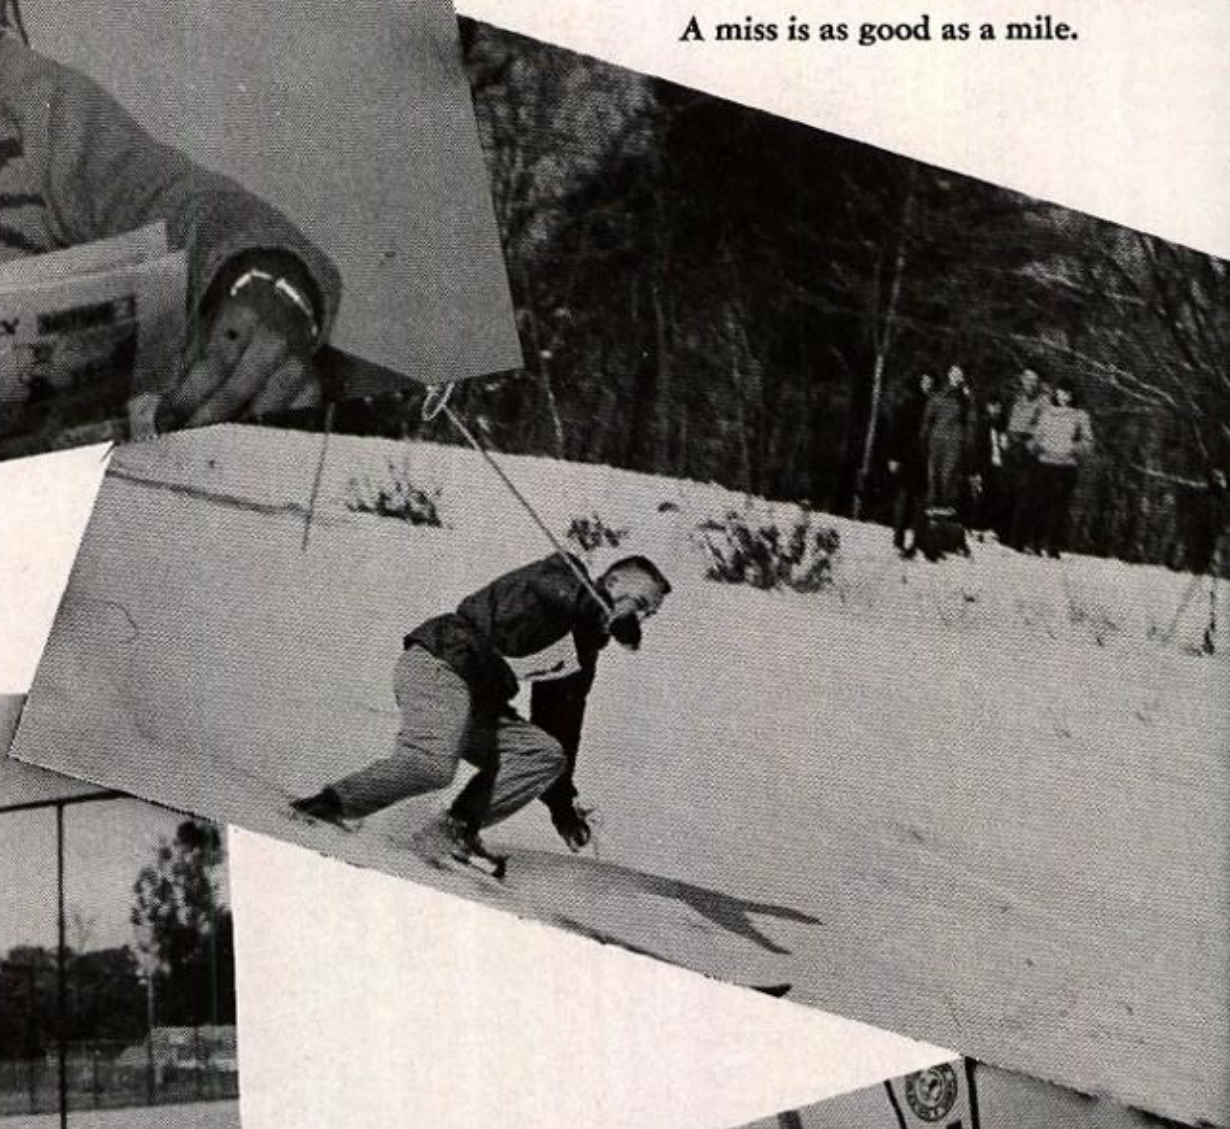

First floor lords.

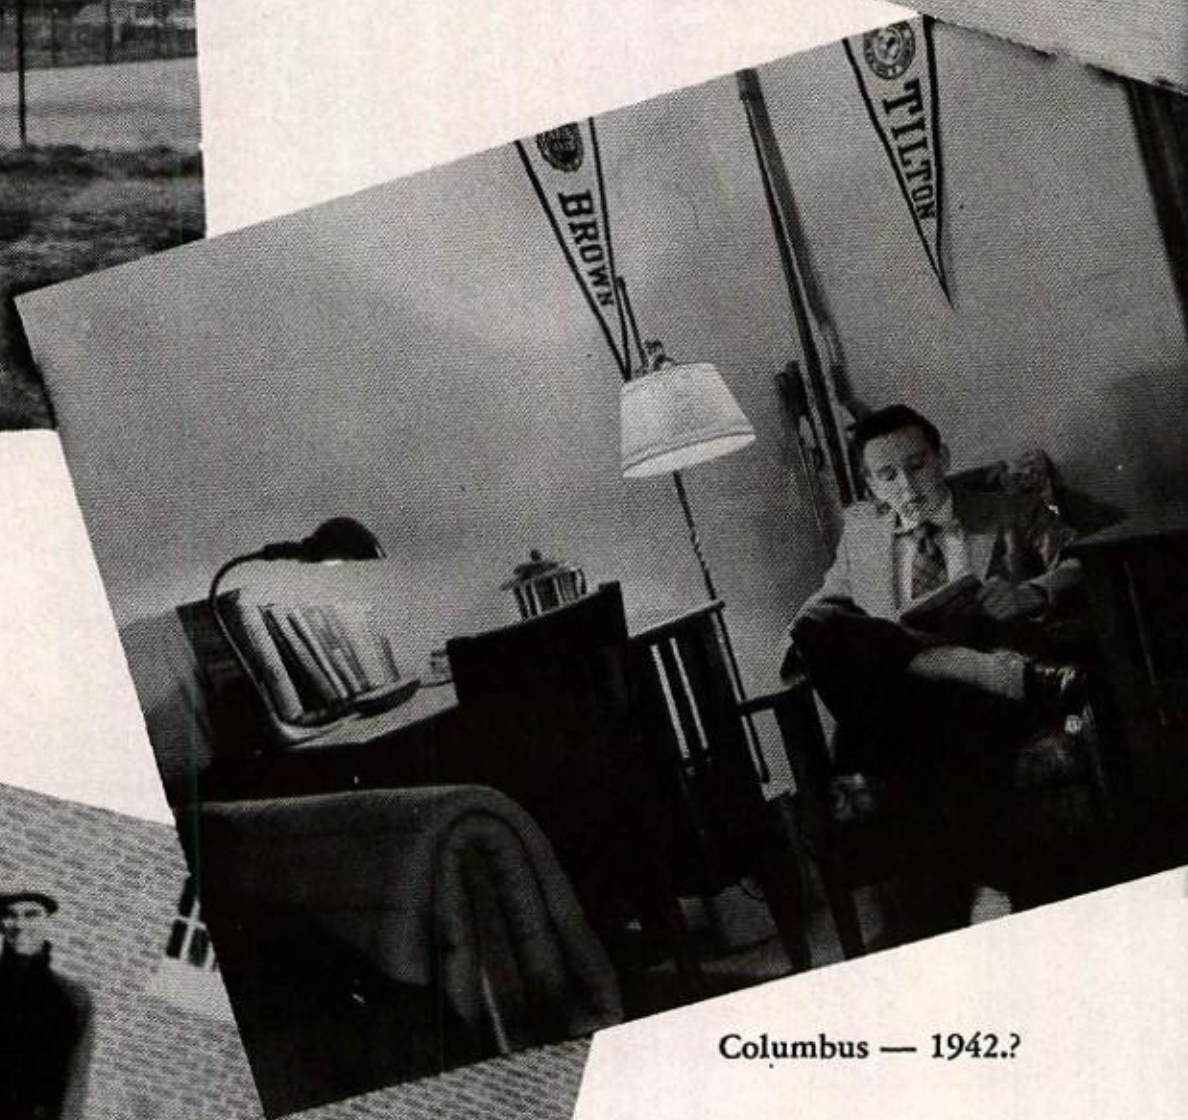

Lissen my chilun and you shall hear —

A miss is as good as a mile.

Two buddies.

Columbus — 1942.?

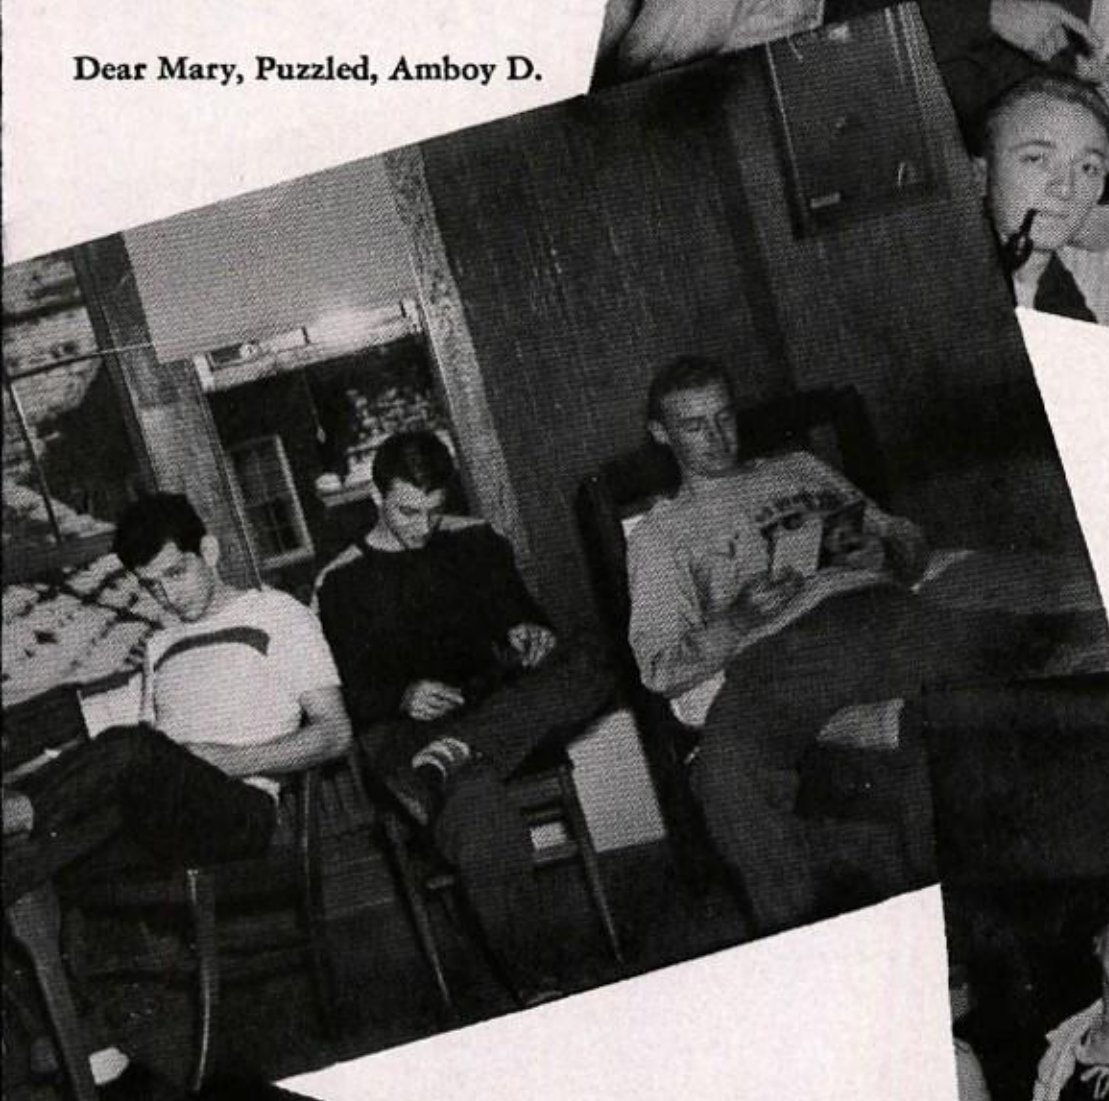

Three of a Kind.

Rummies.

Dear Mary, Puzzled, Amboy D.

Watch it Mrs. P.

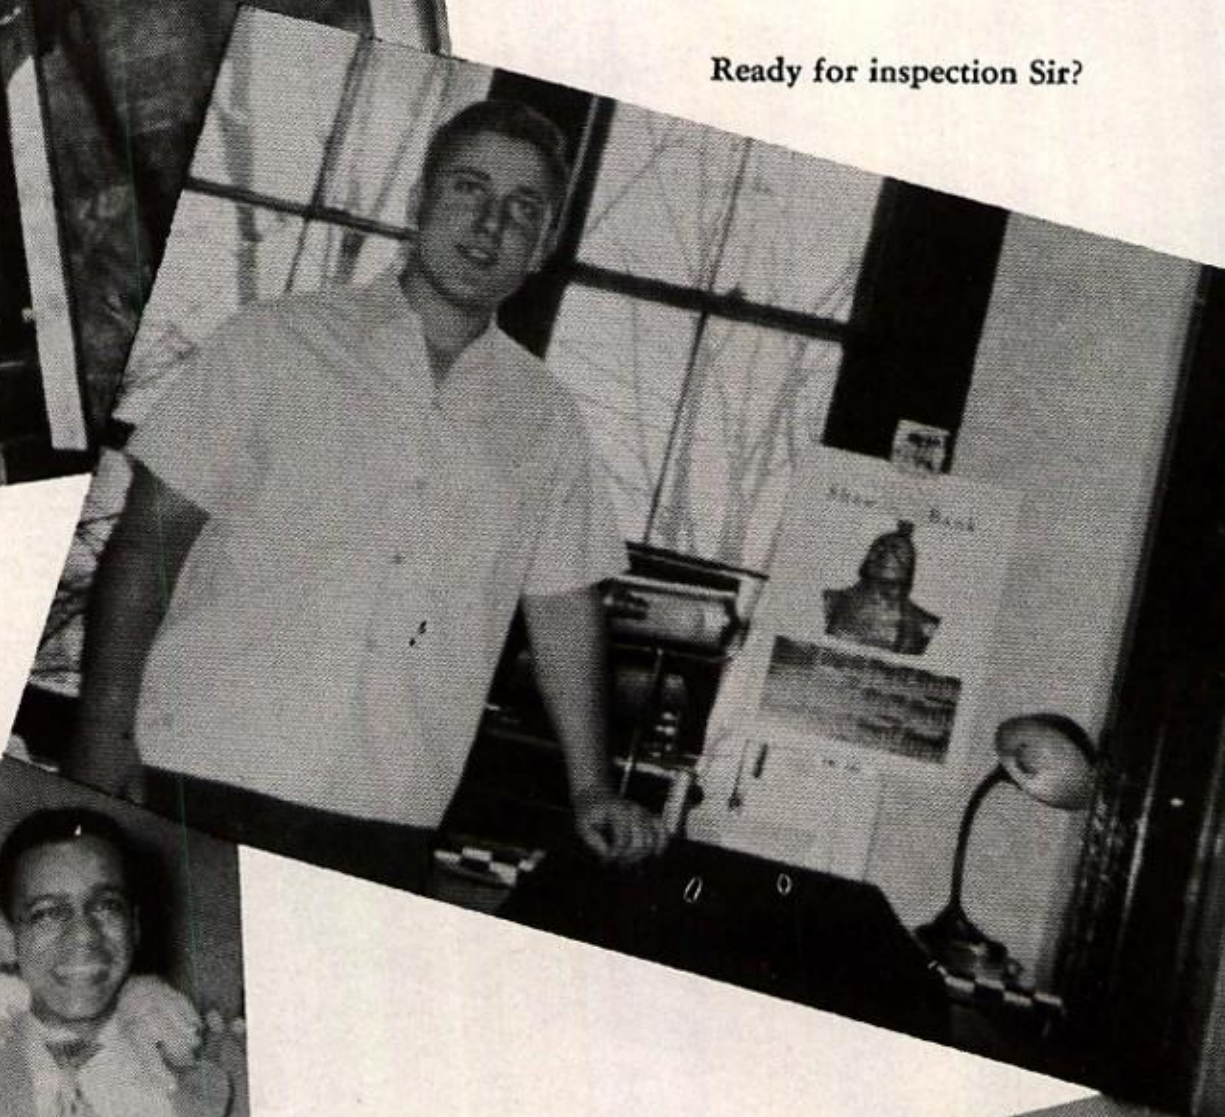

Our Mr. Chips.

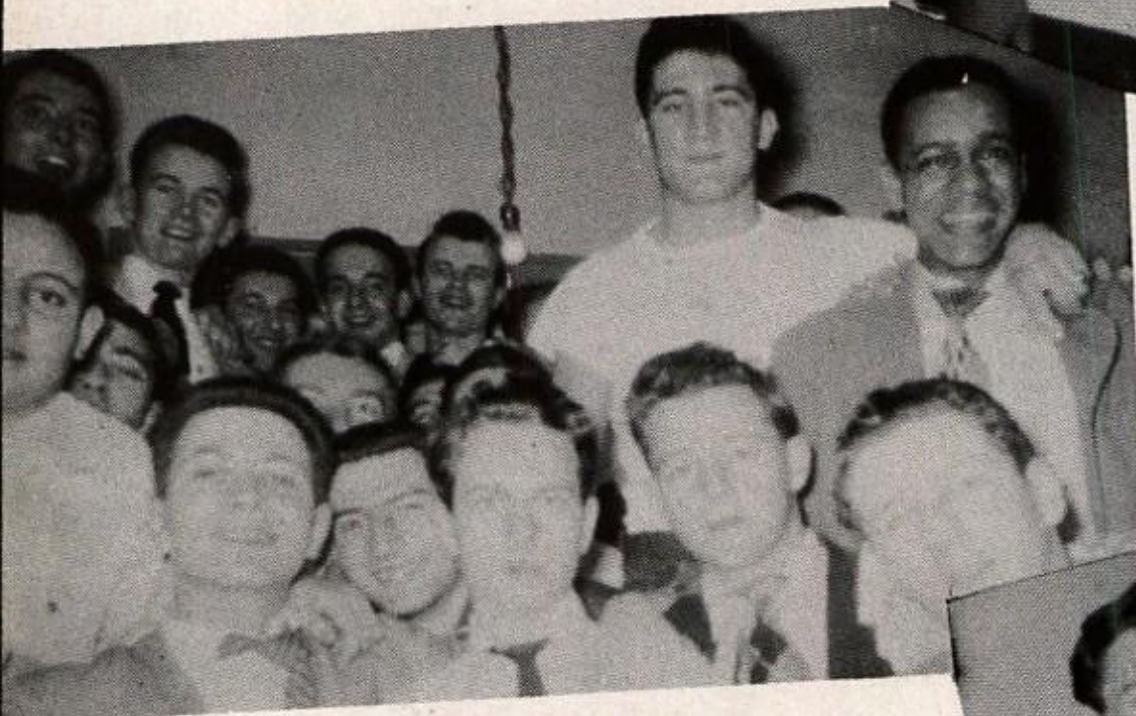

We are poor little lambs.

Spring house cleaning.

Ready for inspection Sir?

Oh come all ye faithful.

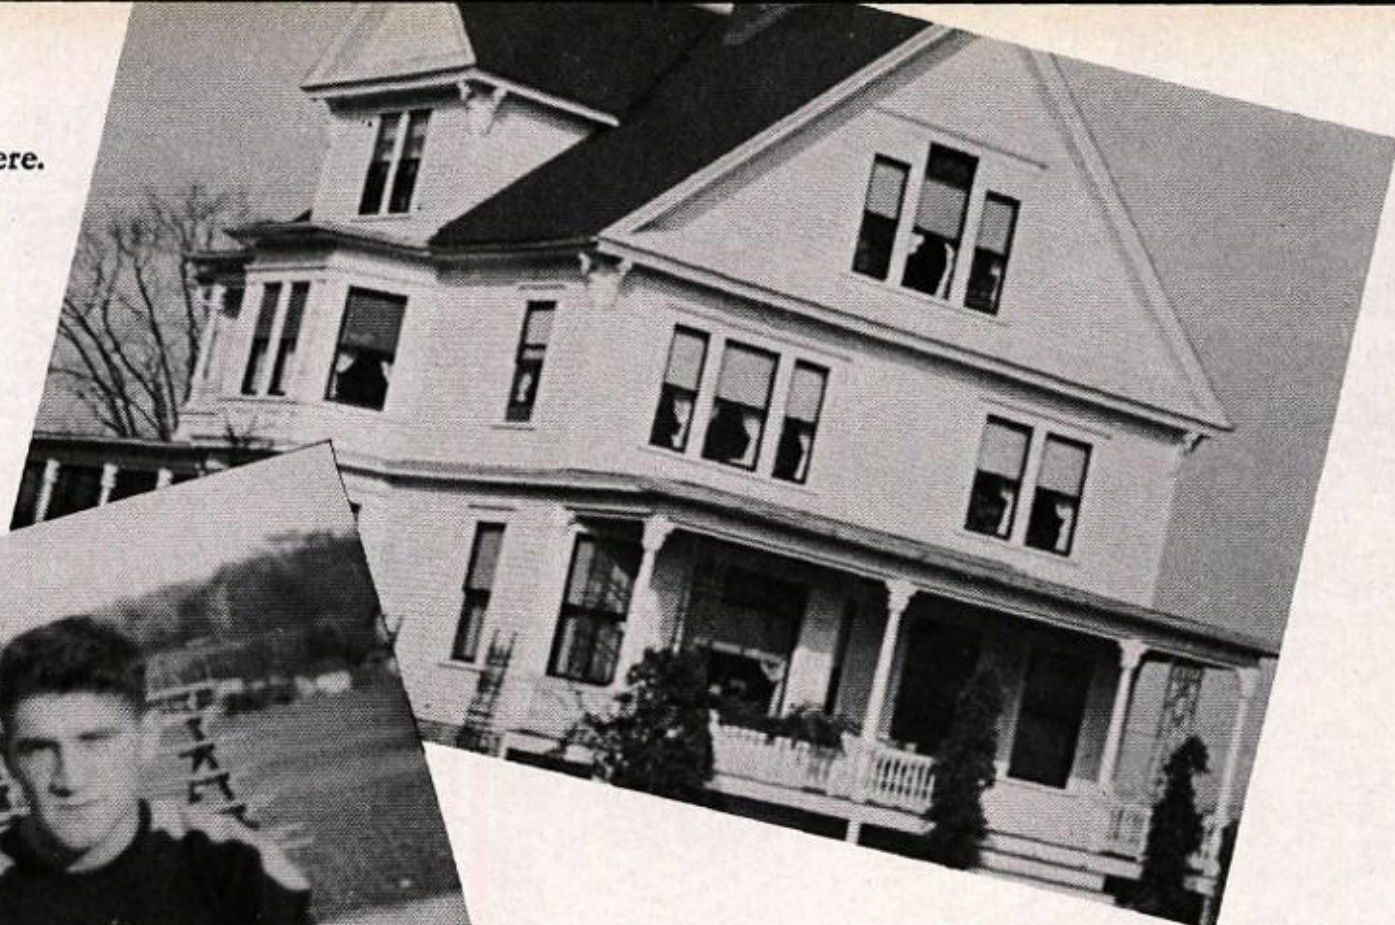

Lunch'em.

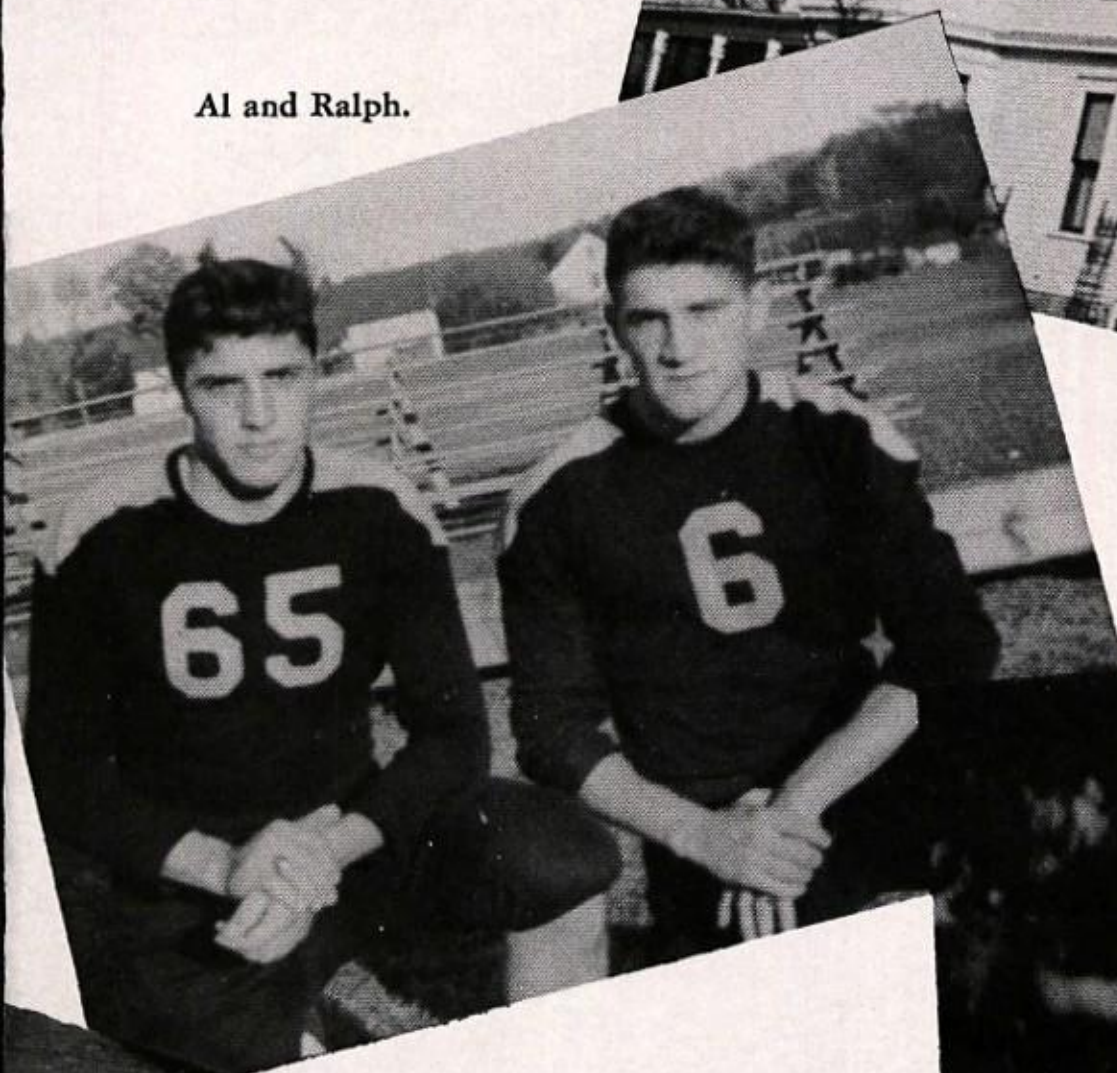

Typical Tilton Life.

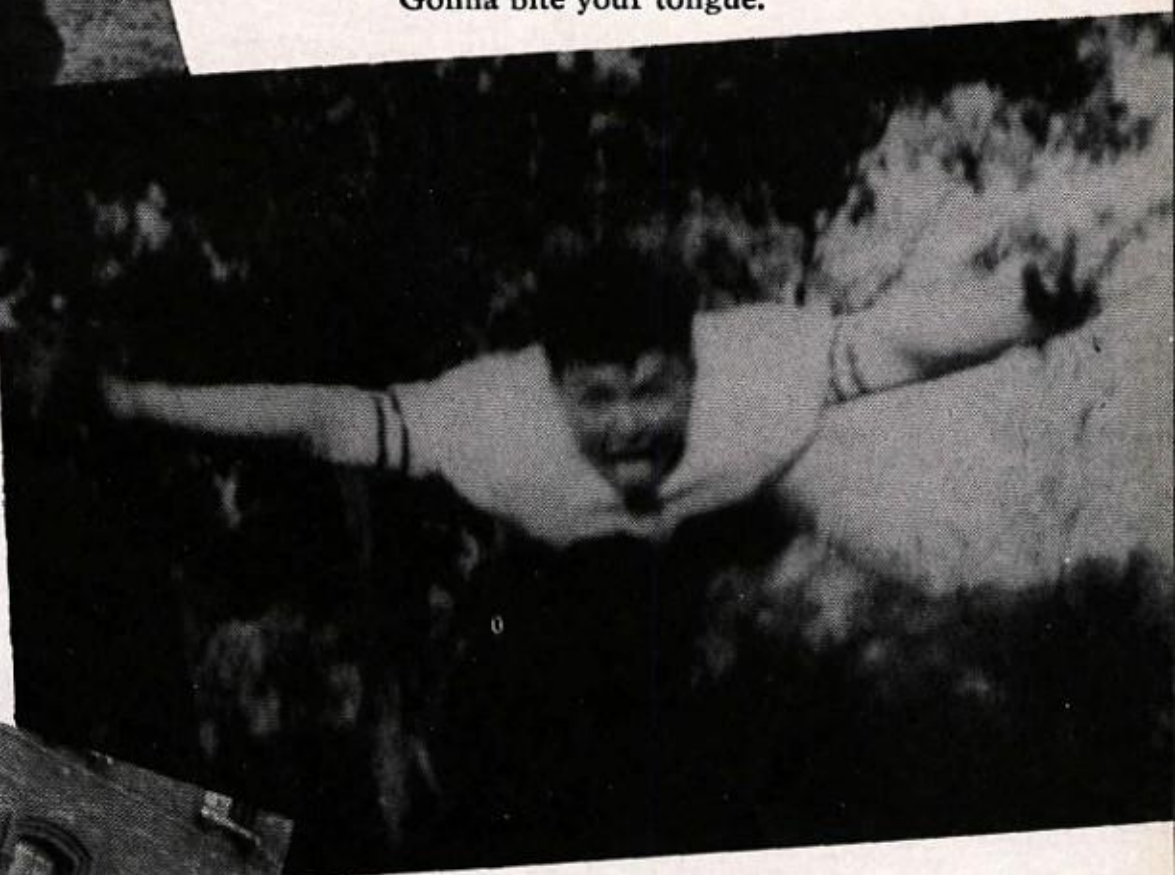

Mac and Mike live here.

Al and Ralph.

Gonna bite your tongue.

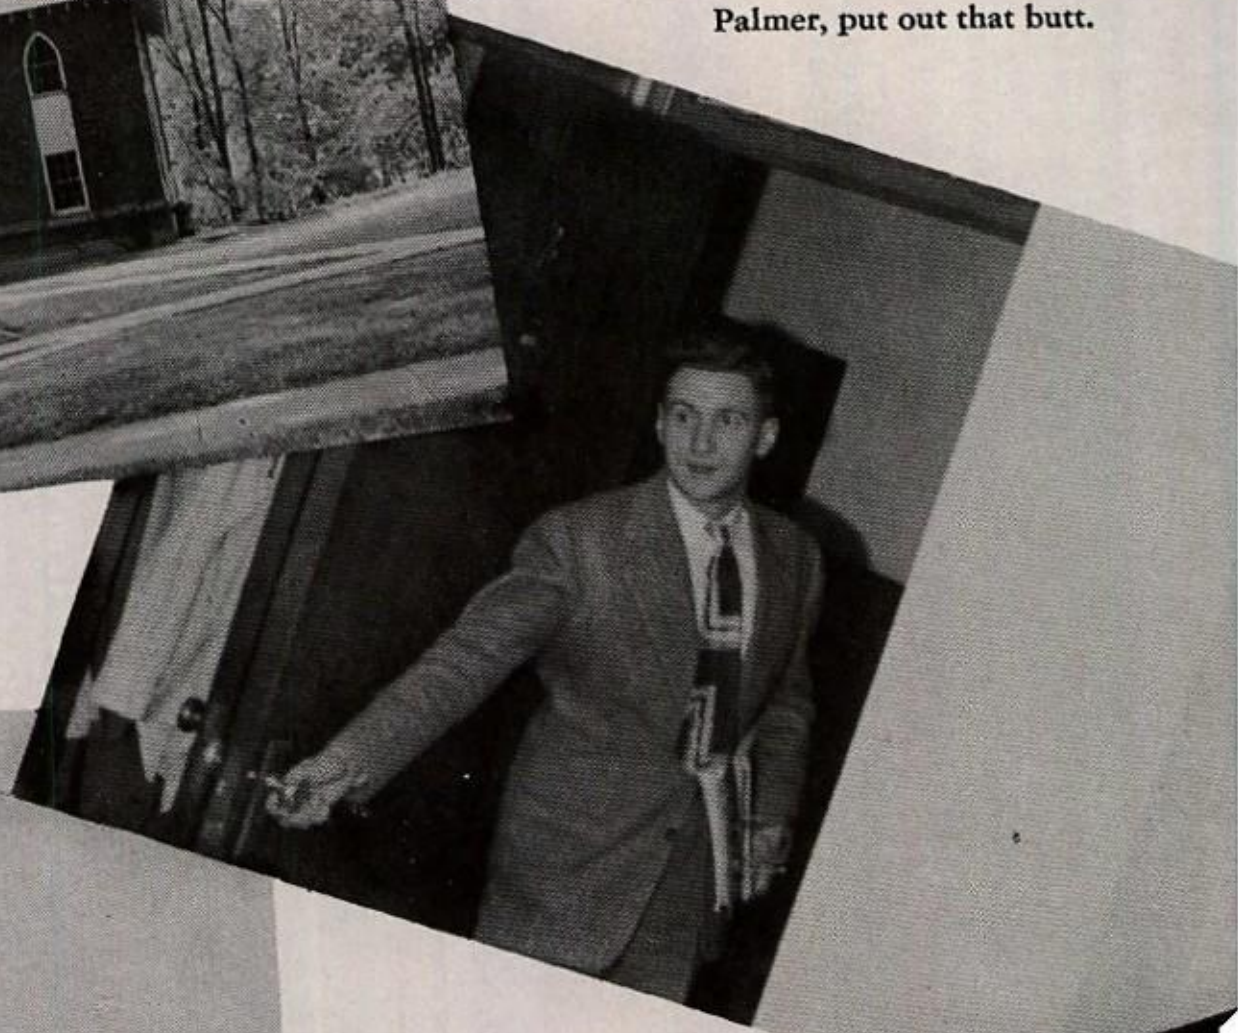

Laconia, 8 miles.

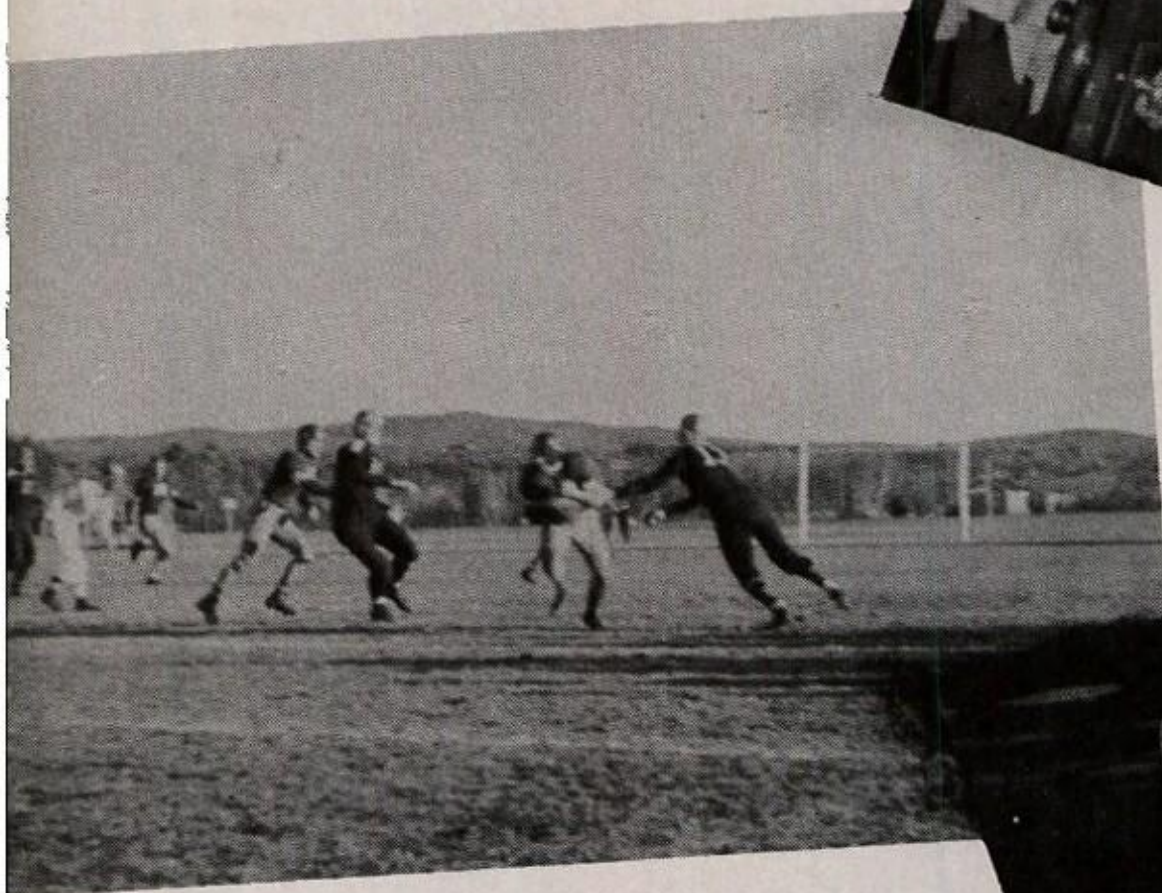

Rough and tough.

We don't play here anymore.

Palmer, put out that butt.

Hit 'em hard.

Dancin' Mountain Style.

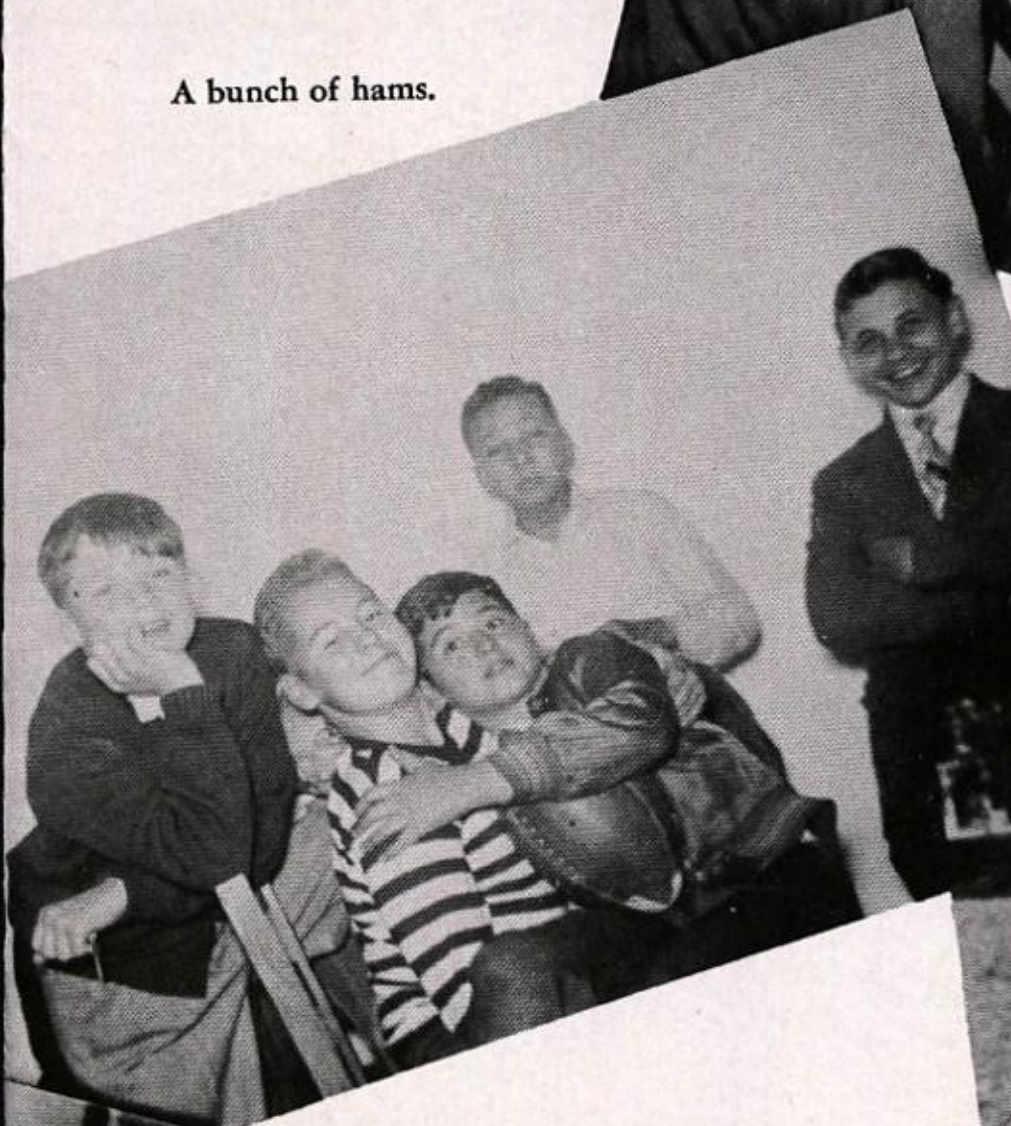

Bill and coo with Ray Ladeau.

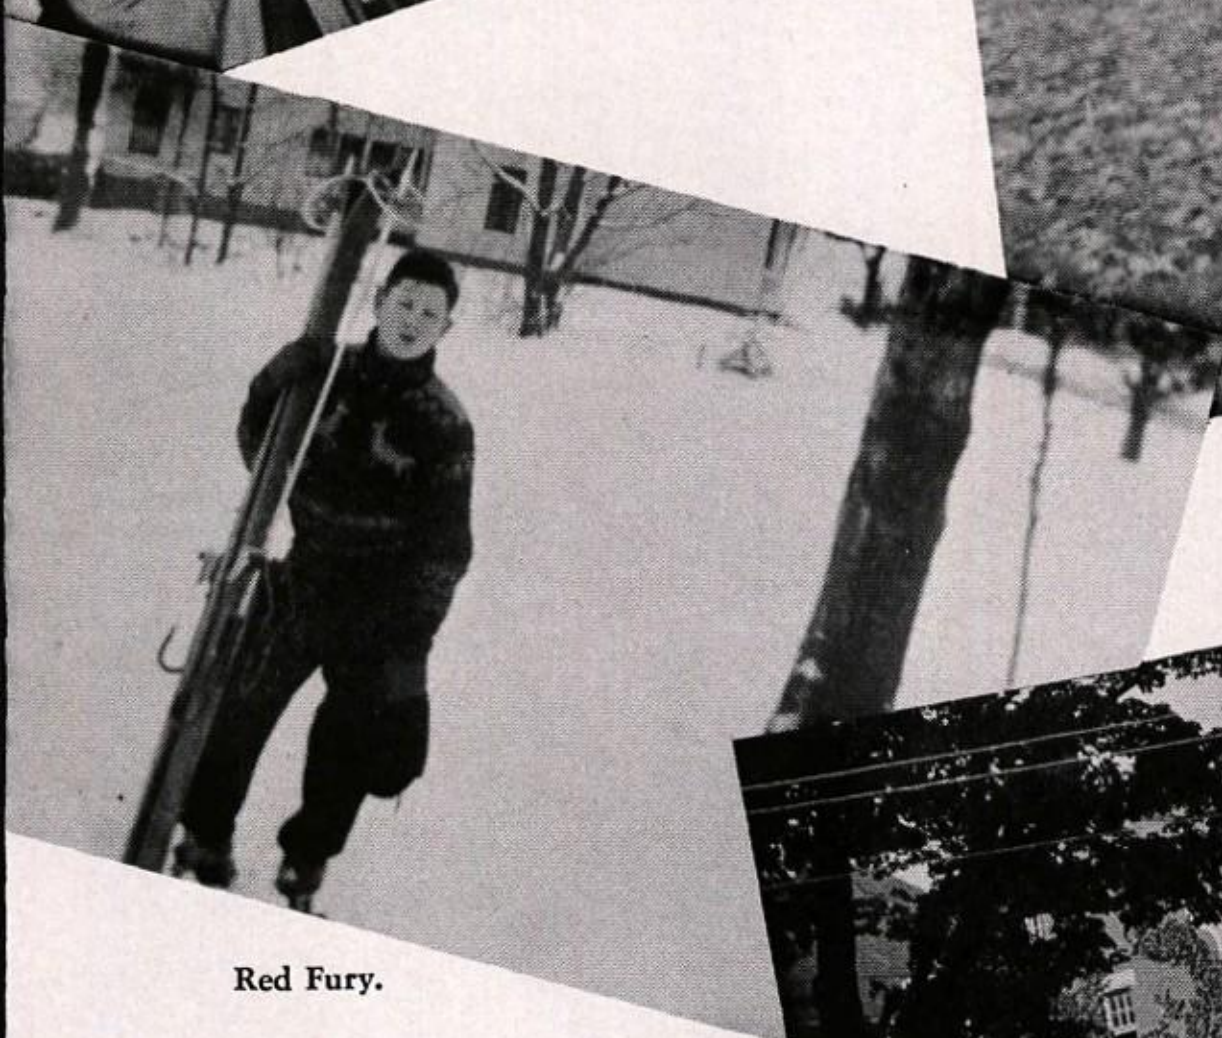

Rogue's Gallery.

A bunch of hams.

Rugged.

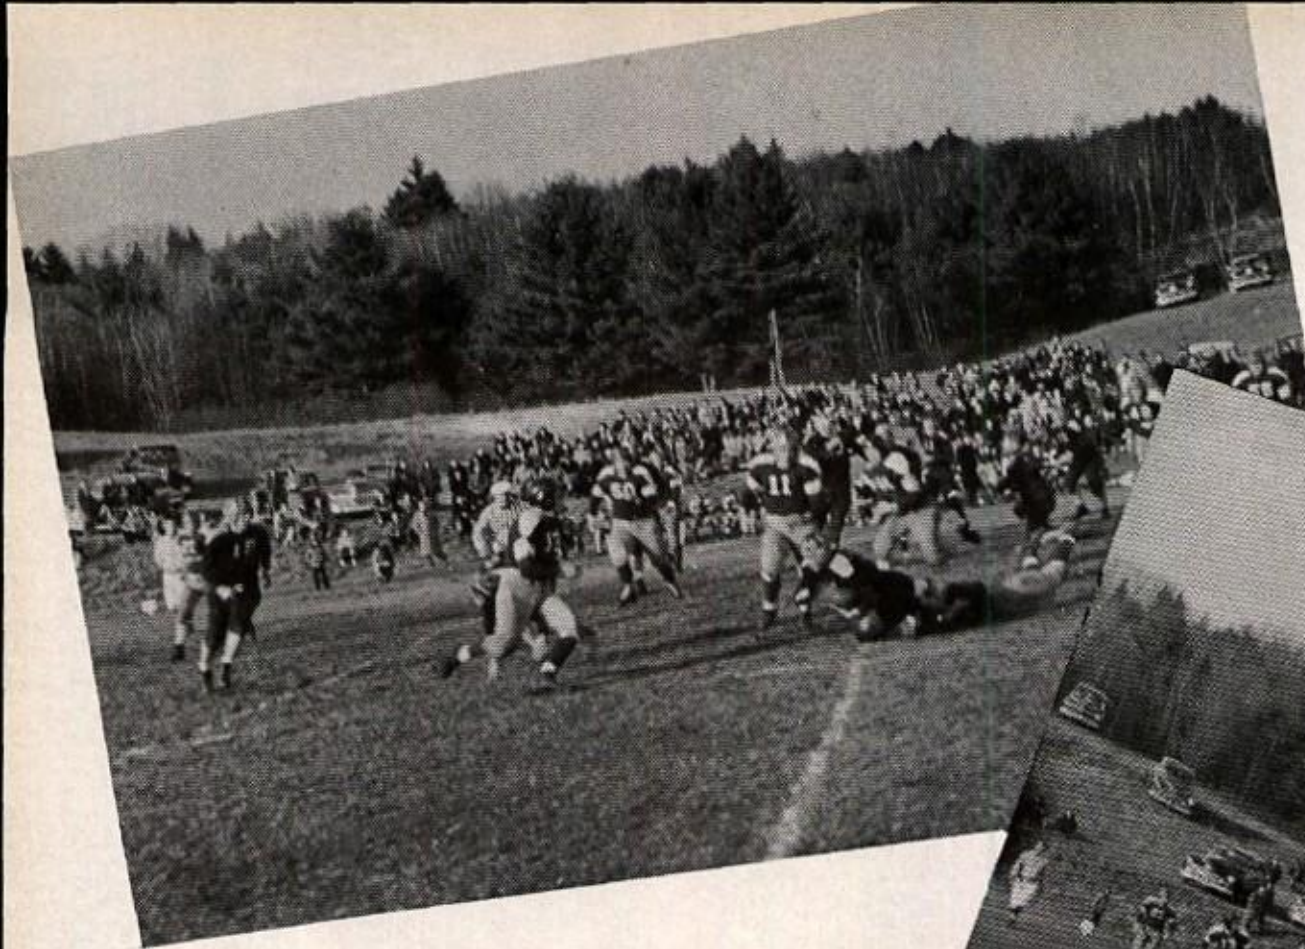

Red Fury.

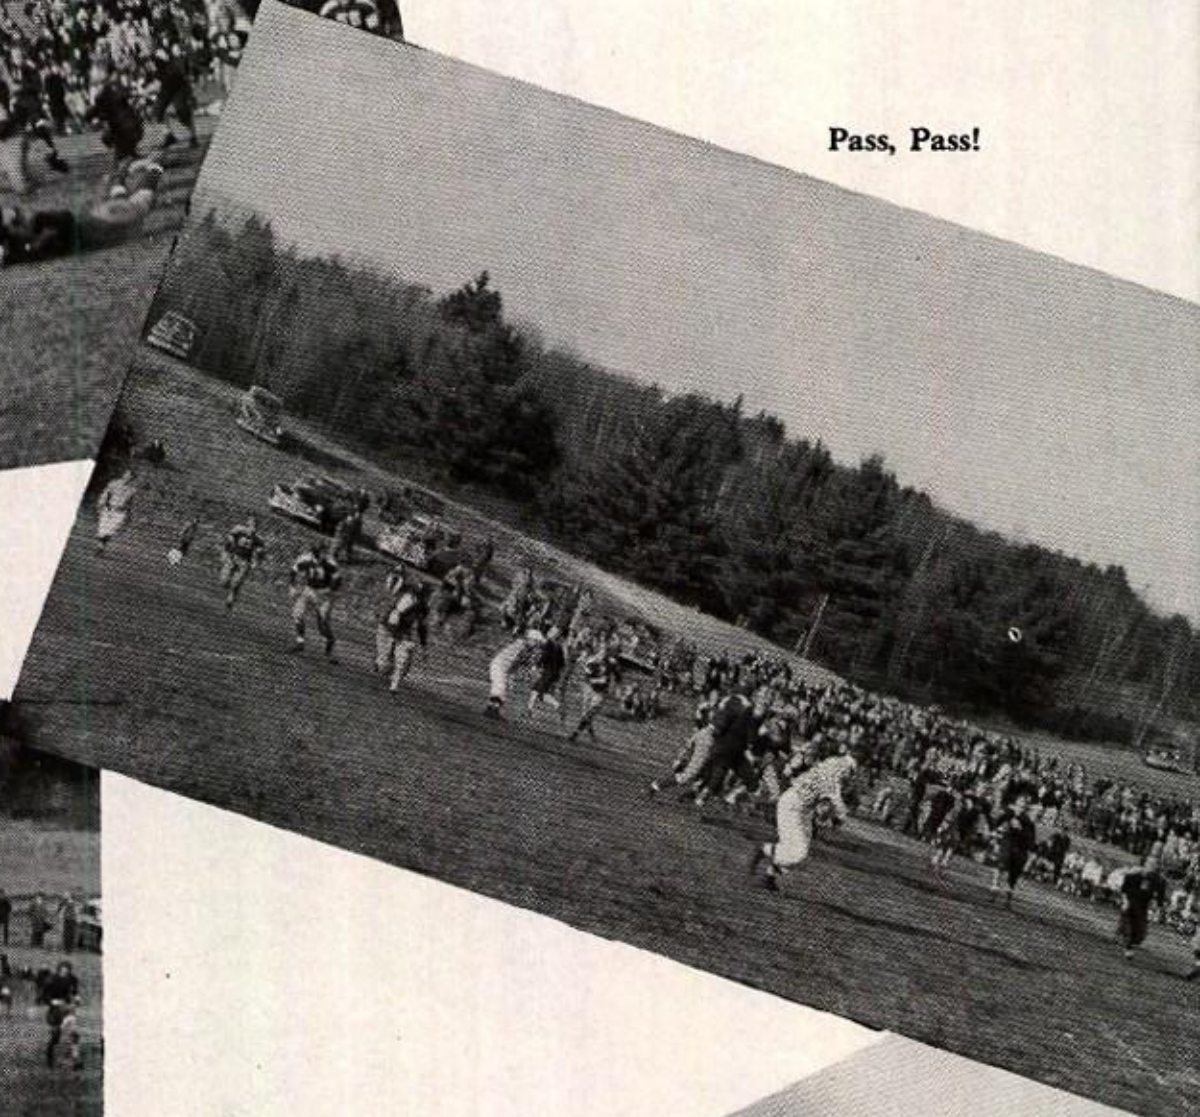

Mrs. Q's domain.

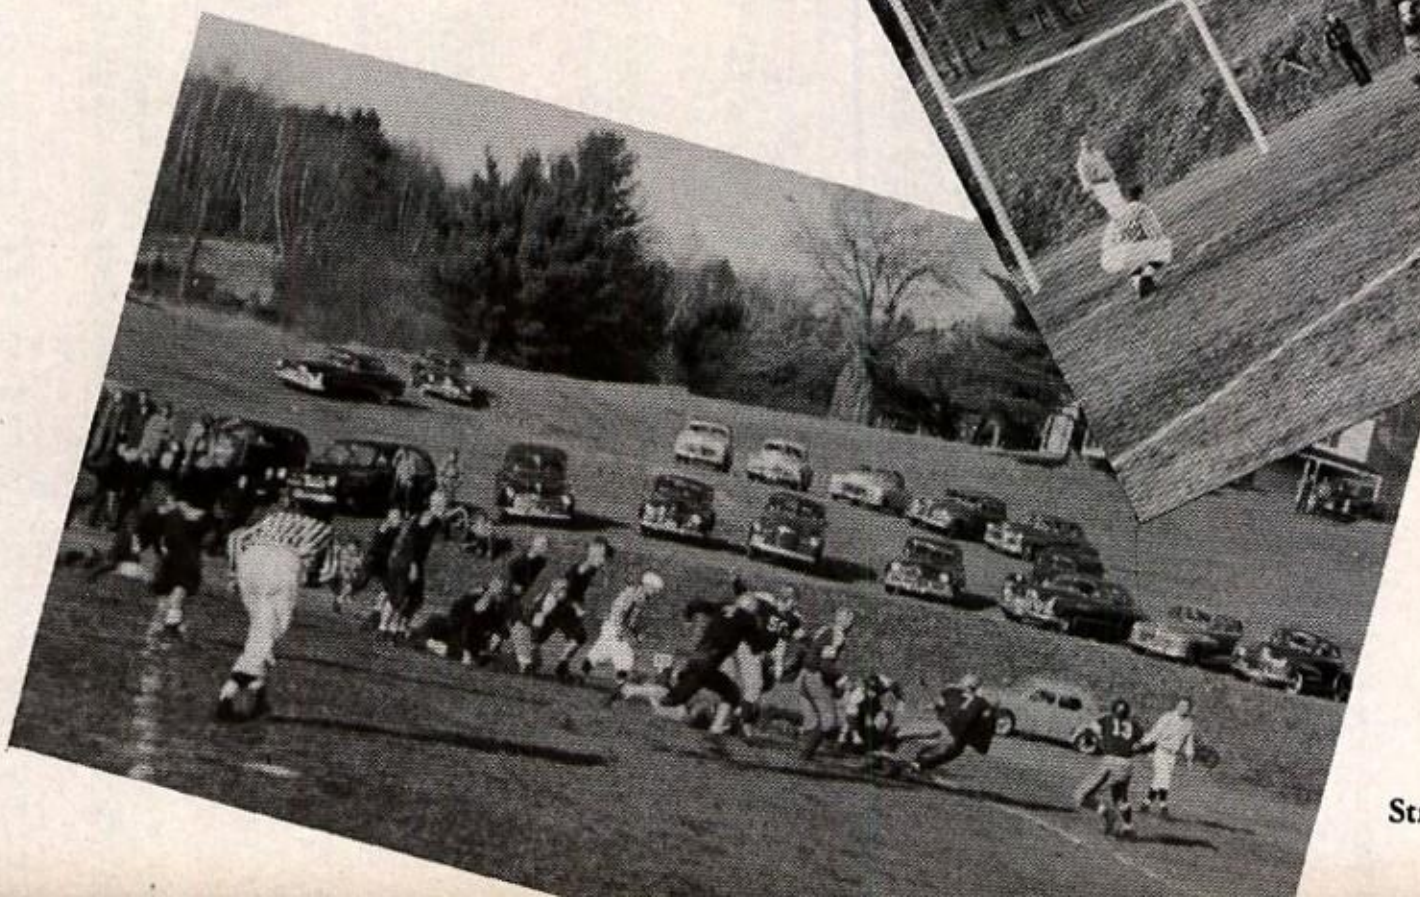

Smeared!

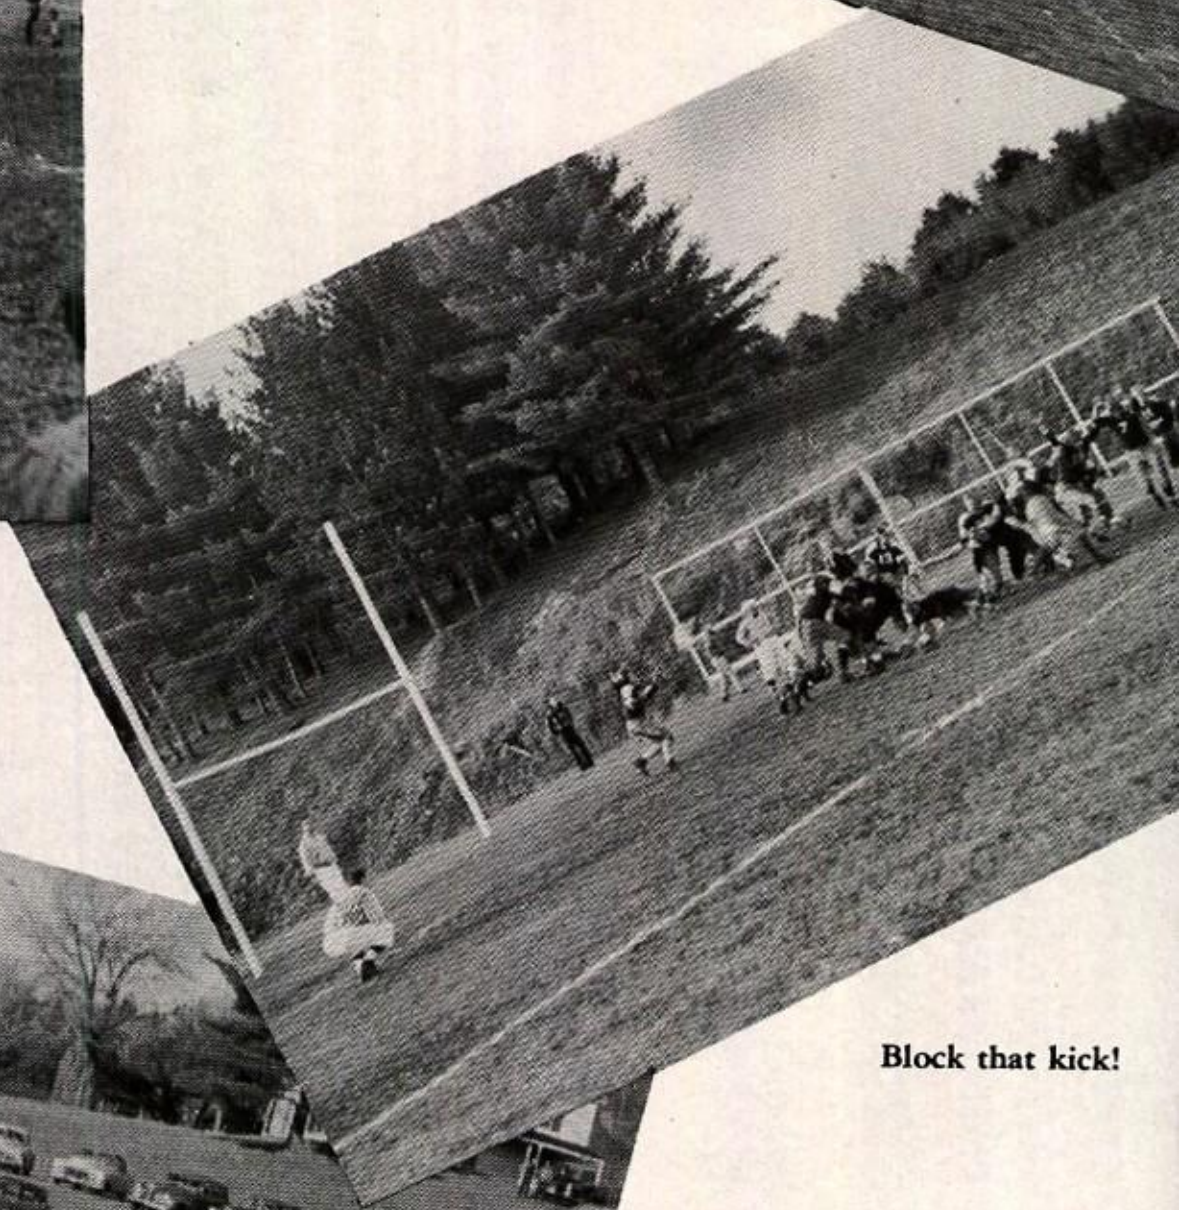

Pass, Pass!

Out of my way, Bud.

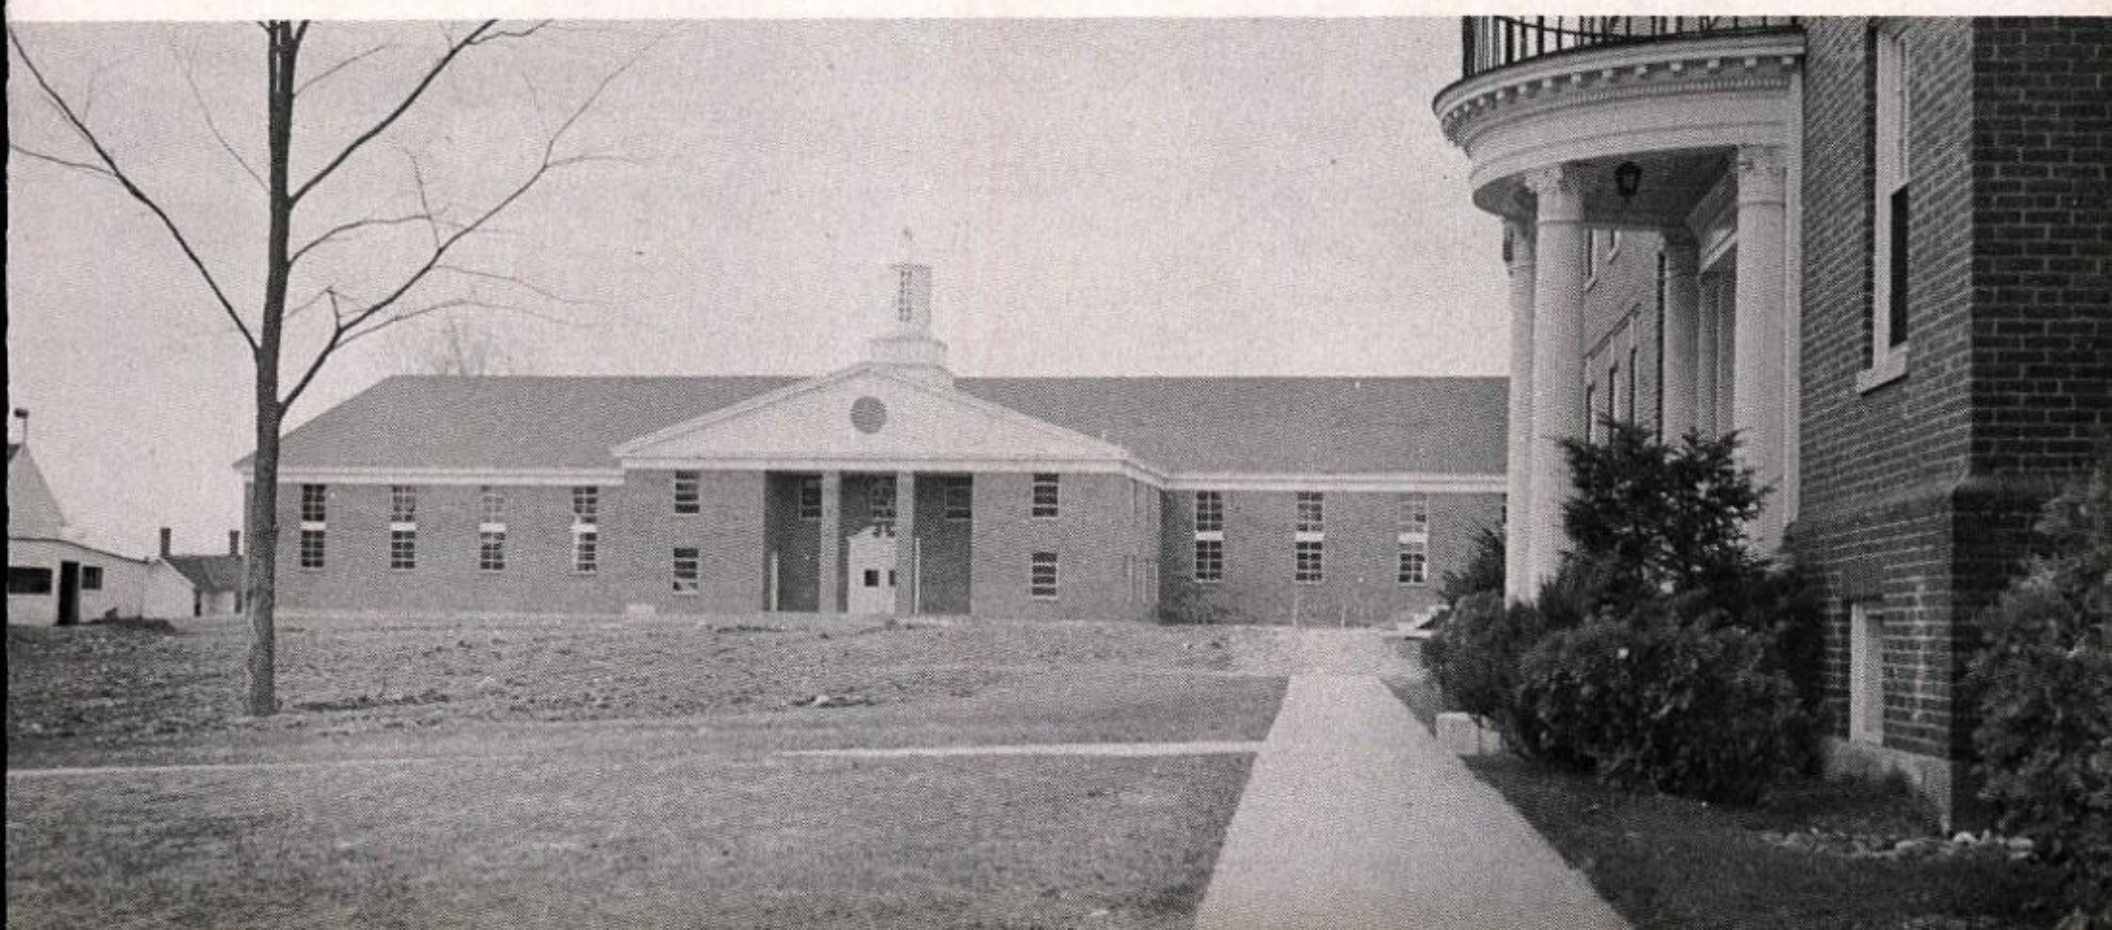

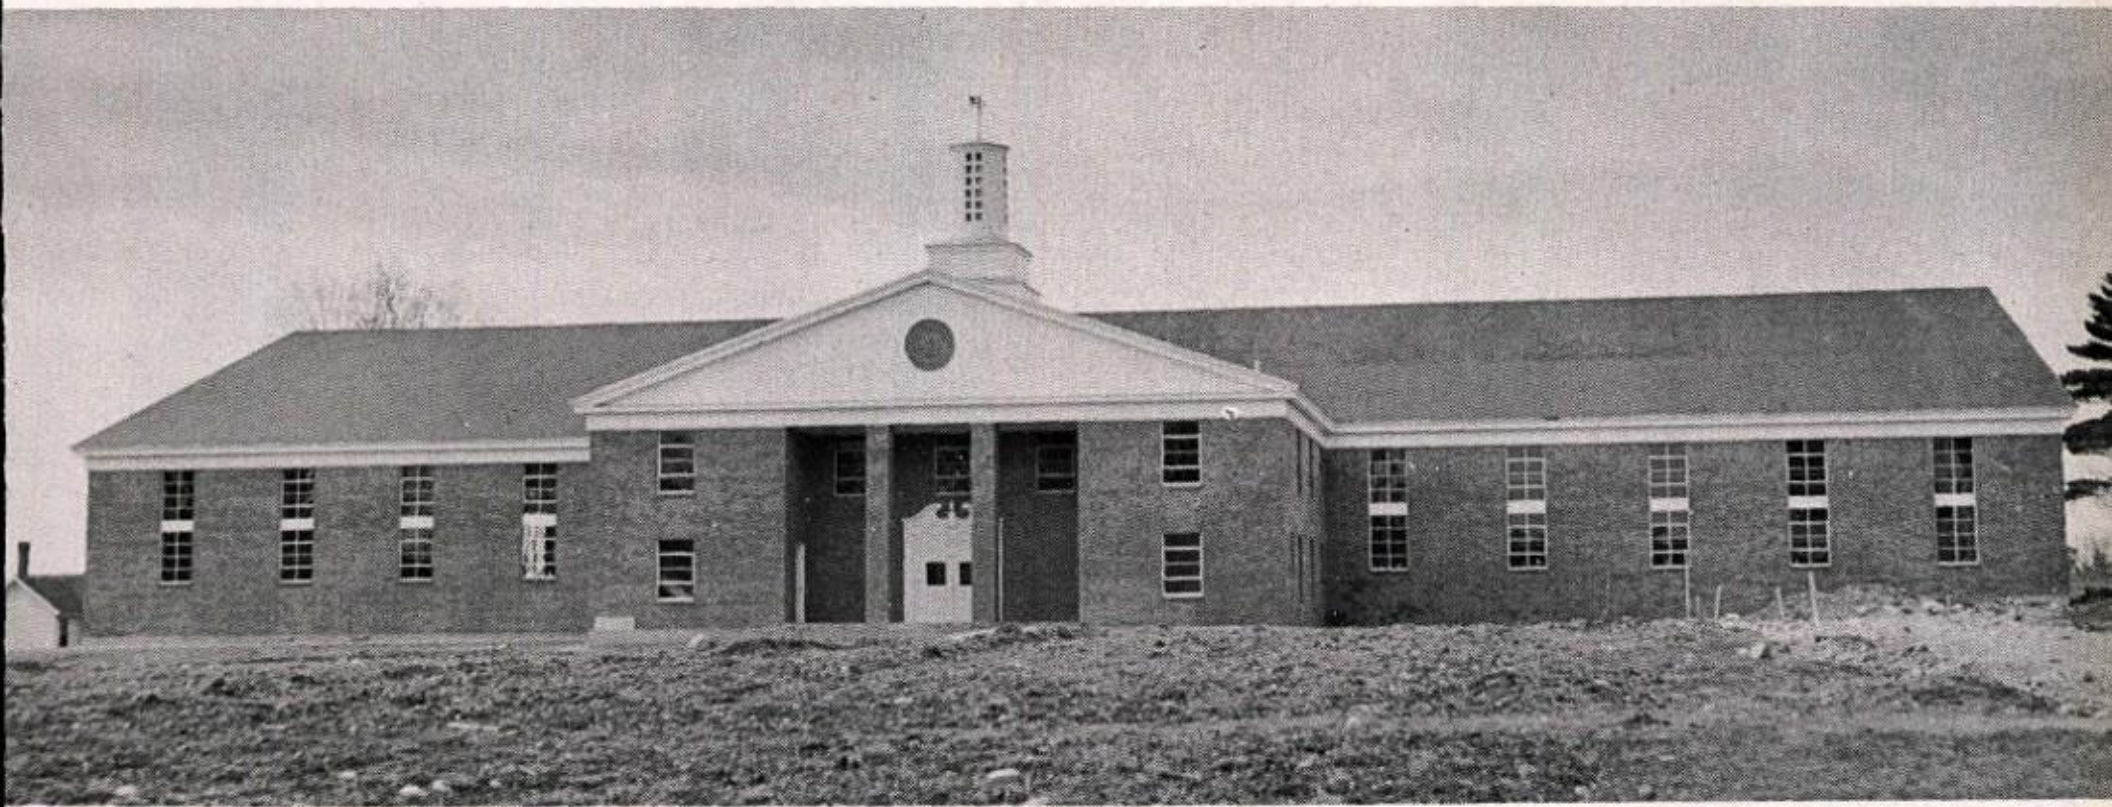

Block that kick!

Strangle hold.

This is It!

Alma Mater

O'er New Hampshire's sunlit hills
Thy swelling voices fling;
Sound the praise that ever fills
The valley with its ring.
May thy heroes never face defeat;
Thy onward climb show no retreat;
Thy triumph ever be complete,
Forever, Tilton, true.

Like the hills around thy site,
Shall stand our love for thee;
We will seek thy highest good
As rivers seek the sea.
Tho' men may pass and towers may fall,
Tho' ease may tempt and pleasures call-
We'll be thy loyal scions all,
Forever, Tilton, true.
